

**MINISTRY OF MINES
GOVERNMENT OF INDIA**

Mining Auctions: A Success Story

November 2024

“ Self-reliance is not possible without a strong mining and mineral sector as the two are important pillars of our economy. ”

Shri Narendra Modi
Honourable Prime Minister of India

INTRODUCTION

- Before 2015, the grant of mineral resources was through 'first come first serve' method. This system of allocation of mineral concession was discretionary and decision making was not transparent. Besides, it was not generating any adequate revenue to the Government other than basic royalty. Accordingly, parliament amended the MMDR Act 1957, in 2015 which inter-alia made E-auction mandatory for the grant of mineral concession to ensure a transparent method of allotments of mineral wealth. To implement the amendment act, two new rules were framed viz. Mineral Auction Rules 2015 and Minerals (Evidence of Mineral Content) rules 2015 and other rules were also amended to enable auction.
- To maintain sustained mineral production in the country and keeping in view the fact that a large number of working mining leases were going to expire in March 2020 under the extant provisions of the MMDR Act 1957, the MMDR Act was amended in 2020 to facilitate:-
 - Seamless transfer of all valid rights, approvals, clearances, licences and the like for a period of two years to a new lessee in case of minerals other than coal, lignite and atomic minerals.
 - State Governments to auction the mining lease before the expiry of mining lease.
 - Earlier, the government did not have the power to initiate the auction process for the mining lease before the expiry of the lease period.
- Anticipating an increase in the demand for critical minerals to meet the requirements of the new-age economy like energy transition, semi-conducting, cutting-edge defence and space, the MMDR Act, 1957 has been further amended in 2023. The salient feature of the Amendment Act are:-
 - Omitted 6 minerals from the list of atomic minerals specified in Part B of the First Schedule of the Act, and introduced Part-D comprising 24 critical and strategic minerals.
 - Empowered Central Government to exclusively auction mineral concessions for critical minerals list in Part-D of First Schedule of the Act. Revenue from these auctions will accrue to concerned State Government.
 - Exploration licence has been introduced to be granted through auction, which shall permit the licensee to undertake reconnaissance and prospecting operations for critical and deep-seated minerals mentioned in the new Seventh Schedule to the Act.

- In exercise of the powers conferred by section 20A of the Mines and Minerals (Development and Regulation) Act, 1957 vide order dated 21.10.2024, in the national interest, for the scientific and sustainable development and exploitation of mineral resources, the Central Government has been empowered to notify the mineral blocks and conduct auction for grant of exploration licence under sub-section(4) and (6) section 10BA of the Act.
- In 2023, the Offshore Areas (Development & Regulation) (OAMDR) Act, 2002 has also been amended as a major reform measure, introducing auction as the method of allocation of operating rights in the offshore areas.

The auction of critical and strategic minerals brings several key benefits, including the bolstering of domestic production, reducing import dependency, promoting sustainable resource management, attracting investments in the mining sector and the development of key industries crucial for India's industrial and technological advancement. This is a step towards creating a reliable supply chain of these minerals and a step towards making an 'Atma Nirbhar Bharat' and contribute towards increased economic growth.

AUCTION FRAMEWORK

- Mineral concessions are granted by the respective State Governments.
- Types of mineral concessions:
 - Mining lease
 - Composite license (CL) or Prospecting licence-cum-mining lease which is a two stage concession granted in a seamless manner
 - Exploration Licence
- Manner of grant of mineral concessions:
 - Through auction by the State Governments and in certain cases by the Central Government; or
 - Through reservation for a Government company or a JV of Government company, with the approval of the Central Government
- Exploration norms and level of exploration for auction of mineral concessions are as:
 - Mining lease for Limestone, iron ore and bauxite blocks having surficial deposits: G3 level
 - Mining leases for other minerals and deposits: G2 level
 - Composite licence for all minerals: G4 level
- Period of mineral concessions:
 - Mining lease: Uniform lease period of 50 years for mines granted through auction
 - Prospecting Licence: 3 years which can be further extended by 2 years
 - Exploration Licence: 5 years which can be further extended by 2 years
- FDI in mining sector in India: 100% FDI is allowed under automatic route in Mining in India

Eligibility Criteria

- Comply with eligibility conditions specified in Section 5 of the MMDR Act.
 - Indian National
 - Company Registered under Companies Act, 1956
- Maximum area limit as per Section 6:
No person shall acquire:
 - One or more composite licences covering a total area of more than 25 Sq Km; or
 - One or more mining leases covering a total area of more than 10 Sq Km
 - One or more exploration licences covering a total area 5000 Sq Km
- Net Worth Requirement: Schedule I of Mineral (Auction) Rules, 2015
 - For Mining Lease (upper limit of Rs. 200 Crore)

Net worth requirements for an auction of mining lease

Value of estimated resources (VER)	Net Worth Requirement
Equal to or more than Rs 1,000 Crore	More than 2% of VER
Between Rs 100 Crore and Rs 1,000 Crore	More than 1 % of VER
Less than or equal to Rs. 100 Crore	More than or equal to 0.5% of VER

In case of auction of Composite Licence (with an upper limit of Rs. 100 Crore)

Value of estimated resources (VER)	Net Worth Requirement
More than Rs 100 Crore	More than 1% of VER
Less than or equal Rs. 100 Crore	More than 0.5 % of VER

In case of Exploration Licence, Bidder should have net worth of more than or equal to Rs. 25 Crore.

Prerequisites for auction of Mining Lease/ Composite Licence

The State Government/ Central in case 7 minerals in Part D may initiate an auction process for grant of a mining lease/ Composite Licence with respect to an area within the State if the mineral contents in such area has been established in accordance with the provisions of the Minerals (Evidence of Mineral Contents) Rules, 2015.

An auction shall be conducted only through an online electronic auction platform.

Bidding Parameters: The State Government/ Central Government shall specify the minimum percentage of the value of mineral despatched in the tender document, which shall be known as the “reserve price”.

The value of mineral despatched shall be an amount equal to the product of-

- (i) mineral despatched in a month; and
- (ii) sale price of the mineral (grade-wise and State-wise) as published by Indian Bureau of Mines for such month of despatch

Where an area is being auctioned for more than one mineral, the percentage of value of mineral despatched as quoted by the successful bidder under sub-rule (3) shall be applicable for the purpose of payment to the State Government in respect of each such mineral.

If subsequent to grant of a mining lease, one or more new minerals are discovered, the percentage of value of mineral despatched as quoted by the successful bidder under sub-rule (3) shall be applicable for the purpose of payment to the State Government in respect of each such mineral.

Auction Process

- State Government/ Central Government shall issue a notice inviting tender to commence the auction process and identify and demarcate the area where a mining lease/ Composite licence is proposed to be granted

General Outline of Auction Process

- It is a two-stage Ascending Forward Online Electronic Auction
- Shall comprise of attempts of auction with each attempt of auction consisting of a first round of auction and a second round of auction
- Bidder to quote a Percentage (%) equal to or above the Reserve Price (which the Bidder is willing to share with the State Government) to be a Successful Bidder

BIDDING PROCESS

I-Round of e-Auction:

- Submission of Technical Bids
- Submission of Initial Price Offer (IPO) which shall be a percentage of value of mineral despatched
 - Top 50% technically qualified bidders (TQB) or 5 whichever is higher will proceed to Round II
 - Initial price offer is equal to or greater than the reserve price, referred to as “technically qualified bidders”, shall be considered for the second round of auction
 - If TQBs are less than 3, auction process will be annulled

II -Round of e-Auction:

- Opening of IPO
- Live forward auction
 - Highest IPO in I Round will become Floor Price for II Round
 - Minimum increment in price bids shall be 0.05% during the live auction stage
 - At least one Final Price Offer (FPO) is needed for successful auction
 - Bidder who submits highest FPO is declared as Preferred Bidder (PB) immediately on conclusion of auction
 - The auction process shall be annulled if none of the qualified bidders submits a final price offer on the online electronic auction platform
- State Government/ Central Government decides to conduct the second attempt of auction as per clause (b) of sub-rule (11), the terms and conditions of the second attempt of auction shall remain the same as in the first annulled attempt of auction:
 - Highest IPO of the TQB if any in the first annulled attempt shall be the reserve price in first round of the second attempt
 - Provided further that the bidding shall continue to the second round even in case the number of technically qualified bidders is less than three

No Mining Lease deed shall be executed on expiry of a period of three years from the date of the letter of intent.

State Government may allow a further period of two years for execution of Mining Lease deed if the reasons for the delay are beyond the control of the preferred bidder.

Financial Incentives to State Governments

- For preparation of potential mineral blocks in the State for auction: Rs. 20 lakh
- For each successful auction of major mineral blocks: Rs. 20 lakh
- Reimbursement of 50% of Transaction Advisor’s fee (up to Rs. 5 lakh) for each unsuccessful auction of blocks notified for auction.

Financial Incentives to EL holders

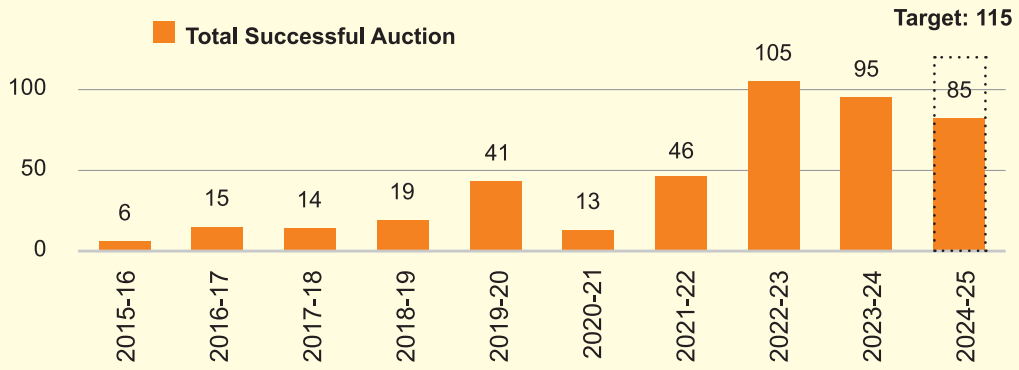

Scheme for partial reimbursement of exploration expenses from National Mineral Exploration Trust (NMET) for holders of Exploration Licence granted through auction dated 24.06.2024

- The exploration expenses incurred by EL holder towards **geological mapping** and sampling will be reimbursed up to 50% of direct costs as per the SoC of NMET with a maximum ceiling of **₹ 1.50 Crore.**
- The exploration expenses incurred by EL holder towards **geophysical investigations** will be reimbursed up to 50% of direct costs as per the SoC of NMET with a maximum ceiling of **₹ 3.00 Crore.**
- The exploration expenses incurred by EL holder towards exploratory drilling will be reimbursed up to 50% of direct costs as per the SoC of NMET with a maximum ceiling of **₹ 10.00 Crore.**
- The exploration expenses incurred by EL holder towards **chemical and petrological analysis/ mineral beneficiation** will be reimbursed up to 50% of direct costs as per the SoC of NMET with a maximum ceiling of **₹ 2.50 Crore.**
- The exploration expenses incurred by EL holder towards **research collaboration/ consultancy / advisory** and not covered by other activities in the proposal will be reimbursed up to 50% of direct costs with a maximum ceiling of **₹ 1.50 Crore.**
- The exploration expenses incurred by EL holder towards **logistics** including setting up camp office site, transportation arrangement, hiring of personnel, consumables, etc. and not covered by other activities in the proposal will be reimbursed up to 50% of direct costs with a maximum ceiling of **₹ 1.50 Crore,** subject to limit of Rs.30 Lakhs per year.
- If the EL holder hands over any G2 block(s) for auction for grant of mining lease within **three years** from the execution of EL, and if said block(s) are successfully auctioned, then the total exploration expenses incurred by EL holder will be reimbursed up to 60% of direct costs in each of the items above, with maximum ceiling increased by 20% on each item.

REVENUE ACCRUAL TO STATES FROM MINING

Auction method has ensured higher share of mining revenues to State Governments

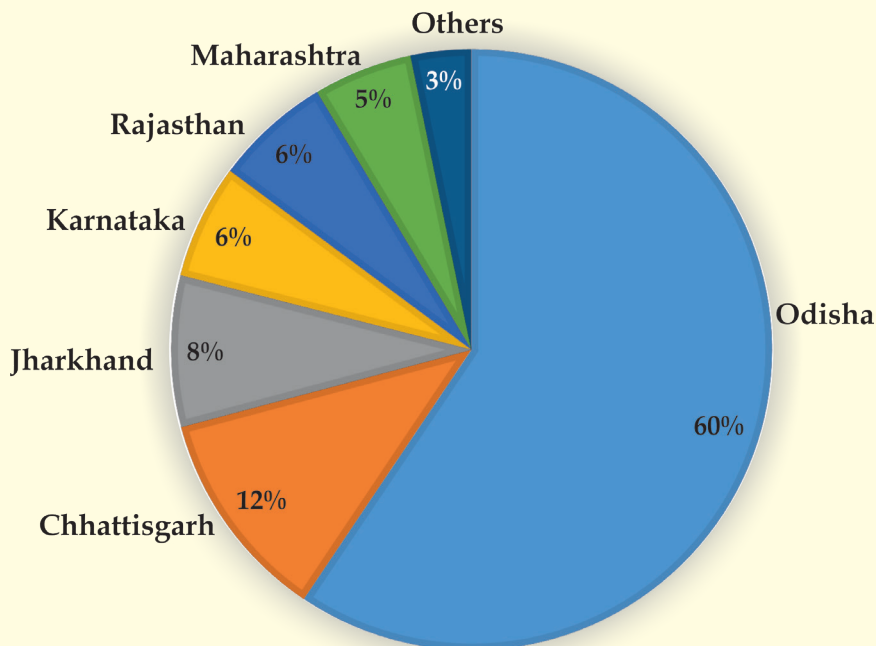

Rs. **3.45 Lakh** Crore to States,
of which
Royalty: Rs. **1.85 Lakh** Crore

Auction Premium:
Rs. **60,497** Crore
DMF: Rs. **1,00,158** Crore

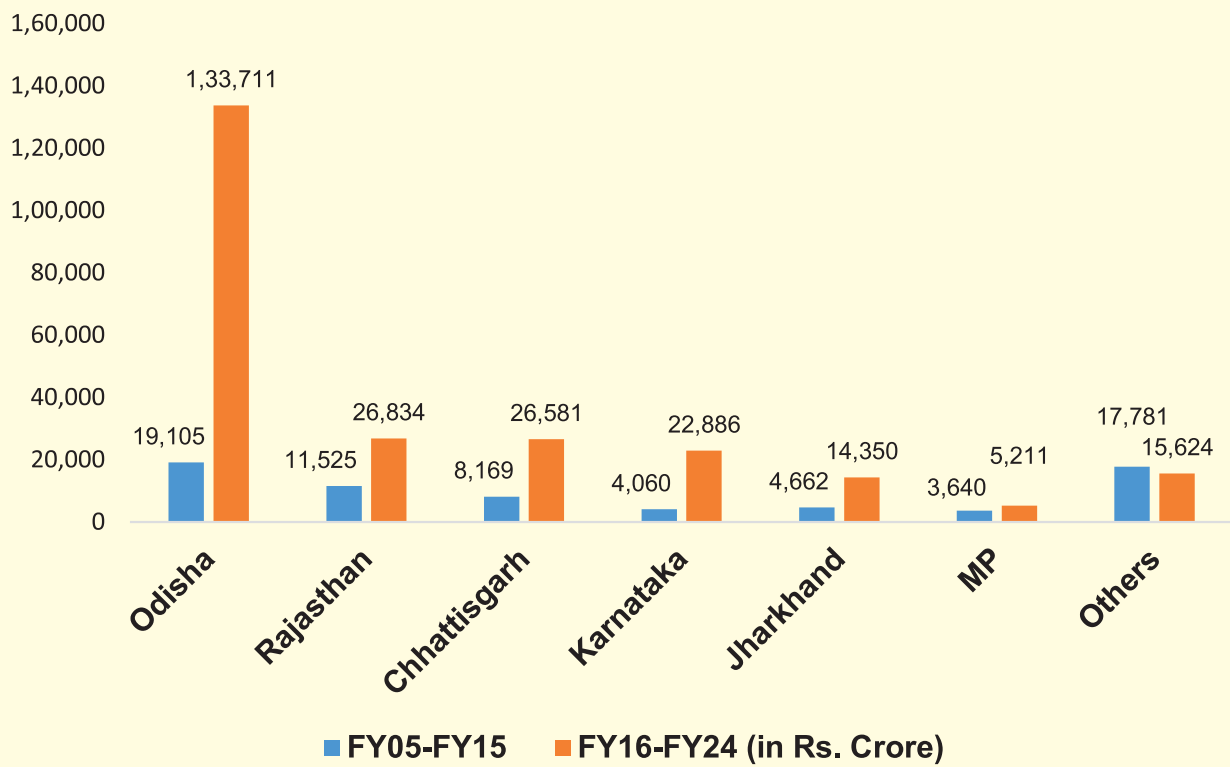

Royalty & Auction Premium (Rs. Cr.) (CAGR 26%)

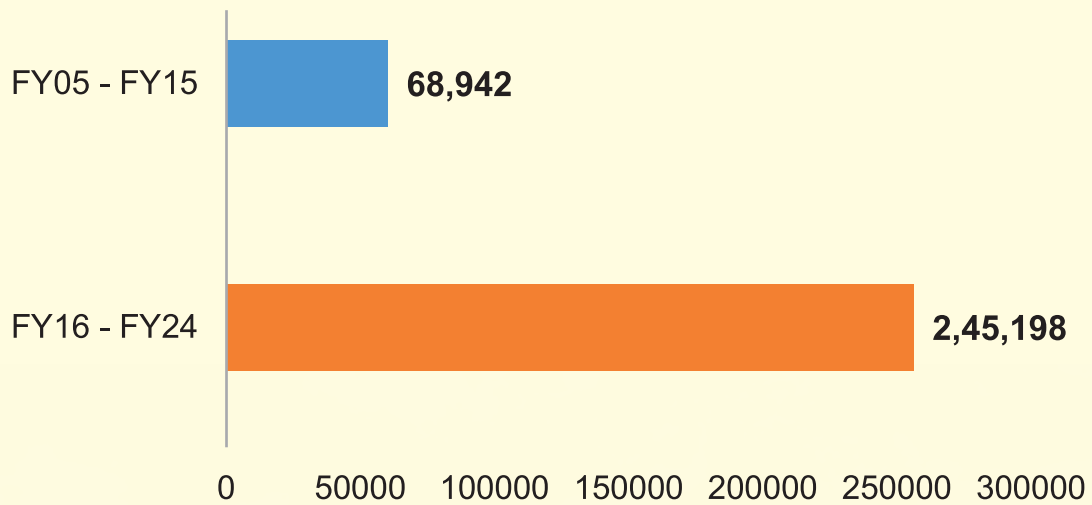

State shares in mining revenue
(FY2023-24: Rs 61,940 cr)

Total Revenue: Pre-auction regime vs post-auction regime

Total Revenue Accrued (in Rs. Crore)

NEW VISTAS IN MINERAL AUCTION

Auction of Critical and Strategic Minerals

MMDR Amendment Act, 2023 empowered Central Government to undertake auction of mineral blocks pertaining to 24 critical and strategic minerals

- o to build supply chain resilience in critical minerals

Ministry of Mines has notified Forty-Eight unique Critical and Strategic Mineral Blocks in Four Tranches

Outcome

AUCTION FOR EXPLORATION LICENCE

34 Exploration License Blocks available

- o To be put up for auction by Central Government

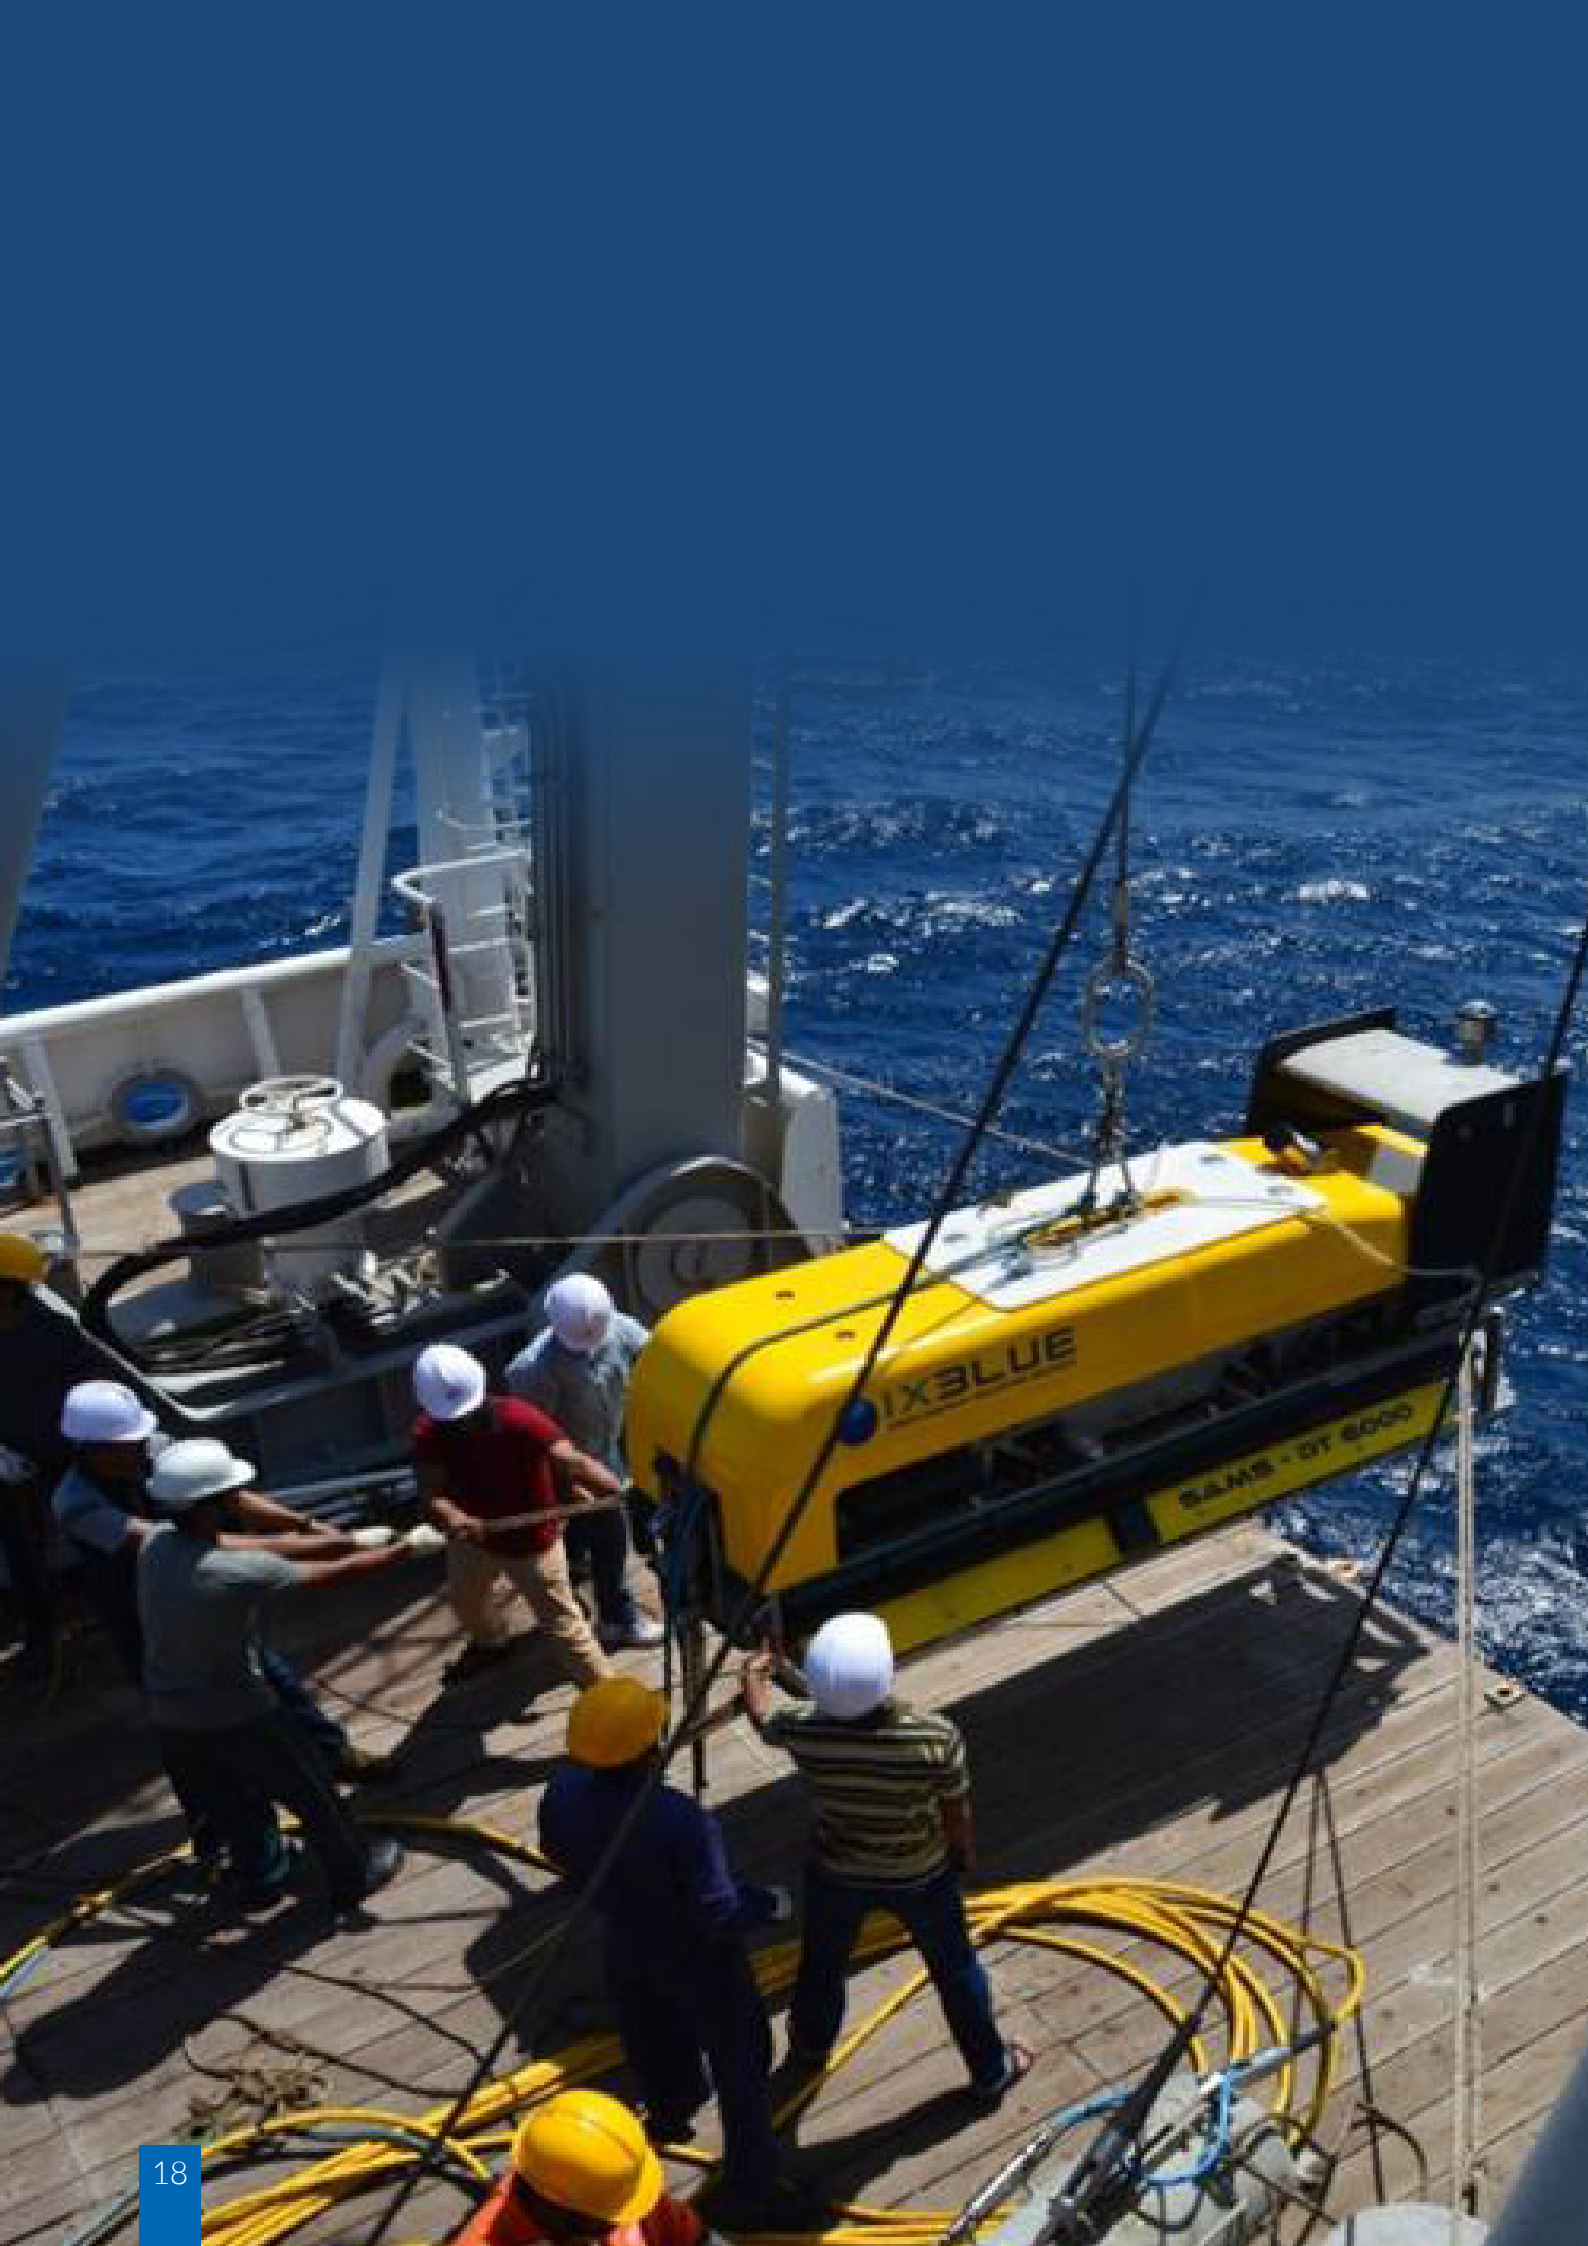

AUCTION OF OFFSHORE MINING

Amendment in the Offshore Areas Mineral Development and Regulation (OAMDR), Act 2002 in 2023

- Introduced transparent and non-discretionary auction process as methodology for grant of production lease and composite licence in offshore areas of the country.
- Created Offshore Areas Mineral Trust for the benefit of individuals affected by exploration and production activities.
- Ministry of Mines has finalized and notified 4 enabling rules viz. Offshore Areas (Existence of Mineral Resources) Rules, 2024; Offshore Areas Mineral (Auction) Rules, 2024; Offshore Areas Mineral Trust Rules, 2024; and Offshore Areas Operating Right Rules, 2024 have been notified.
- 13 Blocks have been identified for auction.

List of 13 Offshore Areas Mineral Blocks for auction

S. No.	Mineral Block Name	Mineral Name	Area (Sq. km)	Resource (Million Tonnes)
1	Kollam CS Block-1	Construction Sand	79.00	100.33
2	Kollam CS Block-2	Construction Sand	78.00	100.64
3	Kollam CS Block-3	Construction Sand	85.00	101.45
4	Porbandar LM Block-1	Limemud	66.64	522.00
5	Porbandar LM Block-2	Limemud	69.81	632.00
6	Porbandar LM Block-3	Limemud	66.64	558.00
