We may submit the file for kind perusal of Special Secretary (Mines) with regard to selection of Director (Technical).
An interview was held on 26.4.2012 at 1130 hrs by the Special Secretary(Mines) and Joint Secretary(Admn.) to consider one officer for the post of Director (Technical) in MOM as the present incumbent Dr. H.S.M. Prakash, Director (Geology) has sought repatriation on personal grounds. The following officers of GSI attended the interview:

1) Dr. P. R. Golani, Director (Geology),
2) Sri S.K. Tangri, Director (Geology),
3) Sri G.S. Jaggi, Director (Geology)

2. After interaction with the officers and going through their dossiers it was found that Sri S.K. Tangri, Director (Geology), GSI is presently working as a faculty in the FTC, GSITI, Sakti centre and is engaged in training the newly recruited Geoscientists of GSI with important inputs on mapping, stratigraphy etc. He is not keen on joining MOM and hence he is not considered for the post of Director (Technical).

3. Of the remaining two officers Sri G.S. Jaggi, Director (Geology) has been working in the MOM as OSD-IC-HPC from the last five years on the initiation and implementation of the HPC report in addition to providing inputs to Mines-I and Mines-II sections and officially liaising with DOPT, UPSC, MOM etc. He is also working as Director in the DGCC office of GSI on the cadre management aspects of GSI. Thus, he has the familiarity with the working pattern of this Ministry and its engagements with other ministries and other organs/wings of the Government of India. He is also found to be well versed with the setup of GSI and its functioning. Therefore in view of all these aspects it is recommended that Sri G.S. Jaggi, Director (Geology) may be chosen as the Director (Technical), MOM in place of Dr. H.S.M. Prakash.

4. Dr. P. R. Golani, Director (Geology) is working as Director of FTC, Zawar centre and has the requisite knowledge of technical matters of Geology and also managerial skills. Implementation of HPC’s recommendations and follow up of ongoing implementations is required at the level of the Ministry at least for a period of one year. As per order no. 27/100/2010-M-II dated 22.7.2011 Sri G.S. Jaggi was appointed as OSD for implementation of the HPC recommendations till 31 July 2012.

5. Dr. P. R. Golani is recommended as OSD-IC-High Powered Committee. In view of this DG, GSI may be requested to consider him to the post of Director of Cadre Management in GSI at the DGCC of GSI till March 2013 initially.
Accordingly, the T to B will need to be.
