|---|---|

SUCCESS STORIES

1. Transforming Education and Health by strengthening Institutions Through DMFT in Vikarabad District, Telangana State.

Across the District, a comprehensive institutions survey had been conducted, by involving all the potential institution heads, by the DMFT in collaboration with Education and Health Departments. The micro planning exercise covered all the Institutions. The exercise is followed by a need assessment, given by the inputs of institutions, and deficiency has been calculated.

Sl. n	Name of the component	Deficiency	Achieved
1	Toilet Blocks	32%	80%
2	Drinking water	37.14%	70%
3	Compound wall	29.52%	80%
4	Solar Power pack system to Residential Hostels	100%	50%
5	Renovation works	37.2%	45%
6	Adl. Class rooms	42%	62%
7	Medical Equipment's	15%	25%

IMPACT:

- Construction of Toilet blocks, where the deficiency has been observed.
- Transforming existing school building into modern school.
- Provision of safe drinking water facilities.
- Provision of solar energy.
- Provision for eco friendly environment in all institutions.
