Dear Sir/Madam,

Your good office have issued circular no- 2(14)/2012DPE(WC) dated 17-July 2012 to all PSUs regrading encashment of Sick Leave at the time of superannuation.

The DPE guidelines mentioned about the encashment of Sick Leave at the time of superannuation. However, to our knowledge, Hindustan Copper Ltd had not taken any decision clarifying the procedure of sick leave encashment in the case of superannuation.

Further, I would like to know Is Hindustan Copper Ltd had taken any clarification/decision regrading the above mentioned circular from your good office in between 02-May-2013 to 16-July-2013.

Addition to this, also please confirm who is the competent authority to take action against the PSU in case of non-adherence of above DPE guidelines.

Dear Team,

We can see lot of agitations in Andra pradesh after 2018 budget announcement by central Govt (by FM Sri Arun Jaitly).

During Andra Pradesh bifurcation, Central govt had promised that it would support Andhra pradesh financially by providing special package (not special status).

And, PM Sri Narendra Modi and FM Sri Arun Jaitly also told many times that they would assist Andhra Pradesh financially.

So that I would like to know how much money has been granted/assisted by Central Govt to the state Andra Pradesh (not for Telangana) after bifurcation as a special package. ie., from 2014 to till date.

Please provide the details with date and sector wise.

Sorry if I ask a wrong question but as a common man, I want to know in which direction India is going whether forward direction or backward direction.
Thanks in Advance.

Regards,
Bangarraju

2. CPIO, PI Cell, M/o Mines
The Central Government has directed the State Government to establish DMF for the interest and benefit of persons, and areas affected by mining operations in such manner as may be prescribed by the State Government. The composition and functions of District Mineral Foundation shall be such as may be prescribed by the State Government under Section 9B of MMDR Act 1957.

The Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKKY) is required to be implemented by the District Mineral Foundations (DMFs) of the respective districts using the funds accruing to the DM under the directions issued section 20A of MMDR Act on 16.09.2015 to all States to incorporate the ‘Pradhan Mantri Khanij Kshetra Kalyan Yojana’ into the rules framed by them for the District Mineral Foundations.

The copies of the Govt. of India Gazette notification and order are enclosed.

Further, it is informed that the DMF is to be funded by Statutory contributions from holders of mining lease. Rules specifying rates of contribution to DMFs have been notified on 17.09.2015. The contribution to DMF has been made effective from 12.1.2015 i.e. the date from which the Mines & Minerals (Development and Regulation) Amendment Act, 2015 has come into force.

The DMF is to be funded in the following manner:

(a) 10% of royalty in respect of mining leases granted on or after 12.1.2015 and
(b) 30% of royalty in respect of mining leases granted before 12.1.2015.

The Hon’ble Supreme Court has delivered its judgment on 13.10.2017 in Transferred Case (Civil) No. 43 of 2016- Federation of Indian Mineral Industries vs. Union of India and others, wherein effective date of contribution to be made by the holder of a mining lease or a prospecting-cum-mining lease in respect of minerals other than coal, lignite and sand for stowing and in the case of coal, lignite and sand for stowing has been changed in the following manner:

(a) 10% of royalty in respect of minerals other than coal, lignite and sand for stowing with effect from 17.09.2015; and 10% of royalty in respect of coal, lignite and sand for stowing with effect from 20.10.2015 or with effect from the date on which DMF was established by the State Government by a notification.
whichever is later (for the mining leases or prospecting-cum-mining leases granted before 12.01.2015).

(b) 30% of royalty in respect of minerals other than coal, lignite and sand for stowing with effect from 17.09.2015; and 30% of royalty in respect of coal, lignite and sand for stowing with effect from 20.10.2015 or with effect from the date on which DMF was established by the State Government by a notification, whichever is later (for the mining leases or prospecting-cum-mining leases granted after 12.01.2015).

2. The information sought by you with reference to the details of all DMF is not maintained centrally. You are advised to approach the State Government for this information.
ORDER

WHEREAS in terms of the provisions of sub-section (1) of section 9B of the Mines and Minerals (Development and Regulation) (MMDR) Act, 1957 (67 of 1957), the State Governments shall, by notification, establish a District Mineral Foundation in every district in the country affected by mining related operations.

AND WHEREAS mining related operations largely affect less developed and very remote areas of the country, and vulnerable sections of the population, especially Scheduled Tribes, therefore, it is especially necessary that special care and attention is devoted, in an organized and structured manner so as to ensure that these areas and affected persons are benefitted by the mineral wealth in their regions and are empowered to improve their standard of living.

AND WHEREAS in terms of sub-section (3) of section 9B, the rules for the functioning of the District Mineral Foundations are to be prescribed by the State Governments.

AND WHEREAS the Central Government, on a careful consideration of the matter, is of the opinion that the national interest requires that all District Mineral Foundations should implement a development programme for the mining affected areas that includes a certain minimum provision for the social and infrastructure needs of the population and area, and the Central Government has, accordingly, framed the Pradhan Mantri Khanij Kshetra Kalyan Yojana to be implemented by the District Mineral Foundations from the funds accruing to them in terms of the MMDR Act, 1957.

NOW THEREFORE the Central Government in exercise of the powers conferred under section 20A of the MMDR Act, 1957, in the national interest hereby directs the concerned State Governments to incorporate the ‘Pradhan Mantri Khanij Kshetra Kalyan Yojana’ (the details of which are annexed herewith) into the rules framed by them for the District Mineral Foundations and to implement the said Scheme.
