Central Information Commission

Both the Appellants, namely Dr. Dhaiya Devadas and Sh. V Sundram were present. On behalf the Respondents, Sh. Thirunavukarasu, JMG represented IBM while the CPIO, M/o Mines was not present in spite of notice.

2. We heard both the parties. The Appellants complained that the directions given in paragraph 18 of the order No. CIC/AT/A/2010/000817/SS dated 14.07.2011 have not been complied with till date. Both the Appellants vehemently argued in favour of disclosing the mining plans. They stated that in the absence of this information the leased mines were being over exploited by the lessees. On the other hand the officer representing the IBM, was unable to explain as to why the Commission’s order dated 14.07.2011 was not complied with. The CPIO, IBM, was unable to provide facts and background of the case which would have helped the Commission in taking a decision in the matter. The IBM is directed to depute a senior officer who is well versed with the case and is knowledgeable about the technicalities of the case on the next date of hearing. In the meantime the CPIO, IBM is directed to send written submissions explaining, in detail, as to why the Commission’s order dated 14.07.2011 has not been complied with. The submissions should reach the Commission positively by 28.06.2013.

3. The case is adjourned to 05.07.2013 at 4:30PM. Notices be issued to all concerned it may also be ensure that a senior officer representing M/o Mines is also present on the next date of hearing.
