Sub: 1. VIOLATION OF RULE 37 BY TC NO. 89/52.
2. FALSE Representation FILED BEFORE THE CEC by Lessee of 89/52
3. ILLEGAL ORDERS OBTAINED FOR PAYMENT OF STAMP DUTY FOR
SECOND RENEWAL OF THE LEASE by TC 89/52
4. Orders of the Sub Divisional Magistrate banning all mining operations
in the Lease hence approval of plan or scheme is illegal.
5. The DGPS plans are not drawn on the original cadastral plan and are
not as per the addendum to the notification 2/2010 dt. 21/9/2011
nor in compliance with the notification No. GSR 710(E) dt. 8/10/14.

Sir,

The Hon’ble Supreme Court of India directed that “the State Government will
initiate action against those mining lessees who violate Rules 37 and 38 of the
MC Rules;”

It is brought to your notice that the above mine is operated in violation of Rule 37
and that it was illegal to collect the Stamp Duty for the following reasons:

1) The Hon’ble Supreme Court directed the Central Empowered Committee
to submit its report on the writ petition Vide its order dt. 5/10/12. In
compliance, the CEC submitted its report dt. 7/12/2012.

The said Lease is included in the list at Annexure R-37 of the CEC report
which Leases the CEC has found to be violating Rule 37. (The Annexure
R-37 is attached herewith as Annexure 1).

2) The CEC has stated on page No. 68 that M/s Lithoferro filed a
representation dt. 23/11/12 before the CEC stating that the TC No.
89/52 is operated by it and not by M/s Fomento Group or by
Infrastructure and Logistics Pvt. Ltd. (The Page No. 68 and a copy of the
representation is attached herewith as Annexure 2).

It is brought to your notice that it is admitted at para 5 of its petition,
265 of 2008 by M/s Sociadade De Fomento Industrial Pvt. Ltd filed
against one Sebastian alias SEBI Rodrigues before the High Court of
Calcutta that the TC No. 89/52 is operated by “sister concern of Fomento
Group Infrastructure Logistics Pvt Ltd and Prime Minerals Exports Pvt
Ltd.” (A copy of the said suit is attached as Annexure 3.) This would
imply that representation dt. 23/11/2012 is false, and there is clear violation of Rule 37.

**MOREOVER – in further violation of the Rule 37 in the criminal case before the** Sub-Divisional Magistrate, Bicholim, in case No. SDM/BICH/133 Cr.PC/4/2006, **M/s Trimurti Exports has represented as operator of the TC No. 89/52. Copy is attached at ANNEXURE 5.**

3) The CEC has also further indicated at para 79 on page 68 that the Lease is in the name of Sociadade Lithoferro Ltd. and that M/s Lithoferro is a partnership Firm and directed inquiry.

4) The CEC has reproduced copies of the annual returns for TC No. 89/52 with regard to which the following is brought to your notice:

The copies of Data obtained from the PF Department alongwith the copies of the pages of returns mentioned above are collectively as **ANNEXURE 4**.

5) The Sub-Divisional Magistrate, Bicholim, in case No. SDM/BICH/133 Cr.PC/4/2006 by order dt. 19/4/2012 has directed stoppage of activities in the mining pit of TC. No. 89/52 because the activities in the Lease caused devastation in the Advalpale Village. Copy of the order of the SDM - Bicholim is attached as **ANNEXURE - 5**.

All of the above have been overlooked whilst passing illegal orders for collection of Stamp Duty and the State Government are required to ensure that the renewal orders be immediately cancelled and mining Scheme approved by IBM under No. MS/NG/GOA-63-SZ dt 2/8/2006 be cancelled forthwith and action taken in terms of clause 8 of the approval letter. No further approvals be given.

SUB: VIOLATION OF RULE 37 BY TC NO. 55/51 – HENCE ORDERS FOR SECOND RENEWAL ARE ILLEGAL AND IN VIOLATION OF SUPREME COURT ORDERS.

RELY UPON:

1. Annexure R-37 of the Report of the CEC submitted to the Hon’ble Supreme Court in WP. 435/12.
3. Chapter IV of the CEC report in WP 435/2012.
4. Criteria followed by the Department of Mines Orrissa.
5. Order of the Hon’ble Supreme Court in W.P. 2012

Sir,

You are aware that the Hon’ble Supreme Court has directed that action be taken against those Leases that have violated Rule 37 of the MCR, 1960. Relevant Extract is at Annexure A.

You are also aware that the State Government has informed vide the Memorandum of Action Taken on third report on illegal mining of iron and manganese ores in the State of Goa that:
"The Government of Goa will take appropriate action as per law after following the Principles of Natural Justice of hearing the parties concerned as the same has not been followed by the Commission." Relevant Extract is at Annexure B.

You are aware that, upon the directions of the Hon'ble Supreme Court the CEC had submitted a detailed report to the Court. It is mentioned at Annexure R-37 that the subject Lease as well as another Lease bearing TC No. 89/52 have been identified as violators of Rule 37. Relevant Extract is at Annexure C and the relevant annexure of the CEC is at Annexure D.

Vide my letters dated: October 27, 2014 and November 7, 2014, Copy Annexed as Annexure E violations of Rule 37 by the subject Lessee have been brought to your notice (separate letters) as well as to the State Government. I would like to know what actions have been initiated by you thereafter.

Regrettably, It is found that on November 5, 2014 the Goa Government have issued "Second Renewal Orders" for renewal of the subject Lease.

It does not appear that the State Government has carried out any inquiry to verify violations of Rule 37 by the subject Lessee or passed any orders on the inquiry. Therefore issuing of Second Renewal Orders would amount to contempt of the orders of the Supreme Court as well as non compliance of the undertaking given by the State Government. The Second Renewal Orders are at Annexure F.

Various statements made in the Second Renewal Orders for justifying the second renewal are erroneous as below:

a) The contents of page No. 2 are incorrect. The Leases are not granted in consonance with the constitutional provisions and selective preferential treatment is being given to some Leases. There is no any justifiable reason for having collected amounts towards stamp duty from some leases and having not collected the same from other Leases. The State Government has also not renewed the other Leases within 3 months time given by the High Court.

b) In para 3 on page No. 4 it is stated that since the IBM did not reply within 3 months "it was presumed that there is nothing adverse against second renewal and as such presumed to be favourable". This is a clear act of favoritism. You are fully aware that before accepting the stamp duty and definitely much before passing of the second renewal orders, the IBM vide its letter of 25/2/2013, which letter is in response to your letter seeking comments from IBM, has informed the State Government that the second renewal may not be considered.

c) In the last two paras on page No. 4 it is stated that scientific exploration and mapping is carried out by the lease holder and that lease holder has logistical and infrastructural facilities. Apart from the fact that the Lease holder has no employees at all to carry out any mining activity, I have provided you the
document No. 8 annexed to my letter dt. October 27, 2014 whereby it is admitted that the exploration is undertaken by ILPL and not by the Lessee.

d) In the first para on page 5 it is mentioned that "at present de-watering is undertaken by lease holder". It is brought to your notice that the Lease holder does not have any employees of its own at all to be able to carry out any dewatering or mining activity. In fact third party contractors ILPL who infact control the mine are the employers of the workers and are the owners of the pumps are carrying out dewatering at its own cost. You may further note that the dewatering is carried out without permission from any authority and in violation of the terms of the Environment Clearance granted to the Lessee.

e) With regard to para 2 on page 5 that overburden and the waste material have been scientifically dumped, it is brought to your notice that the same have been done in violation and contempt of the orders of the High Court of Bombay at Panaji in W.P. 77/2001 and further the Hon’ble Supreme Court of India has concluded that the dumping outside the Lease area is illegal.

f) In the last para on page 5 and the first para on page 6 are misconceived that the Lessee is carrying out the said activities. All the statutory persons including the Mines Manager and Mining Engineer who are employed in the mine under various laws are employees of the Contractor. I have provided you with the PF records of these employees. It is brought to your notice that at page No. 14 of the Memorandum of Action Taken Report at iv. In the chapter on "ILLEGAL MINING IN VIOLATION OF RULE 37" whilst scrutinizing the operations of TC. No. 110/53 similar acts as above have been identified as being in violation of Rule 37.

g) In the para two on page No.6 it is not correct that the Lessee has processing or crushing plants, the Lessee does not own processing or crushing plants. In fact the Lessee has no such facility and the entire operations of processing are carried out by the contractor at their plant at Maina.

h) The Provident Fund Department has informed that the Lessee is not registered with the PF Department at all. As such, the Lessee does not have any employees of its own and the submission at Para 3 of the page No. 6 is not correct.

i) With regard to para 5 on page No. 6, the contents are false. The Lessee does not have any Jetty Logistics of its own nor does it have plant machinery and equipment. In fact most of the land is owned by the contractor and social responsibilities are not undertaken by the Lessee at all.

j) It is misconceived in the second last para on page No. 6 that there may be no takers of leases, in fact there will be no dearth of takers of the Lease.

k) In item 8 on page 9, you have failed to note that after conducting the DGPS survey it is identified that the Lessee has undertaken illegal mining outside the Lease area, in fact this fact has been admitted by the State Government before the Hon’ble Supreme Court of India in W.P. 435/2012.
For your information, I am enclosing the guidelines formulated by the Government for identifying cases of violations of Rule 37. ANNEXURE G. Your attention is also drawn to the report of the CEC before the Hon'ble Supreme Court of India in the matter of inquiry of violations by Jindal and Mesco.

In view of the foregoing, which may be take on record whilst conducting inquires under Rule 37 and recorded in the relevant files, the orders for Second Renewal are incorrect and directions be issued that they be cancelled forthwith failing which further action will follow as duly provided under the Law.

Yours Faithfully,

Naresh Amonkar.

disproportionately divert the resources of the public authority or may cause harm to the safety or preservation of the records, supply of information in that form may be denied.

13. In some cases, the applicants expect the Public Information Officer to give information in some particular proforma devised by them on the plea that they have a right to get information in the form in which it is sought. It need be noted that the provision in the Act simply means that if the information is sought in the form of photocopy, it shall be provided in the form of photocopy, or if it is sought in the form of a floppy or in any other electronic mode, it shall be provided in that form, subject to the conditions given in the Act. It does not mean that the PIO shall re-shape the information.

14. Some Information Seekers request the Public Information Officers to cull out information from some document(s) and give such extracted information to them. A citizen has a right to get 'material' from a public authority which is held by or under the control of that public authority. The Act, however, does not require the Public Information Officer to deduce some conclusion from the 'material' and supply the 'conclusion' so deduced to the applicant. It means that the Public Information Officer is required to supply the 'material' in the form as held by the public authority, but not to do research on behalf of the citizen to deduce anything from the material and then supply it to him.

**Right to Information Vis-a-Vis other Acts**

15. The RTI Act has over-riding effect vis-à-vis other laws. It implies that if any of the provisions of the RTI Act are not consistent with any other law for the time being in force including the Official Secrets Act, 1923, the provisions of the RTI Act would have effect.

**Supply of Information to Associations etc.**

16. The Act gives the right to information only to the citizens of India. It does not make provision for giving information to Corporations, Associations, Companies etc. which are legal entities/persons, but not citizens. However, if an application is made by an employee or office-bearer of any Corporation, Association, Company, NGO etc. indicating his name and such employee/office bearer is a citizen of India, information may be supplied to him/her. In such cases, it would be presumed that a citizen has sought information at the address of the Corporation etc.

**Fee for Seeking Information**

17. A citizen who desires to seek some information from a public authority is required to send, along with the application, a demand draft or a bankers cheque or an Indian Postal Order of Rs.10/- (Rupees ten), payable to the Accounts Officer of the public authority as fee prescribed for seeking information. The payment of fee can also be made by way of cash to the public authority or to the Assistant Public Information Officer, against a proper receipt. The payment of fee to the Central
Ministries/Departments can also be made online through internet banking of State Bank of India or through Master/Visa Debit/credit cards.

18. The applicant may also be required to pay further fee towards the cost of providing the information, details of which shall be intimated to the applicant by the PIO as prescribed by the Right to Information Rules, 2012. Rates of fee as prescribed in the Rules are given below:

(a) rupees two (Rs. 2/-) for each page (in A-3 or smaller size paper);
(b) actual cost or price of a photocopy in larger size paper;
(c) actual cost or price for samples or models;
(d) rupees fifty (Rs.50/-) per diskette or floppy; and
(e) price fixed for a publication or rupees two per page of photocopy for extracts from the publication.
(f) so much of postal charges involved in supply of information that exceeds fifty rupees.

19. A citizen has a right to inspect the records of a public authority. For inspection of records, the public authority shall charge no fee for the first hour. But a fee of rupees five (Rs.5/-) for each subsequent hour (or fraction thereof) shall be charged.

20. If the applicant belongs to the below poverty line (BPL) category, he is not required to pay any fee. However, he should submit a proof in support of his claim as belonging to the below poverty line category. The application not accompanied by the prescribed fee of Rs.10/- or proof of the applicant’s belonging to below poverty line category, as the case may be, shall not be a valid application under the Act. It may be pointed out that there is no bar on the public authority to supply information in response to such applications. However, provisions of Act would not apply to such cases.

Format of Application

21. There is no prescribed format of application for seeking information. The application can be made on plain paper. The applicant should mention the address at which the information is required to be sent.

22. The information seeker is not required to give reasons for seeking information.

Information Exempted From Disclosure

23. Sub-section (1) of section 8 and section 9 of the Act enumerate the types of information which is exempted from disclosure. Sub-section (2) of section 8, however, provides that information exempted under sub-section (1) or exempted under the Official Secrets Act, 1923 can be disclosed if public interest in disclosure outweighs the harm to the protected interests.

विषय:—सूचना का अधिकार अधिनियम — 2005 के अंतर्गत प्रारंभिक पत्र  

महोदय,  

विनिम्न निवेदन है कि भारत सरकार द्वारा एम.एम.डी.आर. संशोधन अध्यादेश एवं  
अधिनियम 2015 में धारा 8 (a) का समावेश किया गया है और भारत सरकार द्वारा यह  
कहा गया था कि इस अधिनियम से राज्य सरकारों द्वारा खनन पद्धतियों के रिनवल  
(नवीनीकरण) प्रारंभिक पत्रों पर आवेदन नहीं करने के कारण ज्यादातर माइन्स बंद हो  
गयी है, एवं खनन उद्योग प्रभावित हो रहा है। वह पुनः प्रारम्भ हो जायेगा। खनन पार  
उपलब्धता में कमी आने के कारण, खनन के अभाव में जो उद्योग बंद हो रहे हैं, वह पुनः  
सुरक्षा रूप से चलने लगेगी। इसका सम्बन्ध भारत सरकार के खान मंत्रालय के क्वांटिटैव  
मीटिंग दिनांक 19.01.2015 के प्रस्तर 4(II) में IMPETUS TO THE MINING SECTOR  
शीर्षक के अंदर किया गया है!  

इस संबंध में भारत सरकार द्वारा दिनांक 05.02.2015 के पत्र में विस्तृत उल्लेख  
किया गया है। और सभी राज्य सरकारों को यह निर्देश दिया दिया गया था कि 28.02.  
2015 तक M.M.D.R. संशोधन अध्यादेश 2015 की धारा 8(a)—(5)&(6) के अनुसार सभी  
खनन पद्धतियों की अवधि प्रथम मंजूरी की तिथि से नियमानुसार अगले 50 वर्षों के  
लिये बढ़ा दिया जायें, पत्र की छाया प्रति संलग्न है। लेकिन अभी तक सभी राज्य सरकारों  
ने यह संशोधन अध्यादेश एवं अधिनियम 2015 लागू नहीं किया है। एक वर्ष से अधिक  
समय व्यतीत हो गया है और अभी तक खनन कार्य बंद चल रहा है। भारत सरकार की  
मंशा के अनुरूप अध्यादेश एवं अधिनियम 2015 लागू न होने से बेरोजगारी अभी भी  
चल रही है।  

अत: आपसे अनुरोध है कि M.M.D.R. Amendment ACT 2015 के नियम  
8(a)—(5)&(6) के संबन्ध में एवं अन्य आदेशों के संबन्ध में निम्नलिखित सूचना उपलब्ध  
कराने की कृपा करें।
सूचना नं 01–M.M.D.R. संशोधन अधिनियम एवं अध्यादेश 2015 को लागू करने के योग्य में भारत सरकार के खान मंत्रालय के दिनांक 05.02.2015 के पत्र के निर्देशों का पालन किन-किन राज्य सरकारों ने किया है।

सूचना नं 02– सूचना नं 01 में अंकित अधिनियम का पालन, जिन में राज्य सरकारों ने नहीं किया, क्या भारत सरकार को उन राज्य सरकारों के विरुद्ध कोई कार्यवाही करने का अधिकार है, अगर अधिकार है तो कृति कार्यवाही से अवगत कराये अथवा इसकी सूचना दें।

सूचना नं 04– केंद्रीय सरकार खान मंत्रालय द्वारा भारत के राजपत्र संख्या–333 में प्रकाशित अधिसूचना क्रमांक 423(ए) नई विदेशी दिनांक 10.02.2015 द्वारा सिलिता सेंड को उपखनिजों की श्रेणी में सममित कर लिया है, उपरोक्त अधिसूचना दिनांक 10.02.2015 से प्रभावी है, कुप्रया यह सुनित करै जो खनन पट्टे 10.02.2015 के पूर्व खनिजों के पट्टे थे उनका अस्तित्व क्या होगा अथवा उन पर इसका क्या प्रभाव होगा।

2. At the moment the thrust of the Ministry is on framing the Adjacent Rules to the Ordinance in consultation with the State Governments, and all efforts are being spared to make all the provisions of the Ordinance fully operational at the earliest. This apart, senior officers of the Ministry have already started visiting the State Capitals for interaction with the concerned officers and officials of State DMGs to explain the provisions of the Ordinance for its implementation.

3. While all this is underway, it is requested that necessary action may kindly be taken to implement the provisions of the Ordinance that can be implemented right away. More importantly, immediate action may be taken to implement the transition provisions of the Ordinance—sub-sections (5) & (6) of Section 8A which relate to extension of the lease period upto 31st March, 2020 for captive mines and upto 31st March, 2020 for non-captive mines and to issue the necessary orders amending the respective mining leases at the earliest and, at any rate, latest by 28th February, 2015. A draft of a model letter that could be used by State Governments in this connection is enclosed. You may consider adopting the same, if suitable to your requirements.

4. It is needless to state that a prompt action on part of the State Government in pursuance of Section 8A (5) and 8A (6) will reopen the mines which have closed down and result in increase of mineral production for the State.

Yours sincerely,

विषय :— सूचना का अधिकार अधिनियम – 2005 के अंतर्गत प्राधिकृत पत्र –

महोदय,

विनिमय निवेदन है कि भारत सरकार द्वारा एम.एम.डी.आर. संशोधन अध्यादेश एवं अधिनियम 2015 में धारा 8 (a) का समावेश किया गया है और भारत सरकार द्वारा यह भी कहा गया था कि इस अधिनियम से राज्य सरकारों द्वारा खनन पद्धतियों के रिनेवल (नवीनीकरण) प्राथमिकता पर आदेश पारित न करने के कारण ज्यादातर माइनिंग बंद हो गयी है, एवं खनन उद्योग प्रभावित हो रहा है। वह पुनः प्रारम्भ हो जायेगा। खननों की उपलब्धता में कभी आने के कारण, खनन के आमाव में जो उद्योग बंद हो रहे हैं, वह पुनः सुचारू रूप से चलने लगेंगे। इतनी उपलब्ध भारत सरकार के खान मंत्रालय के क्वार्टरली मीटिंग दिनांक 19.01.2015 के प्रस्ताव 4(II) में IMPETUS TO THE MINING SECTOR शीर्षक के अंतर्गत किया गया है।

इस संबंध में भारत सरकार द्वारा दिनांक 05.02.2015 के पत्र में विस्तृत उल्लेख किया गया है। और सभी राज्य सरकारों को यह निर्देश दिया गया था कि 28.02.2015 तक M.M.D.R. संशोधन अध्यादेश 2015 की धारा 8(a)–(5)&(6) के अनुसार सभी खनन पद्धतियों की अवधि प्राथमिक मंजूरी की तिथि से नियमानुसार अगले 50 वर्षों के लिये बढ़ा दिया जायें, पत्र की छाया प्रति संलग्न है। लेकिन अभी तक सभी राज्य सरकारों ने यह संशोधन अध्यादेश एवं अधिनियम 2015 लागू नहीं किया है। एक वर्ष से अधिक समय व्यतीत हो गया है और अभी तक खनन कार्य बंद चल रहा है। भारत सरकार की मंशा के अनुरूप अध्यादेश एवं अधिनियम 2015 लागू न होने से बेरोजगारी अभी भी चल रही है।

अतः आपसे अनुरोध है कि M.M.D.R. Amendment ACT 2015 के नियम 8(a)–(5)&(6) के संबंध में एवं अन्य आदेशों के संबंध में निम्नलिखित सूचना उपलब्ध कराने की कृपया करें।
सूचना नं 1—M.M.D.R. संशोधन अधिनियम एवं अध्यादेश 2015 को लागू करने के संबंध में भारत सरकार के खान मंत्रालय के दिनांक 05.02.2015 के पत्र के निर्देशों का पालन किन्तु किन राज्य सरकारों ने किया है।

सूचना नं 2— सूचना नं 1 में अंकित अधिनियम का पालन, जिन जिन राज्य सरकारों ने नहीं किया, क्या भारत सरकार को उन राज्य सरकारों के विरुद्ध कोई कार्यवाही करने का अधिकार है, अगर अधिकार है तो कृत कार्यवाही से अवगत कराये अथवा इसकी सूचना दें।

This is in continuation to the common e-mail sent by our Secretary on 28.01.2015 addressed to Chief Secretaries and Principal Secretaries of all States/UTs to initiate action to implement the provisions of the MMDR Amendment Ordinance, 2015.

2. At the moment the thrust of the Ministry is on framing the adjunct Rules to the Ordinance in consultation with the State Governments, and no efforts are being spared to make all the provisions of the Ordinance fully operational at the earliest. This apart senior officers of the Ministry have already started visiting the State Capitals for interaction with the concerned officers and officials of State DMGs to explain the provisions of the Ordinance for its implementation.

3. While all this is underway, it is requested that necessary action may kindly be taken to implement the provisions of the Ordinance that can be implemented right away. More importantly, immediate action may be taken to implement the transition provisions of the Ordinance - sub-sections (5) & (6) of Section 8A which relate to extension of the lease period upto 31st March, 2030 for captive mines and upto 31st March, 2020 for non-captive mines and to issue the necessary orders amending the respective mining leases at the earliest and, at any rate, latest by 28th February, 2015. A draft of a model letter that could be used by State Governments in this connection is enclosed. You may consider adopting the same, if suitable to your requirements.

4. It is needless to state that a prompt action on part of the State Government in pursuance of Section 8A (5) and 8A (6) will reopen the mines which have closed down and result in increase of mineral production for the State.

With regards,

Yours sincerely,
(Nareesh Kumar)

Information Sought: Since i am unable to write my RTI matter I have attached it here
I appeared for the post of Assistant Geophysicist Group - B, Gazetted in Geological Survey of India as advertised Advertisement No. 14/2013 by UPSC, New Delhi. After the detailed results were declared in November, I came to know that there are total 34 candidates besides me who are in Reserve Panel for the same post. The UPSC, wherever possible, maintains a Reserve Panel of candidates found suitable on the basis of selection made by them for appointment on deputation/absorption basis and the Reserve Panel is operated by the Commission on a request received from the administrative ministry/Department concerned in the event of occurrence of a vacancy caused by non-joining of the candidate within the stipulated time allowed for joining the post or where a candidate joins but resigns or dies within a period of one year from the date of joining, if a fresh panel is not available by then. Out of the 67 candidates selected, only 44 candidates completed the orientation course for geophysicist and were offered posting. Important point to mention is that most of the candidates were selected for the post of Geophysicist Group-A Gazetted selected through Combined Geo scientist and Geologist Exam in 2014 and 2015 respectively. Now it is expected the the GSI is having an vacancy of 20 plus candidates. Irony is that, even 8- to 9 candidates from reserve panel has made it to Group A services. Hence it is expected Geological Survey of India prepares a comprehensive list of only those candidates who are willing to offer their service to GSI as Assistant Geophysicist excluding those who are presently working as Geophysicist in same organisation selected through Combined Geo scientist and Geologist Exam in 2014 and 2015.

I need to know about the modus operandi of GSI, Ministry of Mines.

How it work outs such problems and what are the expected solutions.

Is GSI going to Identify the candidates working in their same organisation who are in the reserve panel and prepare a new list

Why the candidates are not being informed of any development in this regard

Is ministry of mines taking a note of this

how the organisation is working well with 44 candidates out of 67 advertised

Does this shortage of manpower affects the efficiency of organisation

what are the chances of such candidates who are not working presently and are waiting to be considered for the same post.

Do GSI will prepare a list of only such candidates who are not working in the same organisation on a higher post excluding those who are already working for GSI

I need details of all actions and initiative take nby the MoM and the GSI in this regards

i need answer to all these questions

बिंदु 3 मे इन कारण मे शेयर परम्परा एकालेक्टम के तहत कारण मे भारत भुगर

Re: Purchase of 51% of the total and issued share capital of Bharat Aluminium Company Limited (the "Company") held by the Government of India (the "Government") by Sterlite Industries Limited ("Sterlite" or "Purchaser") - Shares of Bharat Aluminium Company held by Nominee Subscribers of the Government.

Sir,

We refer to the Share Purchase Agreement dated March 2, 2001 between Sterlite, the Government and the Company (the "Share Purchase Agreement"), whereby Sterlite has purchased Shares representing 51% of the total issued and paid share capital of the Company from the Government. Capitalised terms defined in the Share Purchase Agreement and the Shareholders Agreement shall have the same meaning when used herein.

As provided in the Share Purchase Agreement, 800 (eight hundred) Shares of the Company are held by nominees of the Government ("Nominee Subscribers"), the details of which are listed in Schedule A thereto. This is to fulfill the quantum requirements of Section 45 of the Companies Act, 1956. Under Clause 5.1 of the Share Purchase Agreement, such Shares held by the Nominee Subscribers were to be transferred to the Purchaser along with the transfer of the Shares directly held by the Government to the Purchaser. The aggregate of the Shares held by the Nominee Subscribers and the Shares being transferred by the Government to the Purchaser was to constitute 51% of the total issued and paid up share capital of the Company to be transferred to the Purchaser and its Purchaser Nominees.

The Government has dematerialized 51% of the total issued and paid up share capital of the Company held directly by the Government and has transferred such Shares to Sterlite. In such event, it would not be necessary to transfer the Shares held by the Nominee Subscribers to Sterlite.

We understand that Sterlite would prefer that the balance 49% of the total issued and paid up share capital of the Company held directly by the Government. In this regard, the Government hereby undertakes that the Government shall cause the Nominee Subscribers to transfer the said 800 (eight hundred) Shares of the Company held by them to the Government within 10 (ten) days of the execution of the Share Purchase Agreement, and the Purchaser agrees and consents to the same, pursuant to this Letter.

3. Particulars of information:
   a) Concerned Department : Ministry of Mines, Deptt. of Mines, Govt. of India, New Delhi.
   b) Details of information required : Regarding compassionate Appointments in GSI, CR, I was recommended by the CAC in 2004 within 14 months from the date of death of my husband in a very young age. I was once again recommended in 2011 for the post of LDC. My case was never need either relaxation in time limit nor approval from the Ministry as I was recommended well within 14 months only. Even though without examining my case along with the case of Shri Ashish Dey who was also recommended along with me within 8 months only from the date of death of his father. But the ministry of Mines without examining our cases in accordance with rules and without having any provision to reject in the DOPT rules, rejected employment to me. On the contrary the cases of 7 time barred candidates recommended by the illegal and unconstitutional CAC, 2010 after a lapse of more than 8 years were taken up on top priority by Shri Gaurav Kumar, the then Dy. Secretary, MOM despite the fact that their cases were never forwarded to the Ministry for approval and relaxation in time limit though they required. Similarly a spouse of missing govt. servant has also been appointed in 2014 in GSI, CR without having power to appoint despite instructions issued on the subject in 2014 by the DG, GSI. In spite of this fact the Mines Secretariat and the CVO are deliberately, knowingly supporting the illegal recruits and the corrupt officers of GSI supporting all the illegality committed by them deliberately. Despite several complaints and legal notice the Ministry has not taken any action and is still committing atrocities on me and my family supporting the crime & culprit. Hence I want to file FIR in the concerned police station & the State CID to register a crime against S/Shri S.K. Sinha, B.G. Raylu, Gaurav Kumar, Y.P. Rawat and Shri Binod Kumar for cheating me and for committing atrocities on me & my family since last more than 11 years. Hence the certified/attested copies of the following information/documents may please be provided:

I. Several complaints through MOM, PMO office, CVO, President’s Secretariat & CAG have been received by the Ministry of Mines regarding mental and financial harassment since last 10 years to me and 5 others and illegal appointments of several time barred candidates by grossly abusing and misusing official power by Shri S.K. Sinha, Joint Director (P&A), GSI, CR, Nagpur. A copy of documents/note sheets regarding action taken by the Ministry of Mines in the matter of illegal appointment scam in GSICR may be provided. A copy of action taken against Shri S.K. Sinha, Joint Director (P&A) for
issuing appointment orders to the time barred candidates without prior approval from the Ministry and without having power, even though he was facing charge sheet under Rule 14 of CCS (Conduct) Rules, suppressing the fact that all the 7 candidates recommended by CAC 2010 were time barred and needed approval from the Secretary, MOM, may please be provided.

II. A copy of final decision conveyed by the Ministry of Mines to the DG, GSI regarding Shri S.K.Sinha, Joint Director (P&A), GSI, CR, on the Charge sheet and other matters after completion of all the disciplinary proceedings may also be supplied, along with the copy of letters issued from the Secretary, Ministry of Mines, New Delhi.

III. Despite the directive principle issued by CVO/CVC regarding posting of charge sheeted officers in sensitive areas, Shri S.K.Sinha, Joint Director (P&A) previously Regional Adm. Officer was made incharge of Legal Cell, Administration in GSI, CR and was also nominated as one of the members of Selection Committee for Direct Recruitment i.e. Compassionate Appointment Committee, in 2010 & once again in 2014 in utter violation of the above directions/instructions from the CVC, New Delhi & CVO, GSI, Kolkata thereby constituting an illegal and unconstitutional compassionate Appointment Committees. Shri S.K. Sinha, Joint Director (P&A), previously RAO signed and issued appointment orders to SEVEN time barred candidates after a lapse of more than 10 years from the date of death/vol. retirement of the concerned Govt. Servant without having any power to appoint and without any approval & relaxation in time limit prescribed by the DOPT from the Secretary, Ministry of Mines. Copies of letters/orders/notesheet regarding action taken by the Ministry of Mines, in this regard after receipt of complaints regarding illegal appointment of time barred candidates, may please be supplied.

IV. The Secretary, Ministry of Mines, New Delhi vide its letter No.27/2/2011/.II, dated 1st May, 2012 directed DG, GSI to fix the responsibility for abnormal delay in dealing with the CAC, 2004 recommendations of GSI, CR, Nagpur. A copy of report, along with documents considered/examined by the Committee submitted by the Committee in this regard to the Director General, GSI & sent by him to Ministry of Mines may please be supplied along with action taken by the Ministry of Mines on the said report.

V. The Ministry of Mines vide their letter No.27/2/2011.M.II dated 14the March, 2012 denied approval without any provision to reject in DOPT rules causing loss of employment & atrocities to me and 5 other candidates recommended twice by the CAC and making illegal appointment of 7 time barred candidates without examining their cases in accordance with rules with malafide motive A copy of order issued by the DOPT/Rule position on the basis of which the disagreement by the MOM was made containing therein specific provision to reject employment to the candidates recommended TWICE by the CAC within time limit even after availability of clear vacancies on compassionate ground may be provided.

VI. A copy of DOPT order having provision in particular regarding appointment of a candidates after a lapse of more than 8 to 10 years from the date of death of the Govt. servant, despite time limit of 3 years, along with copy of delegation of power issued by
the Ministry of Mines to Director General, GSI & Regional HODs of GSI for making compassionate appointments in GSI from 1999 to 30th April, 2012 may also be provided.

VII. As per guidelines issued by MOM/GSI, Kolkata in 2014 the power to appoint a spouse of missing Govt. servant was given to the Secretary, Ministry of Mines, New Delhi only. But once again by misusing the official position by Shri S.K.Sinha, Joint Director (P&A) and the Dy. Director (P&A), GSI, CR, signed and issued appointment order on compassionate ground to Smt. V.R.Meshram a spouse of missing Govt. servant which is illegal in utter violation of the above order, and was conveyed through a complaint by Shri S.P.Taiwade and others. Copy of documents showing action taken by the Secretary, Ministry of Mines against the above named officers misusing their powers again and again despite illegal appointments made in 2012 may please be provided.

VIII. The Ministry of Mines vide their letter F.No.31/2/2014-M.II, dated 25.11.2014 specifically mentioned that “No proposal from GSI for granting relaxation to appoint 7 time barred candidates viz.A.Parekar, A.Mahale, Smt.P.Shingne, Smt. K.Khote, Smt. N.Ramteke, Smt. Madne and Smt. Walka on compassionate ground was received in this Ministry. Hence no approval from the Secretary, Ministry of Mines was issued.” Even after knowing this fact by the Ministry and several complaints routed through PMO office, CVC, CAG bring illegal appointment scam to their notice, whether any disciplinary action against Shri S.K.Sinha, Joint Director (P&A) and other officers involved in illegal appointment of above time barred candidates has been taken by the Secretary, Ministry of Mines or any inquiry has been ordered by the Ministry of Mines, Yes or No? If yes, a copy of the particular letter in this regard issued by the Ministry of Mines may please be supplied.

I have deposited Rs.10/- towards RTI fees in the Post Office, Seminary Hills, Nagpur and the receipt of the same has been duly pasted on this application.

Subject: Information sought under RTI Act, 2005 - reg.

Sir,

Please refer to your RTI application dated 3.6.2016 which was received through PI Cell UO No.2/134/2016-OI Cell dated 8.6.2016. The point wise information are as under:

(1 to 7) The proposal relating to approval of vacancy for 2014-15 was submitted by GSI under single file system and the file were returned after doing the needful on the part of Ministry to GSI. The process for 2015-16 under single file system is under process. Therefore, you RTI application is transferred to GSI under section 6(3) of RTI Act, 2005 for furnishing the reply. However, a file relating to the approval of recommendation of DPC minutes for the proposal for 2014-15 contained 363 pages at correspondence and 6 pages noting but the photocopies of the entire file is diverting the resources of the Government which is exempted under rule 7(9) of the RTI Act, 2005. The same can be provided to you on making payment prescribed under the Act. Regarding information for the proposal of 2016-17, this Ministry have not received the same.

(8) The information sought by you in a particular form is not available.

Ref. 2. RTI reply no. 31/1/2014-M.II by Ministry of Mines, New Delhi.

Sir,

I am totally unsatisfied with the reply given to me vide Ref. 2 by the Ministry of Mines, New Delhi against my RTI application vide Ref. 1. The information given to me is incomplete in following sense:

1. Reply is not point wise and whatever is given is not at all satisfactory.
2. I wish specific information related to the promotion/up gradation of Superintendent Geologist to Director (G) in GSI so that in case department fails to give us justice, we can seek justice from Court of Law. I do not interested in single file or double file rather want to know information regarding promotion from Superintendent Geologist to Director (G).
3. I am ready to pay for the photocopy of the file. Kindly provide me information on how much I have to pay and in case it is through DD, in favour of whom DD is to be made.
4. My application is forwarded to GSI from where I have not received any reply till date.
5. It appears to me that our department in one hand depriving us from the information and other hand wishes to give promotions to few so that seniority list of Superintendent geologist under question in the eyes honourable CAT (Case under the consideration of CAT, Jaipur) may not be hurdle for bringing stay on the promotion of parts of Superintendent Geologist to Director (G) who are junior to me in case court decided it in favour of us.

Hence, case is put up to you for consideration and to provide information as asked in my RTI application

...RESPONDENT

SUBJECT: FIRST APPEAL UNDER SECTION 19(1) OF THE RIGHT TO INFORMATION ACT, 2005

MOST RESPECTFULLY SHOWETH:

1. The Appellant filed an application dated 21.03.2016 ("RTI Application") under Section 6 of the Right to Information Act, 2005 (hereinafter referred as the "RTI Act") before the Respondent herein. The RTI Application seeks information pertaining to the mining lease with respect to Block A & B of Thakurani Iron Ore Mines, Odisha.
2. Specifically, the Appellant seeks the following information pertaining to the above subject matter:

(a) Copy of the Revision Application dated 23.07.1963 preferred by Shri Bajinath Sarda before the Central Government against the deemed rejection of application for renewal of the mining lease with respect to Block A & B of Thakurani Iron Ore Mines, Odisha and;

(b) Copy of the order dated 09.02.1965 issued by the Central Government (Department of Mines & Minerals) rejecting the aforesaid revision application dated 23.07.1963 filed by Shri Bajinath Sarda.

(c) Copy of the notification dated 12.01.1965 under Sections 17(2) and 17(4) of the MM(DR) Act, 1957 by the Central Government reserving the Block A & B of Thakurani Iron Ore Mines for exploitation by public sector and also the copies of modifications/amendments thereto;

(d) Copy of letter dated 17.12.1968 issued by the Central Government, Ministry of Steel, Mines and Metals, directing the State Government to grant the renewal of the mining lease in favour of Shri Bajinath Sarda for iron ore in respect of Block ‘A’ of Thakurani Iron Ore Mines measuring 2590.40 acres; as also the copies of the file notings and approvals of the authorities / competent authorities relating to the said letter dated 17.12.1968

A self-attested copy of the said RTI Application is attached herewith as ANNEXURE-A.

3. That the Ld. PIO/Respondent by communication dated 05.04.2016 bearing No. 1 / (04) / 2016-RC-II ("Response") responded to the RTI Application dated 21.03.2016 whereby the Ld. PIO, while dealing with information only
pertaining to Revisions Application dated 23.07.1963, which was mentioned in point no. (a) and (b) of the RTI Application, failed to provide the information on the pretext that Revision Cell of Ministry of Mines concerns only with information regarding Revision Application dated 23.07.1963 and further informed that the relevant information sought by the Applicant was not available / traceable in the Ministry of Mine and also it is 25 years old.

A copy of the Response dated 05.04.2015, which only dealt with information regarding Revision Application dated 23.07.1963, is annexed hereto and marked as ANNEXURE-B.

4. It is under such circumstances that the Appellant has been constrained to approach this Hon'ble Authority as the Respondent has failed to provide information in regard to the above queries. The Appellant respectfully requests that this Hon'ble Authority directs the PIO/Respondent to give complete information sought by the Appellant; direct an order to Show Cause as to why the PIO/Respondent should not be held liable under Section 20(1) of the RTI Act; direct an inquiry; and pass any other order(s) which this Hon'ble Authority may deem fit and proper in the present case.

GROUND FOR RELIEF

The present Appeal is being preferred on the following grounds which are in the alternative and without prejudice to each other:-
A. **BECauses** the Respondent has failed to provide information as sought under point (c) of the RTI Application, without giving any reason whatsoever. It is submitted that such non-speaking/ non-reasoned refusal to provide information strikes at the very foundation of rule of law. The Hon’ble Supreme court in *Ravi Yashwant Bhoir v. Collector* reported at (2012) 4 SCC 407 emphasized the need of a reasoned order in the following words:

> “46. The emphasis on recording reason is that if the decision reveals the "inscrutable face of the sphinx", it can by its silence, render it virtually impossible for the courts to perform their appellate function or exercise the power of judicial review in adjudging the validity of the decision. Right to reason is an indispensable part of a sound judicial system, reasons at least sufficient to indicate an application of mind of the authority before the court. Another rationale is that the affected party can know why the decision has gone against him. One of the salutary requirements of natural justice is spelling out the reasons for the order made, in other words, a speaking out. The inscrutable face of the sphinx is ordinarily incongruous with a judicial or quash-judicial performance.”

B. **BECauses** the denial of information by the PIO merely on the pretext that the information relates to event which is 25 years old (*which is itself inexplicable*), cannot be a valid ground under the Right to Information.

C. **BECauses** the reason that the information relates to an event which is 25 years old and thus, the information cannot be provided is extraneous to the provisions of the RTI Act. It is submitted that the said basis, if any, is not an exemption under the RTI Act. Rather, the RTI Act provides that the information pertaining to the period beyond 20 years shall be provided to an
applicant. Hence, the refusal to provide the information to the Appellant is *de hors* the RTI Act.

D. **BECAUSE** the response dated 05.04.2016 is also cryptic and vague, in as much as the Respondent has only stated that the information is 'not available/traceable'. It is submitted that the Respondent has failed to give any reason as to why the information is purportedly not available or traceable. It is submitted that the Respondent, which is under an obligation to provide the information, cannot be discharged of its burden by merely stating that the information is 'not available/traceable'.

E. **BECAUSE** the information sought by the Appellant is not exempted under the Section 8 of the RTI Act, 2005, and hence, the Appellant has the right to obtain such information. In this context, it is pertinent to refer to the decision of Hon'ble Delhi High Court in *Union of India vs Vishwas Bhamburkar* [2013 (297) ELT500 (Del.)] with regard to the plea of respondent authority with respect to the record not being traceable, wherein it was observed as follows:

"6. *This can hardly be disputed that if certain information is available with a public authority, that information must necessarily be shared with the applicant under the Act unless such information is exempted from disclosure under one or more provisions of the Act. It is not uncommon in the government departments to evade disclosure of the*
information taking the standard plea that the information sought by the applicant is not available. Ordinarily, the information which at some point of time or the other was available in the records of the government, should continue to be available with the concerned department unless it has been destroyed in accordance with the rules framed by that department for destruction of old record...........Even in the case where it is found that the desired information though available in the record of the government at some point of time, cannot be traced despite best efforts made in this regard, the department concerned must necessarily fix the responsibility for the loss of the record and take appropriate departmental action against the officers/officials responsible for loss of the record.....

7. Since the Commission has the power to direct disclosure of information provided, it is not exempted from such disclosure, it would also have the jurisdiction to direct an inquiry into the matter wherever it is claimed by the PIO/CPIO that the information sought by the applicant is not traceable/ readily traceable/ currently traceable."

F. BECAUSE the Appellant was denied the information under an alleged excuse of information not being available / traceable. Therefore, under such circumstances, it is the duty of the PIO/Respondent to reconstruct the file. In this context, it is pertinent to refer to the Central Information Commission's ("Commission") decision in Shri Om Prakash vs. Land & Building Dep, GNCTD, Delhi. [Decision No. CIC/DS/A/2013/001788SA], wherein it has been held that "......The defense of missing file cannot be
accepted even under the RTI Act. If the file is really not traceable, it reflects the inefficient and pathetic management of files by the Public Authority. If the file could not be traced in spite of best efforts, it is the duty of the respondent authority to reconstruct the file or develop a mechanism to address the issue raised by the appellant." [Emphasis supplied.] In the present case, the Respondent has merely said that the information is not available / traceable in the Ministry of Mines and also, it is 25 years old. Therefore, in such circumstances, it is the duty of the PIO/Respondent to reconstruct the file. Furthermore, the Commission, in the same case, has held that "......Unless proved that record was destroyed as per the prescribed rules of destruction/retention policy, it is deemed that record continues to be held by public authority. Claim of file missing or not traceable has no legality as it was not recognized as exception by RTI Act. By practice 'missing file' cannot be read into as exception in addition to exceptions prescribed by RTI Act. It amounts to breach of Public Records Act, 1993 and punishable with imprisonment up to a term of five years or with fine or both. Public Authority has a duty to initiate action for this kind of loss of public record, in the form of 'not traceable' or 'missing'. The Public Authority also has a duty to designate an officer as Records Officer and protect the records. A thorough search for the file, inquiry to find out public servant responsible, disciplinary action and action under Public Records Act,
reconstruction of alternative file, relief to the person affected by the loss of file are the basic actions the Public Authority is legitimately expected to perform."

G. BECAUSE the PIO/Respondent, in its response dated 05.04.2016, has not provided the Appellant with sufficient explanation. Instead, mere reasoning that the information is not available / traceable was given to the Appellant. In this context, it is pertinent to refer to the Commission's decision in Sh. Mahinder Pal Vs. SDM, GNCTD, [Decision No. CIC/DS/A/2013/002184SA], wherein it was stated that "......She also stated that the relevant file is not traceable. The Commission does not accept this defense of losing the file by the respondent authority, in the absence of sufficient explanation by the respondent authority as to, what efforts were made by them to trace the file, what action was taken against the custodian of the file and what steps they initiated to restructure the missing file. The Commission, therefore, directs the PIO/SDM to file an affidavit in this regard, i.e when the file was found to be lost, what efforts were initiated by them to trace the file, what action was taken against the persons responsible for losing the file and what alternative steps initiated by them to reconstruct the missing file, etc. ...." [Emphasis supplied.]
H. BECAUSE "Records" under the Public Records Act 1993 (Act of 1993), can be sought under RTI Act, 2005 as "Information" through RTI Application. It is the duty of the public authority to designate "Public Records Officer" as per Act of 1993, which has been made to regulate the management, administration and preservation of public records of the Central Government, Union Territory Administrations, public sector undertakings etc. and as such, the PIO/Respondent has informed the Appellant that the information sough is 25 years old. In this context, it is pertinent to refer to Commission's decision in Shri Om Prakash vs. Land & Building Dep, GNCTD, Delhi, wherein it has been held that "......The definition of "Public Records" U/S 2(e) of Public Records Act, 1993 (PRA 1993) is almost identical with the definition of Records under the RTI Act 2005. These Records can be sought under the RTI Act, 2005 as "Information" through RTI Application"

I. BECAUSE the RTI Act was enacted with the main objectives of promoting transparency and accountability in the working of every public authority and of securing access to information under the control of public authorities; denying the information sought by the Appellant without any sufficient reason in a cryptic manner would defeat the very object and purpose of the RTI Act and cannot be permitted. Hence, the Impugned Response dated 05.04.2016 ought to be quashed.
PRAYER FOR RELIEF

(a) Direct the PIO/Respondent to give complete information sought by the
Appellant in its Application dated 21.03.2016 annexed as Annexure-A to
this application;

(b) Direct the PIO/Respondent to adhere to the time limits specified in the RTI
Act in providing the requisite information;

(c) Pass any other order(s) which this Hon'ble Authority may deem fit and
proper in the facts and circumstances of the present case.

...RESPONDENT

SUBJECT: FIRST APPEAL UNDER SECTION 19(1) OF THE RIGHT TO
INFORMATION ACT, 2005

MOST RESPECTFULLY SHOWETH:

1. The Appellant filed an application dated 21.03.2016 ("RTI Application")
under Section 6 of the Right to Information Act, 2005 (hereinafter referred as
the "RTI Act") before the Respondent herein. The RTI Application seeks
information pertaining to the mining lease with respect to Block A & B of
Thakurani Iron Ore Mines, Odisha.
2. Specifically, the Appellant seeks the following information pertaining to the above subject matter:

(a) Copy of the Revision Application dated 23.07.1963 preferred by Shri Bajjnath Sarda before the Central Government against the deemed rejection of application for renewal of the mining lease with respect to Block A & B of Thakurani Iron Ore Mines, Odisha and;

(b) Copy of the order dated 09.02.1965 issued by the Central Government (Department of Mines & Minerals) rejecting the aforesaid revision application dated 23.07.1963 filed by Shri Bajjnath Sarda.

(c) Copy of the notification dated 12.01.1965 under Sections 17(2) and 17(4) of the MM(DR) Act, 1957 by the Central Government reserving the Block A & B of Thakurani Iron Ore Mines for exploitation by public sector; and also the copies of modifications/amendments thereto;

(d) Copy of letter dated 17.12.1968 issued by the Central Government, Ministry of Steel, Mines and Metals, directing the State Government to grant the renewal of the mining lease in favour of Shri Bajjnath Sarda for iron ore in respect of Block 'A' of Thakurani Iron Ore Mines measuring 2590.40 acres; as also the copies of the file notings and approvals of the authorities / competent authorities relating to the said letter dated 17.12.1968

A self-attested copy of the said RTI Application is attached herewith as ANNEXURE-A.

3. That the Ld. PIO/Respondent by communication dated 18.04.2016 bearing No. 16 / 02 / 2016-M-VI ("Response") responded to the RTI Application dated 21.03.2016 whereby the Ld. PIO, while dealing with information only
pertaining to the notification dated 12.01.1965 under Section 17(2) and 17(2) of the MMDR Act, 1957, which was mentioned in point no. (c) of the RTI Application, failed to provide the information on the pretext that that the information sought is quite old and is not readily available in the concerned section.

A copy of the Response dated 18.04.2015, which only dealt with information regarding notification dated 12.01.1965, is annexed hereto and marked as ANNEXURE-B.

4. It is under such circumstances that the Appellant has been constrained to approach this Hon’ble Authority as the Respondent has failed to provide information in regard to the above query. The Appellant respectfully requests that this Hon’ble Authority directs the PIO/Respondent to give complete information sought by the Appellant; direct an order to Show Cause as to why the PIO/Respondent should not be held liable under Section 20(1) of the RTI Act; direct an inquiry; and pass any other order(s) which this Hon’ble Authority may deem fit and proper in the present case.
GROUND FOR RELIEF

The present Appeal is being preferred on the following grounds which are in the alternative and without prejudice to each other:-

A. BECAUSE the denial of information by the Respondent merely on the pretext that the information sought is quite old, cannot be a valid ground under the Right to Information.

B. BECAUSE the reason that the information sought is quite old and thus, is not readily available in the Section, is extraneous to the provisions of the RTI Act. It is submitted that the said basis, if any, is not an exemption under the RTI Act. Rather, the RTI Act provides that the information pertaining to the period beyond 20 years shall be provided to an applicant. Hence, the refusal to provide the information to the Appellant is de hors the RTI Act.

C. BECAUSE the response dated 18.04.2016 is also cryptic and vague, in as much as the Respondent has only stated that the information is 'not readily available'. It is submitted that the Respondent has failed to give any reason as to why the information is purportedly not readily available. It is submitted that the Respondent, which is under an obligation to provide the information, cannot be discharged of its burden by merely stating that the information is 'not readily available'.
D. **BECause** the information sought by the Appellant is not exempted under the Section 8 of the RTI Act, 2005, and hence, the Appellant has the right to obtain such information. In this context, it is pertinent to refer to the decision of Hon'ble Delhi High Court in *Union of India vs Vishwas Bhamburkar [2013 (297) ELT500 (Del.)*] with regard to the plea of respondent authority with respect to the record not being traceable, wherein it was observed as follows:

"6. This can hardly be disputed that if certain information is available with a public authority, that information must necessarily be shared with the applicant under the Act unless such information is exempted from disclosure under one or more provisions of the Act. It is not uncommon in the government departments to evade disclosure of the information taking the standard plea that the information sought by the applicant is not available. Ordinarily, the information which at some point of time or the other was available in the records of the government, should continue to be available with the concerned department unless it has been destroyed in accordance with the rules framed by that department for destruction of old record..........Even in the case where it is found that the desired information though available in the record of the government at some point of time, cannot be traced despite best efforts made in this regard, the department concerned must necessarily fix the responsibility for the loss of the record and take appropriate departmental action against the officers/officials responsible for loss of the record....."
7. Since the Commission has the power to direct disclosure of information provided, it is not exempted from such disclosure, it would also have the jurisdiction to direct an inquiry into the matter wherever it is claimed by the PIO/CPIO that the information sought by the applicant is not traceable/ readily traceable/ currently traceable."

E. **BECAUSE** the Appellant was denied the information under an alleged excuse of information not being readily available. Therefore, under such circumstances, it is the duty of the PIO/Respondent to reconstruct the file. In this context, it is pertinent to refer to the Central Information Commission’s ("Commission") decision in *Shri Om Prakash vs. Land & Building Dep, GNCTD, Delhi,* [Decision No. CIC/DS/A/2013/001788SA], wherein it has been held that "......The defense of missing file cannot be accepted even under the RTI Act. If the file is really not traceable, it reflects the inefficient and pathetic management of files by the Public Authority. If the file could not be traced in spite of best efforts, it is the duty of the respondent authority to reconstruct the file or develop a mechanism to address the issue raised by the appellant." [Emphasis supplied.] In the present case, the Respondent has merely said that the information is not readily available in the concerned section of the Ministry of Mines and also, it is quite old. Therefore, in such circumstances, it is the duty of the PIO/Respondent to reconstruct the file. Furthermore, the Commission, in the
same case, has held that "......Unless proved that record was destroyed as per the prescribed rules of destruction/retention policy, it is deemed that record continues to be held by public authority. Claim of file missing or not traceable has no legality as it was not recognized as exception by RTI Act. By practice 'missing file' cannot be read into as exception in addition to exceptions prescribed by RTI Act. It amounts to breach of Public Records Act, 1993 and punishable with imprisonment up to a term of five years or with fine or both. Public Authority has a duty to initiate action for this kind of loss of public record, in the form of 'not traceable' or 'missing'. The Public Authority also has a duty to designate an officer as Records Officer and protect the records. A thorough search for the file, inquiry to find out public servant responsible, disciplinary action and action under Public Records Act, reconstruction of alternative file, relief to the person affected by the loss of file are the basic actions the Public Authority is legitimately expected to perform."

F. BECAUSE the PIO/Respondent, in its response dated 18.04.2016, has not provided the Appellant with sufficient explanation. Instead, mere reasoning that the information is not readily available was given to the Appellant. In this context, it is pertinent to refer to the Commission's decision in Sh. Mahinder Pal Vs. SDM, GNCTD, [Decision No. CIC/DSIA/2013/002184SA], wherein it was stated that "......She also stated that the relevant file is not traceable. The Commission does not accept this defense of losing the
file by the respondent authority, in the absence of sufficient explanation by the respondent authority as to, what efforts were made by them to trace the file, what action was taken against the custodian of the file and what steps they initiated to restructure the missing file. The Commission, therefore, directs the PIO/SDM to file an affidavit in this regard, i.e., when the file was found to be lost, what efforts were initiated by them to trace the file, what action was taken against the persons responsible for losing the file and what alternative steps initiated by them to reconstruct the missing file, etc. ...” [Emphasis supplied.]

G. BECAUSE “Records” under the Public Records Act 1993 (Act of 1993), can be sought under RTI Act, 2005 as “Information” through RTI Application. It is the duty of the public authority to designate “Public Records Officer” as per Act of 1993, which has been made to regulate the management, administration and preservation of public records of the Central Government, Union Territory Administrations, public sector undertakings etc. and as such, the PIO/Respondent has informed the Appellant that the information sought is quite old. In this context, it is pertinent to refer to Commission’s decision in Shri Om Prakash vs. Land & Building Dep, GNCTD, Delhi, wherein it has been held that “.....The definition of “Public Records” U/S 2(e) of Public Records Act, 1993 (PRA 1993) is almost identical with the definition of Records under the RTI Act 2005. These Records can be sought under the RTI Act, 2005 as “Information” through RTI Application”
H. **BECAUSE** the RTI Act was enacted with the main objectives of promoting transparency and accountability in the working of every public authority and of securing access to information under the control of public authorities; denying the information sought by the Appellant without any sufficient reason in a cryptic manner would defeat the very object and purpose of the RTI Act and cannot be permitted. Hence, the Impugned Response dated 18.04.2016 ought to be quashed.

**PRAYER FOR RELIEF**

(a) Direct the PIO/Respondent to give complete information sought by the Appellant in its Application dated 21.03.2016 annexed as Annexure-A to this application;

(b) Direct the PIO/Respondent to adhere to the time limits specified in the RTI Act in providing the requisite information;

(c) Pass any other order(s) which this Hon'ble Authority may deem fit and proper in the facts and circumstances of the present case.

My submission is that information received by me is not to the point and has not contains any relevant information, while information sought by me is very simple and can be easily provided by the ministry of mines Govt. of India. All above amendments and notifications has been brought by the Central Govt in view of the minimum Government and maximum Governance. As such the State Governments are not following the MMDR amendment act 2015 and not passing orders accordingly.

In addition to above I want to give brief history of my case, because I am suffering much due to non compliance of the MMDR amendment act 2015 by the State govt. of U P., my lease situated in Village Janwa, Tehsil - Bara, District Allahabad (U.P.) of 47.06 Hectares in the name of M/s Bhulli Mahraj & Sons, Shankergarh, Allahabad, which was originally granted on 16-06-1979 for period of ten years and renewed for a further period of ten years i.e. upto 15-06-1999. As per lease deed I have applied for a grant further renewal on 12-06-1998 before the state government u/s 8(2) of MMDR act 1957. All the necessary recommendations were submitted to State Government, but no order was passed before 12-01-2015.

Therefore information sought by me is of much importance and I am writing again required information as follows-

i. Please inform the name of State governments which has complied the MMDR amendment act 2015, according to the letter of joint secretary, Delhi, (Vide D.O. No. 1/1/2014/MVI (Part iii) dated 05-02-2015.

ii. If any state government did not comply the order/direction of Central Government as mentioned in information No. 1, Please inform the action taken by the Ministry of Mines, Govt. of India.

iii. State of U.P. has not complied the provisions of the MMDR amendment act 2015, till now. Will ministry of mines, Govt of India take any action against them or advice them to do so, Please inform.

iv. Ministry of mines, Govt of India u/s 3(E) of MMDR act 1957 declared 31 major minerals to minor minerals by notification on 10.02.2015, published in gazette of India extraordinary by S.O. No. 423(E), in which Silica sand is also included.

Please inform the status of lease of silica sand which subsist before 10.02.15 as major minerals.

Therefore I request you to consider my appeal alongwith the facts mentioned above and provide me information as required. Please help me by which I can get justice.

I shall be highly obliged.

PROFORMA FOR SEEKING INFORMATION UNDER RTI ACT, 2005

To,
The Public Information Officer,
Ministry of Mines,
Shastri Bhawan,
New Delhi 110001

1. Name : K.Madankar,
2. Address : C/o.Shri S.P.Taiwade, 59/C, New Narmada Colony, Katol Road, Nagpur-440013

3. Particulars of information:
a) Concerned Department : Ministry of Mines, Deptt. of Mines, Govt. of India, New Delhi...
b) Details of information required : Regarding compassionate Appointments in GSI,CR.I was recommended by the CAC in 2004 within 14 months from the date of death of my husband in a very young age. I was once again recommended in 2011 for the post of LDC. My case was never need either relaxation in time limit nor approval from the Ministry as I was recommended well within 14 months only. Even though without examining my case along with the case of Shri Ashish Dey who was also recommended along with me within 8 months only from the date of death of his father. But the ministry of Mines without examining our cases in accordance with rules and without having any provision to reject in the DOPT rules, rejected employment to me. On the contrary the cases of 7 time barred candidates recommended by the illegal and unconstitutional CAC, 2010 after a lapse of more than 8 years were taken up on top priority by Shri Gaurav Kumar, the then Dy.Secretary, MOM despite the fact that their cases were never forwarded to the Ministry for approval and relaxation in time limit though they required. Similarly a spouse of missing govt. servant has also been appointed in 2014 in GSI,CR without having power to appoint despite instructions issued on the subject in 2014 by the DG, GSI. In spite of this fact the Mines Secretariat and the CVO are deliberately, knowingly supporting the illegal recruits and the corrupt officers of GSI supporting all the illegality committed by them deliberately. Despite several complaints and legal notice the Ministry has not taken any action and is still committing atrocities on me and my family supporting the crime & culprit. Hence I want to file FIR in the concerned police station & the State CID to register a crime against S/Shri S.K.Sinha, B.G.Raylu, Gaurav Kumar, Y.P.Rawat and Shri Binod Kumar for cheating me and for committing atrocities on me & my family since last more than 11 years. Hence the certified/attested copies of the following information/documents may please be provided:

1. Several complaints through MOM, PMO office, CVO, President’s Secretariat & CAG have been received by the Ministry of Mines regarding mental and financial harassment since last 10 years to me and 5 others and illegal appointments of several time barred candidates by grossly abusing and misusing official power by Shri S.K.Sinha, Joint Director (P&A), GSI,CR,Nagpur. A copy of documents/note sheets regarding action taken by the Ministry of Mines in the matter of illegal appointment scam in GSI,CR may be provided. A copy of action taken against Shri S.K.Sinha, Joint Director (P&A) for
issuing appointment orders to the time barred candidates without prior approval from the Ministry and without having power, even though he was facing charge sheet under Rule 14 of CCS (Conduct) Rules, suppressing the fact that all the 7 candidates recommended by CAC 2010 were time barred and needed approval from the Secretary, MOM, may please be provided.

II. A copy of final decision conveyed by the Ministry of Mines to the DG, GSI regarding Shri S.K. Sinha, Joint Director (P&A), GSI, CR, on the Charge sheet and other matters after completion of all the disciplinary proceedings may also be supplied, along with the copy of letters issued from the Secretary, Ministry of Mines, New Delhi.

III. Despite the directive principle issued by CVO/CVC regarding posting of charge sheeted officers in sensitive areas, Shri S.K. Sinha, Joint Director (P&A) previously Regional Adm. Officer was made incharge of Legal Cell, Administration in GSI, CR and was also nominated as one of the members of Selection Committee for Direct Recruitment i.e. Compassionate Appointment Committee, in 2010 & once again in 2014 in utter violation of the above directions/instructions from the CVC, New Delhi & CVO, GSI, Kolkata thereby constituting an illegal and unconstitutional compassionate Appointment Committees. Shri S.K. Sinha, Joint Director (P&A), previously RAO signed and issued appointment orders to SEVEN time barred candidates after a lapse of more than 10 years from the date of death/vol. retirement of the concerned Govt. Servant without having any power to appoint and without any approval & relaxation in time limit prescribed by the DOPT from the Secretary, Ministry of Mines. Copies of letters/orders/Note sheet regarding action taken by the Ministry of Mines, in this regard after receipt of complaints regarding illegal appointment of time barred candidates, may please be supplied.

IV. The Secretary, Ministry of Mines, New Delhi vide its letter No.27/2/2011/II, dated 1st May, 2012 directed DG, GSI to fix the responsibility for abnormal delay in dealing with the CAC, 2004 recommendations of GSI, CR, Nagpur. A copy of report, along with documents considered/examined by the Committee submitted by the Committee in this regard to the Director General, GSI & sent by him to Ministry of Mines may please be supplied along with action taken by the Ministry of Mines on the said report.

V. The Ministry of Mines vide their letter No.27/2/2011.M.II dated 14the March, 2012 denied approval without any provision to reject in DOPT rules, causing loss of employment & atrocities to me and 5 other candidates recommended twice by the CAC and making illegal appointment of 7 time barred candidates without examining their cases in accordance with rules with malafide motive. A copy of order issued by the DOPT/Rule position on the basis of which the disagreement by the MOM was made containing therein specific provision to reject employment to the candidates recommended TWICE by the CAC within time limit even after availability of clear vacancies on compassionate ground may be provided.

VI. A copy of DOPT order having provision in particular regarding appointment of a candidates after a lapse of more than 8 to 10 years from the date of death of the Govt. servant, despite time limit of 3 years, along with copy of delegation of power issued by
the Ministry of Mines to Director General, GSI & Regional HODs of GSI for making compassionate appointments in GSI from 1999 to 30th April, 2012 may also be provided.

VII. As per guidelines issued by MOM/GSI, Kolkata in 2014 the power to appoint a spouse of missing Govt. servant was given to the Secretary, Ministry of Mines, New Delhi only. But once again by misusing the official position by Shri S.K.Sinha, Joint Director (P&A) and the Dy.Director (P&A), GSI, CR, signed and issued appointment order on compassionate ground to Smt. V.R.Meshram a spouse of missing Govt. servant which is illegal in utter violation of the above order, and was conveyed through a complaint by Shri S.P.Taiwade and others. Copy of documents showing action taken by the Secretary, Ministry of Mines against the above named officers misusing their powers again and again despite illegal appointments made in 2012 may please be provided.

VIII. The Ministry of Mines vide their letter F.No.31/2/2014-M.II, dated 25.11.2014 specifically mentioned that “No proposal from GSI for granting relaxation to appoint 7 time barred candidates viz. A.Parekar, A.Mahale, Smt.P.Shingne, Smt. K.Khote, Smt. N.Ramteke, Smt. Madne and Smt. Walko on compassionate ground was received in this Ministry. Hence no approval from the Secretary, Ministry of Mines was issued.” Even after knowing this fact by the Ministry and several complaints routed through PMO office, CVC, CAG bring illegal appointment scam to their notice, whether any disciplinary action against Shri S.K.Sinha, Joint Director (P&A) and other officers involved in illegal appointment of above time barred candidates has been taken by the Secretary, Ministry of Mines or any inquiry has been ordered by the Ministry of Mines, Yes or No? If yes, a copy of the particular letter in this regard issued by the Ministry of Mines may please be supplied.

I have deposited Rs.10/- towards RTI fees in the Post Office, Seminary Hills, Nagpur and the receipt of the same has been duly pasted on this application.

Yours faithfully,

विषयः सूचना के अधिकार अधिनियम के तहत मौगी जानकारी न देने पर अधिनियम के प्रावधानों के तहत प्रथम अप्रैल के संदर्भ में।

महोदय

मेरे द्वारा सूचना के अधिकार अधिनियम के तहत एक आवेदन राष्ट्रपति कार्यालय के सम्बन्ध दिया था। जो दिनांक 7/5/16 को राष्ट्रपति कार्यालय में पहुंच गया था। राष्ट्रपति कार्यालय द्वारा पत्र मे मेरे द्वारा मौगी गरी जानकारी केंद्रीय खान मंत्रालय से संबंधित होने का है। समझकर खान मंत्रालय को ज्ञासांतरित कर दिया। हालाँकि पत्र मे मेरे द्वारा मौगी गई कुछ जानकारी राष्ट्रपति कार्यालय से भी संबंधित है।

फिर भी मेरे आवेदन पर केंद्रीय खान मंत्रालय के संक्षेप आकिसर विवद प्रताप सिंह जे दिनांक 31/05/16 को पत्र कं 25/2/2014–नेटल-1 के माध्यम से जवाब भेजा है कि मेरे द्वारा मौगी गई जानकारी बहुत ज्यादा मान्य नहीं रखा गया है। इसलिए आप कार्यालयीन समय मे आकर उत्तर फाइल का अवलोकन कर सकते है।

मान,अधिलिय अधिकारी महोदय आपके जनसूचना अधिकारी महोदय का ये कथन पूरी तरह गलत एवं भ्रमक है। तथा उनके द्वारा जानकारी का अवलोकन कर सकते है।

मेरे द्वारा अपने आवेदन मे जनसूचना अधिकारी से निम्न जानकारी चाही थी:जो कि नीचे दिये तथ्यों के आधार पर तथा वैधिक रूप से तथा भारत सरकार द्वारा बातों से विनियम मानले मे सुधीर कोर्ट में दिये assurance के आधार इसके फाइल बाई फाइल रखनी है। तथा आर.टी.आई एक्ट की धारा 4/1/बी तहत सारे दस्तावेज का अलग अलग तारीखों क सालीकों से संरचना है। इस कारण से मेरे द्वारा मौगी गई जानकारी खान मंत्रालय को देनी चाहिए है।

मेरे द्वारा विदुचार जानकारी मौगी है जो कि मेरे द्वारा दिये जा रहे तथ्यों के आधार पर मंत्रालय को देनी चाहिए है।

1 मेरे द्वारा बिदु क कं 1 मे भारत अल्मुनियम कंपनी सिमिटेड एवं हिंदूस्तान जिक सिमिटेड मे सरकार द्वारा 2001–02 से आज तक नामित निदेशकों की नियुक्ति पत्र की छायाप्रति मौगी
2 बिंदु 2 मे यह दर्शा गई है कि जजाकारी मांगी गई है उक्त निदेशक की नियुक्ति की गई है। यह है कि उनकी जिम्मेदारी भी तप की गई होगी वह जजाकारी ही मेरे द्वारा मांगी गई है।

3 बिंदु 3 मे निम्नलिखित जजाकारी मांगी है। भारत सरकार एवं स्टेटलाइट इण्डस्ट्रीज इण्डिया लिमिटेड के तत्त्व 2 मार्च 2001 को हुये समझौते के कलाश 4.8 के स्टरलाइट/रणीतिक साझेदार को भारत सरकार / खान मंत्रालय को अनिवार्य रूप से दिया जाना है। अगर वाळा जजाकारी मंत्रालय को दी गई है। तो उनके पास होगी अंतिम रिपोर्ट मार्च 2016 मे दी गई होगी वो तो आसानी से उपलब्ध होगी। और अगर मंत्रालय के पास जमा नहीं कराई गयी है, तो मंत्रालय के जिम्मेदार अधिकारी पर सरकारी संपत्ति की जानबुझकर अनदेखी करने के तहत या निरोधक अधिनियम के तहत केश दर्ज करना चाहिए था।

4 बिंदु 4 मे मांगी गई जजाकारी बिंदु 3 के साथ होना चाहिए।

5 बिंदु 5 मे मांगी गई जजाकारी मे खान मंत्रालय द्वारा नामित निदेशक भारत सरकार के प्रति जवाबदेह है। इसलिए अगर वे निदेशक बोर्ड की मीटिंग मे शामिल होकर कोई निर्णय मे भागीदार होते हैं तो उसकी जजाकारी भारत सरकार या खान मंत्रालय को मिनिस्ट के रूप अनिवार्य रूप से जमा करवाना होता है। अगर निदेशक द्वारा वो पेपर जमा नहीं करवाये है तो मंत्रालय द्वारा संबंधित निदेशको पर कार्यवाही की जानी चाहिए थी। अगर कार्यवाही की गई है तो उसकी रद्द जजाकारी दे दे।

6 बिंदु 6 की जजाकारी राष्ट्रपति कार्यालय के पास भी होनी चाहिए। और आपके मंत्रालय के पास भी।

7 बिंदु 8एवं 9 की जजाकारी बिंदु 3 की जजाकारी के साथ भी होगी। तथा निदेशको द्वारा बोर्ड मीटिंग के मिनिस्ट के मिनिस्ट भी होगी।

8 बिंदु 10 की जजाकारी आपके मंत्रालय द्वारा पूर्व मे दी गई है।

9 बिंदु 11 मे मांगी जजाकारी आपको विल मंत्रालय को भी भेजना वैधानिक रूप से भी जरूरी है। अगर वो जजाकारी आपके द्वारा सहेज कर नहीं रखा है। तो विल मंत्रालय के खिलाफ आपके द्वारा किया गया अपराध है।
12 बिंदु 12 में मेरे द्वारा जानना चाहा है कि बालकों के 49 प्रतिशत शेयर को बेचने के लिए एक देव्युत की नियुक्ति की है। इसकी जानकारी आपके पास है कि नहीं स्पष्ट कर दे।

11 बिंदु 13 में रणनीतिक साझेदार के साथ हुए आर्टिकल ऑफ एशोसिएशन की छायाप्रति की मंग की है। वो मंत्रालय ने अनिवार्य रूप से जानी चाहिए।

12 बिंदु 14 में मेरे द्वारा जानना चाहा है कि 49 प्रतिशत सरकारी हिस्सेदारी के एकज में जो लाभांश सरकार को दिया जा रहा है। (अगर दिया गया है तो उसकी प्रति आपके पास होगी ही) साथ ही ये जानकारी भी वित मंत्रालय को भी भेजनी होती है। ये आसानी से मुझे दी जा सकती है।

13 बिंदु 15 में मेरे द्वारा निम्न जानकारी चाही गई है,तथा तारीख भी बतायी गयी है कि 3 मार्च 2000 को कंडीय कॉमिट्टे ने बालकों के शेयर कंपनी को 488.8 करोड़, से घटाकर 244.4 करोड़, करने का प्रस्ताव भेजा था। उसकी जानकारी तारीख आधार पर निकाल कर दी जा सकती है।

14 बिंदु 16 में मेरे द्वारा यह जानकारी मंगी है कि रणनीतिक साझेदार द्वारा बालकों में दिये गये निवेश के संदर्भ में आपके निवेशको की सहमति या असहमति बोर्ड मीटिंग में दी गई है कि नहीं। कोई भी निवेश या किसी व्यवसाय से बाहर निकलने की सहमति त्री है कि नहीं उसकी जानकारी चाही गई है। अगर कोई निवेश निदेशको की सहमति के बिना किया गया है तो सरकार द्वारा की गई समस्त कार्यवाही की जानकारी देने की कृपा करे।

15 बिंदु 17 की जानकारी मेरे द्वारा पूर्व के आवेदन में आपके द्वारा 208 का जमा कर जानकारी प्राप्त करने का आपके अधिकारी द्वारा कहा गया था। वो जानकारी तो पहले से ही तैयार होगी।

मैंने अपने पत्र मे सी.एल.सी. के निर्णय के ICPB/2006 F.N.PBA/06/360/5 FEB/2007 R.K.SOOD VS NTPC का रिपोर्ट भी दिया था। इसे आप सी.एल.सी. की वेबसाइट से डाउनलोड कर देख सकते हैं।

इसी प्रकार आर.सी.एल की धारा 2(एच) एवं 2 (एफ) के प्रावधानों के तहत किसी लोक सेवक की किसी नियम/कानून के तहत संबंधित पक्ष तक पहुच हो तो संबंधित पक्ष से जानकारी मंग कर दिया जा सकता है। स्ट्रोलाइट खान मंत्रालय का रणनीतिक साझेदार है और शेयर होलिंग एग्रीमेंट के तहत मेरे द्वारा मंगी जानकारी जो खान मंत्रालय के पास न हो तो मंग कर भी दी जा सकती है।
माननीय अपीलिय अधिकारी महोदय मेरी इस अपील को अधिनियम के प्राक्कानो के तहत गंभीरता से लेते हुये तथा प्रत्येक बिंदु का नियम ओर दस्तावेजी के आधार पर निराकरण करे।

मेरे एक पूर्व के आवेदन में आपके जनसूचना अधिकारी अजय कुमार कादियान व प्रथम अपीलिय अधिकारी शरत कुमार मिश्र स्पष्ट किया था कि बालको के 51 प्रतिशत शेयर का हस्ताक्षर स्टरलाइट इंडस्ट्रीज को जाने के बाद उसके संबंध कोई जानकारी नहीं है। जबकि विनय प्रताप जी के पत्र के बाद वे साबित होता है कि जानकारी आपके पास ही इसका मतलब है कि अजय कुमार कादियान ओर शरत कुमार मिश्र ने मेरे पूर्व आर्टी.आई का गलत जवाब भेजकर कही न कही निजी पार्टी को लाभ पहुँचाने का प्रयास किया है। आप से उम्मीद साफ व स्पष्ट जानकारी देने का काफ़ करे। जिससे कि हम दोनो अधिकारी पर भ्रष्टाचार निरोधक अधिनियम की धारा 13/2 के कार्यवाही के लिए सरकार से अनुमति की भौग करना।

मेरे आपसे विनय अनुरोध है कि मेरे द्वारा मौगी गयी समस्त जानकारी का बिंदुबार जवव देने का प्रयास करे।अगर किसी बिंदु पर आपत्ति है तो आपत्ति के कारण बताते हुये मुझे लिखे तथा बकी बये हुये बिंदुओं पर जानकारी देने का काफ़ करे। अगर किसी बिंदु पर कोई बात समझ न आये तो मेरे निजी भो.न. 9301145627 पर बात कर ले। इसके बाद भी अगर किसी बिंदु की जानकारी बहुत ज्यादा संबंध मे हो तो उसका अवलोकन करने आ जाऊँगा।

...RESPONDENT

SUBJECT: FIRST APPEAL UNDER SECTION 19(1) OF THE RIGHT TO
INFORMATION ACT, 2005

MOST RESPECTFULLY SHOWETH:

1. The Appellant filed an application dated 29.03.2016 ("RTI Application")
under Section 6 of the Right to Information Act, 2005 (hereinafter
referred as the "RTI Act") before the Respondent herein. The RTI
Application seeks information pertaining to the renewal of the mining
lease with respect to Block A & B of Thakurani Iron Ore Mines, Odisha.
2. Specifically, the Appellant seeks the following information pertaining to the above subject matter:

(a) Copy of the Application dated 25.08.1962 preferred by Shri Baijnath Sarda before the Central Government for renewal of the mining lease with respect to Block A of Thakurani Iron Ore Mines, Odisha and;

(b) Copy of the Application dated 25.08.1962 preferred by Shri Baijnath Sarda before the Central Government for renewal of the mining lease with respect to Block B of Thakurani Iron Ore Mines, Odisha and;

(c) Copy of the Application dated 30.11.1962 preferred by Shri Baijnath Sarda before the Central Government for renewal of the mining lease with respect to Block A of Thakurani Iron Ore Mines, Odisha and;

(d) Copy of the Application dated 30.11.1962 preferred by Shri Baijnath Sarda before the Central Government for renewal of the mining lease with respect to Block B of Thakurani Iron Ore Mines, Odisha and;

(e) Copies of the orders dated 27.12.1962 & 11.01.1963 issued by the Central Government (Department of Mines & Minerals), with respect to the Applications dated 25.08.1962 & 30.11.1962 preferred by Shri Baijnath Sarda before the Central Government for renewal of the mining lease with respect to Block A & B of Thakurani Iron Ore Mines, Odisha and;

(f) Copy of letter No. MV-1 (642)/62 dated 27.12.1962 issued by the Central Government directing the State Government to dispose of the application for renewal of the mining lease for iron ore with respect to Block A & B of Thakurani Iron Ore Mines, Odisha by 31.05.1963; as also the copies of the records, documents, letters, memos, e-mails, opinions, file notings, guidelines, advices, notices, deliberations, data/materials, recommendations, orders, approvals of the authorities / competent authorities in respect of the above applications / decisions of the Government.
A self-attested copy of the said RTI Application is attached herewith as ANNEXURE-A.

3. That the Ld. PIO/Respondent by communication dated 21.04.2016 bearing No. 16 / 02 / 2016-M.VI ("Response") responded to the RTI Application dated 29.03.2016 whereby the Ld. PIO failed to provide the information on the pretext that the Application dated 25.08.1962 and others, are quite old and are not readily traceable in the section.

A copy of the Response dated 21.04.2016 is annexed hereto and marked as ANNEXURE-B.

4. It is under such circumstances that the Appellant has been constrained to approach this Hon'ble Authority as the Respondent has failed to provide information in regard to the above queries. The Appellant respectfully requests that this Hon'ble Authority directs the PIO/Respondent to give complete information sought by the Appellant; direct an order to Show Cause as to why the PIO/Respondent should not be held liable under Section 20(1) of the RTI Act; direct an inquiry; and pass any other order(s) which this Hon'ble Authority may deem fit and proper in the present case.

GROUND FOR RELIEF

The present Appeal is being preferred on the following grounds which are in the alternative and without prejudice to each other:-
A. BECAUSE the denial of information by the Respondent merely on the pretext that the information relates to event which is quite old, cannot be a valid ground under the Right to Information.

B. BECAUSE the reason that the information sought is quite old and thus, is not readily available in the Section, is extraneous to the provisions of the RTI Act. It is submitted that the said basis, if any, is not an exemption under the RTI Act. Rather, the RTI Act provides that the information pertaining to, the period beyond 20 years shall be provided to an applicant. Hence, the refusal to provide the information to the Appellant is de hors the RTI Act.

C. BECAUSE the response dated 21.04.2016 is also cryptic and vague, in as much as the Respondent has only stated that the information is ‘not readily traceable’. It is submitted that the Respondent has failed to give any reason as to why the information is purportedly not readily traceable. It is submitted that the Respondent, which is under an obligation to provide the information, cannot be discharged of its burden by merely stating that the information is ‘not readily traceable’.

D. BECAUSE the information sought by the Appellant is not exempted under the Section 8 of the RTI Act, 2005, and hence, the Appellant has the right to obtain such information. In this context, it is pertinent to refer to the decision of Hon’ble Delhi High Court in Union of India vs Vishwas Bhamburkar [2013 (297) ELT500 (Del.)] with regard to the plea of
respondent authority with respect to the record not being traceable, wherein it was observed as follows:

"6. This can hardly be disputed that if certain information is available with a public authority, that information must necessarily be shared with the applicant under the Act unless such information is exempted from disclosure under one or more provisions of the Act. It is not uncommon in the government departments to evade disclosure of the information taking the standard plea that the information sought by the applicant is not available. Ordinarily, the information which at some point of time or the other was available in the records of the government, should continue to be available with the concerned department unless it has been destroyed in accordance with the rules framed by that department for destruction of old record.........Even in the case where it is found that the desired information though available in the record of the government at some point of time, cannot be traced despite best efforts made in this regard, the department concerned must necessarily fix the responsibility for the loss of the record and take appropriate departmental action against the officers/officials responsible for loss of the record.....

7. Since the Commission has the power to direct disclosure of information provided, it is not exempted from such disclosure, it would also have the jurisdiction to direct an inquiry into the matter wherever it is claimed by the PIO/CPIO that the information sought by the applicant is not traceable/ readily traceable/ currently traceable."
E. **BECAUSE** the Appellant was denied the information under an alleged excuse of information not being readily traceable. Therefore, under such circumstances, it is the duty of the PIO/Respondent to reconstruct the file. In this context, it is pertinent to refer to the Central Information Commission’s ("Commission") decision in *Shri Om Prakash vs. Land & Building Dep, GNCTD, Delhi* [Decision No. CIC/DSI/A/2013/001788SA], wherein it has been held that "......The defense of missing file cannot be accepted even under the RTI Act. If the file is really not traceable, it reflects the inefficient and pathetic management of files by the Public Authority. If the file could not be traced in spite of best efforts, it is the duty of the respondent authority to reconstruct the file or develop a mechanism to address the issue raised by the appellant." [Emphasis supplied.] In the present case, the Respondent has merely said that the information is not readily traceable in the concerned section of the Ministry of Mines and also, it is quite old. Therefore, in such circumstances, it is the duty of the PIO/Respondent to reconstruct the file. Furthermore, the Commission, in the same case, has held that "......Unless proved that record was destroyed as per the prescribed rules of destruction/retention policy, it is deemed that record continues to be held by public authority. **Claim of file missing or not traceable has no legality as it was not recognized as exception by RTI Act.** By practice 'missing file' cannot be read into as exception in addition to
exceptions prescribed by RTI Act. It amounts to breach of Public Records Act, 1993 and punishable with imprisonment up to a term of five years or with fine or both. **Public Authority has a duty to initiate action for this kind of loss of public record, in the form of ‘not traceable’ or ‘missing’. The Public Authority also has a duty to designate an officer as Records Officer and protect the records. A thorough search for the file, inquiry to find out public servant responsible, disciplinary action and action under Public Records Act, reconstruction of alternative file, relief to the person affected by the loss of file are the basic actions the Public Authority is legitimately expected to perform.”**

F. **BECAUSE** the PIO/Respondent, in its response dated 21.04.2016, has not provided the Appellant with sufficient explanation. Instead, mere reasoning that the information is not readily traceable was given to the Appellant. In this context, it is pertinent to refer to the Commission’s decision in **Sh. Mahinder Pal Vs. SDM, GNCTD, [Decision No. CIC/DS/A/2013/002184SA]**, wherein it was stated that "......She also stated that the relevant file is not traceable. The Commission does not accept this defense of losing the file by the respondent authority, in the absence of sufficient explanation by the respondent authority as to, what efforts were made by them to trace the file, what action was taken against the custodian of the file and what steps they initiated to restructure the missing file. The
Commission, therefore, directs the PIO/SDM to file an affidavit in this regard, i.e. when the file was found to be lost, what efforts were initiated by them to trace the file, what action was taken against the persons responsible for losing the file and what alternative steps initiated by them to reconstruct the missing file, etc. ...” [Emphasis supplied.]

G. BECAUSE “Records” under the Public Records Act 1993 (Act of 1993), can be sought under RTI Act, 2005 as “Information” through RTI Application. It is the duty of the public authority to designate “Public Records Officer” as per Act of 1993, which has been made to regulate the management, administration and preservation of public records of the Central Government, Union Territory Administrations, public sector undertakings etc. and as such, the PIO/Respondent has informed the Appellant that the information sough is quite old. In this context, it is pertinent to refer to Commission’s decision in Shri Om Prakash vs. Land & Building Dep, GNCTD, Delhi, wherein it has been held that “......The definition of “Public Records” U/S 2(e) of Public Records Act, 1993 (PRA 1993) is almost identical with the definition of Records under the RTI Act 2005. These Records can be sought under the RTI Act, 2005 as “Information” through RTI Application”

H. BECAUSE the RTI Act was enacted with the main objectives of promoting transparency and accountability in the working of every public authority and of securing access to information under the control of
public authorities; denying the information sought by the Appellant without any sufficient reason in a cryptic manner would defeat the very object and purpose of the RTI Act and cannot be permitted. Hence, the Impugned Response dated 21.04.2016 ought to be quashed.

PRAYER FOR RELIEF

(a) Direct the PIO/Respondent to give complete information sought by the Appellant in its Application dated 29.03.2016 annexed as Annexure-A to this application;

(b) Direct the PIO/Respondent to adhere to the time limits specified in the RTI Act in providing the requisite information;

(c) Pass any other order(s) which this Hon'ble Authority may deem fit and proper in the facts and circumstances of the present case.

VERIFICATION:
