Subject:- Regarding your application dated 01.6.2016 seeking information under RTI Act, 2005.

Please refer to your RTI Act, 2005 application dated 01.06.2016 seeking information/document from 01.03.1980 to 31.12.2015 with regard to Hindustan Zinc Limited. It is stated that post disinvestment Government is having no control over the management of the company and government cannot issue any instructions to the company. Hence it is not possible to provide the information.

2. In case you are not satisfied with this reply, you may file an appeal before the appellate authority (Smt. Farida M. Naik, Director Ministry of Mines, Room No.312-D, Shastri Bhavan, New Delhi) within a period of 30 days from the date of the receipt of this letter.

Yours faithfully,

(Adhir Kumar Mallik)

Encls. : As above.
No. 44011/4(s)/2007-Estt.(B)
Government of India
Ministry of Personnel, Public Grievances & Pensions
Department of Personnel & Training

New Delhi, dated the 22nd February, 2010

OFFICE MEMORANDUM

Subject: Utilisation of the facilities of Central Public Sector Enterprises (CPSEs)

Instructions regarding.

The undersigned is directed to say that the utilization of facilities from Central Public Sector Enterprises by officials of Ministries/Departments administering the respective CPSEs has been under the review of the Government. The issue was considered by the Committee of Secretaries and thereafter by a smaller group of Secretaries consisting of Secretary(DOP&T), Secretary (Expenditure) and Secretary, Department of Public Enterprises. Comments and views of various Ministries were obtained.

2. It is noted that the Government has already liberalized procurement of computers for official purpose and laptops can be given to Deputy Secretary and above levels on functional requirement basis. Reimbursement of telephone charges has been fixed at a liberal scale. Purchase of new vehicles on functional requirement is being permitted and instructions also exist for hiring of private vehicles to augment the Government fleet to meet functional requirements. Facilities like fax, AC etc. to individual officers are provided by the concerned Ministries as per requirements. The ceiling on consumption of diesel/petrol in staff car has been fixed at a reasonable level. Therefore, the existing instructions already cater to the issue of providing requisite facilities to officers based on the requirements of modernising Government offices.

3. On the findings of the above Committee, the Government has decided that there is no need to access any infrastructure facilities of the CPSEs by the officials of the Central Government. The Ministries/Departments are accordingly requested to issue suitable instructions to all concerned for not utilising the infrastructure of any CPSEs by the officers/staff in the Government Departments and that any such use shall attract suitable action against them. Any manpower/other facilities from CPSEs already being availed by the Ministries/Departments will be returned by the concerned Ministries at the earliest and definitely before 31st March 2010. If, for any exceptional circumstances, any officer, for a bonafide purpose related with official duties connected with the CPSE entrusted to him, has to utilise the facility from a CPSE, the Secretary in the Ministry/Department will have to authorise such usage for specific period after careful assessment of the situation.
4. It is clarified that the above guidelines shall also be applicable to use of facilities from autonomous organizations under the Government.

To

The Secretaries of all the Ministries/Departments of the Government of India.

Copy to:

(iv) The Central Vigilance Commission.

( C.A. Subramanian )
Director (E-II)
OFFICE MEMORANDUM

The Expenditure Reforms Commission in its Tenth Report relating to the Department of Expenditure has made general recommendations which are not covered under various reports submitted by the Commission. One such recommendation relates to 'informal arrangements' and is reproduced below:

7.41 There should be a prohibition on drafting of officials from the PSUs to work "informally" in the offices of ministers/ministries; that is to say, an arrangement by which they continue to draw their emoluments from their parent organisations but work in a ministry or are attached to the offices of ministers. If any minister/ministry needs staff in excess of the sanctioned strength, then it would have to be justified before the Cabinet.

2. All the administrative Ministries/Departments are requested to take note of the above recommendations for information and guidance. The Public Enterprises under their administrative control may also be advised suitably in the matter.

All administrative Ministries/Departments
(Secretaries by name).

Copy to:

1. Ministry of Finance, Department of Expenditure, (Ms. Usha Mathur, Joint Secretary), North Block, New Delhi with reference to D.O. No. 1(91)/F-Coord./2001 dated 29.11.2001.
2. Financial Advisers of all administrative Ministries/Departments.
3. Chief Executives of all Central Public Enterprises.
4. Heads of Divisions in DPE.

Deputy Secretary to the Govt. of India
Phone: 436062

(C.C. Unnikrishnan)

Deputy Secretary to the Govt. of India

The consolidated orders concerning entitlement of personal staff of Ministers were issued by this Department's O.M.No.8/3/92-CS.II dated January 14, 1994. It was stipulated specifically in our O.M.No.8/5/85-CS.II dated August 6, 1991 that no additional staff, even on informal basis, should be drawn from the main establishment of the Ministry/Department concerned for performing duties of the personal staff of the Ministers. Despite these instructions, it has been noticed that additional staff has been provided to the Ministers above their entitlement on an informal basis.

2. You will appreciate that the practice of subordinate staff from the Ministry and subordinate offices being attached with Minster's Office has an adverse impact on the operations of the Ministry as the Ministry is deprived of the services of its best personnel, who compete with each other to work in the Office of the Minister. In addition, this creates extra points of contact in the Office of the Minster which more often than not is likely to compromise both the security and the confidentiality of that office, quite apart from generating unwarranted pressures. This situation is neither proper nor health, and deserves to be strongly discouraged.

3. In order to curb the malaise, it has been decided at the level of PM to take the following remedial measures immediately:-

   i. A blanket ban be imposed on informal attachment of persona staff from subordinate formations of the Ministry, including the public sector undertakings.

   ii. Half of the staff in excess over the sanctioned strength be returned by the Minster’s Office immediately. The other half should be returned after the next 15 days, if the Department of Expenditure does not, in the meantime, concur with the justification for an addition to the staff strength of the Minister’s Office. While Secretary, Expenditure will examine any proposals sympathetically, there should be no relaxation of these time limits without the prior approval of the Prime Minster.

   iii. Disbursement of pay to the staff attached informally to the Minister’s Office should not be made unless the Joint Secretary (Administration) has certified that such staff is working against a post sanctioned for the office of the Minster, where pay is drawn from a subordinate formation, a similar prescription would apply.

4. Action taken in pursuance of the above may kindly be intimated to me by February 15, 1998.

Department of Personnel & Training

*****

New Delhi, dated the 22nd February, 2010

OFFICE MEMORANDUM

Subject: Utilisation of the facilities of Central Public Sector Enterprises (CPSEs)

Instructions regarding.

1. The undersigned is directed to say that the utilization of facilities from Central Public Sector enterprises by officials of Ministries/Departments administering the respective CPSEs has been under the review of the Government. The issue was considered by the Committee of Secretaries and thereafter by a smaller group of Secretaries consisting of Secretary(DOP&T), Secretary Expenditure) and Secretary, Department of Public Enterprises. Comments and views of various Ministries were obtained.

2. It is noted that the Government has already liberalized procurement of computers for official purpose and laptops can be given to Deputy Secretary and above levels on functional requirement basis. Reimbursement of telephone charges has been fixed at a liberal scale. Purchase of new vehicles on functional requirement is being permitted and instructions also exist for hiring of private vehicles to augment the Government fleet to meet functional requirements. Facilities like fax, AC etc. to individual officers are provided by the concerned Ministries as per requirements. The ceiling on consumption of diesel/petrol in staff car has been fixed at a reasonable level. Therefore, the existing instructions already cater to the issue of providing requisite facilities to officers based on the requirements of modernising Government offices.

3. On the findings of the above Committee, the Government has decided that there is no need to access any infrastructure facilities of the CPSEs by the officials of the Central Government. The Ministries/Departments are accordingly requested to issue suitable instructions to all concerned for not utilising the infrastructure of any CPSEs by the officers/staff in the Government Departments and that any such use shall attract suitable action against them. Any manpower/other facilities from CPSEs already being availed by the Ministries/Departments will be returned by the concerned Ministries at the earliest and definitely before 31st March 2010. If, for any exceptional circumstances, any officer, for a bonafide purpose related with official duties connected with the CPSE entrusted to him, has to utilise the facility from a CPSE, the Secretary in the Ministry/Department will have to authorise such usage for specific period after careful assessment of the situation.
4. It is clarified that the above guidelines shall also be applicable to use of facilities from autonomous organizations under the Government.

To

The Secretaries of all the Ministries/Departments of the Government of India.

Copy to:

(iv) The Central Vigilance Commission.
OFFICE MEMORANDUM

arrangements.

The Expenditure Reforms Commission in its Tenth Report relating to the Department of Expenditure has made general recommendations which are not covered under various reports submitted by the Commission. One such recommendation relates to 'informal arrangements' and is reproduced below:

7.41 There should be a prohibition on drafting of officials from the PSUs to work "informally" in the offices of ministers/ministries; that is to say, an arrangement by which they continue to draw their emoluments from their parent organisations but work in a ministry or are attached to the offices of ministers. If any minister ministry needs staff in excess of the sanctioned strength, then it would have to be justified before the Cabinet.

2. All the administrative Ministries/Departments are requested to take note of the above recommendations for information and guidance. The Public Enterprises under their administrative control may also be advised suitably in the matter.

Deputy Secretary to the Govt. of India
Phone: 4360624

All administrative Ministries/Departments
(Secretaries by name)

Copy to:

2. Financial Advisers of all administrative Ministries/Departments.

3. Chief Executives of all Central Public Enterprises.

4. Heads of Divisions in DPE.

Deputy Secretary to the Govt. of India
consolidated orders concerning entitlement of personal staff of Ministers were issued by Department’s O.M.No.8/3/92-CS.II dated January 14, 1994. It was stipulated specifically in O.M.No.8/5/85-CS.II dated August 6, 1991 that no additional staff, even on informal basis, should be drawn from the main establishment of the Ministry/Department concerned for performing duties of personal staff of the Ministers. Despite these instructions, it has been noticed that additional staff has been provided to the Ministers above their entitlement on an informal basis.

2. You will appreciate that the practice of subordinate staff from the Ministry and subordinate offices attached with Minister’s Office has an adverse impact on the operations of the Ministry as the Ministries deprived of the services of its best personnel, who compete with each other to work in the Office of the Minister. In addition, this creates extra points of contact in the Office of the Minister which more often than not is likely to compromise both the security and the confidentiality of that office, quite apart from generating unwarranted pressures. This situation is neither proper nor health, and deserves to be strongly discouraged.

3. In order to curb the malaise, it has been decided at the level of PM to take the following remedial measures immediately:-

i. A blanket ban be imposed on informal attachment of personal staff from subordinate formations of Ministry, including the public sector undertakings.

ii. Half of the staff in excess over the sanctioned strength be returned by the Minister’s Office immediately. The other half should be returned after the next 15 days, if the Department of Expenditure does not, in the meantime, concur with the justification for an addition to the staff strength of the Minister’s Office. While Secretary, Expenditure will examine any proposals sympathetically, there should be no relaxation of these time limits without the prior approval of the Prime Minister.

iii. Disbursement of pay to the staff attached informally to the Minister’s Office should not be made unless the Joint Secretary (Administration) has certified that such staff is working against a post sanctioned for the office of the Minister, where pay is drawn from a subordinate formation, a similar prescriptive order would apply.

4. Action taken in pursuance of the above may kindly be intimated to me by February 15, 1998.

श्री. संदीप कुमार, अनुभाग अधिकारी (आर.षी. 1-2)/केन्द्रीय लोक सूचना अधिकारी
विषय:—

श्रीमान जी,

निवेदन है कि मेरी एक Revision Petition No. 10/(01)/2013/RC-II जो हमने आपके समक्ष Under Mineral Concession Rule 54 of 1960 and under M.M.RD Act 1957 के Section 30 के अनुसार पेश की थी। जिस पर आपने हमें अपने Letter No. 01/01/2016/RC-II Dated 9-2-2016 द्वारा हेयरिंग के लिए दिनांक 25/2/2016 को बुलाया था। उसी अनुसार हम दिनांक 25/2/2016 को अपने वकील के साथ पेश हुए थे। Hearing Revisional Authority Sh. Niranjan Kumar Singh Joint Secretary के समक्ष होनी थी। परन्तु उस दिन Revision Authority किसी मिटिंग के कारण Busy थे। सक्षम अधिकारी लंच से केवल 10 मिनट पहले Aluminium Room No. 101 D Wing में Hearing के लिए प्रवेश किया। लिस्ट में Distt. Mohindergarh का No 1 केस हमारा था बाकी case 29 Distt. Gurgaon के थे। उस दिन गुजरांव के सभी 29 केस Adjourn हो गये थे केवल हमारे केस में ही हेयरिंग होनी थी। जिस पर सक्षम अधिकारी ने कहा कि समय की उपलब्धता नहीं है। इसलिए इस केस को As per File Inspection करके Comments or Counter Comments को अवलोकन करके मैंने पर Decide करके Decision आपको Convey कर दिया है।
परम्परा हमें आज दिन तक हमारी Revision Petition No. 10/(01)/2013/RC-II पर न तो Decision मिला है तथा नहीं Further Hearing मिली है। अतः आपसे प्रार्थना है कि हमें R.T.I. 2005 के अनुसार हमें सूचना उपलब्ध कराये कि हमारी Revision Petition पर भारत सरकार ने क्या निर्णय लिया है तथा फिर हमारी File further Hearing के लिए Pending है। इसकी सूचना देने की कृपया करें।

आपकी अति कृपया होगी।

इस आवेदन पत्र के साथ रूपये 10/- का पोस्टल आईर नो 31F724399 का आवेदन शुल्क पत्र के साथ लगा रहे हैं।

Subject: Transfer of RTI application under RTI Act, 2005

An RTI application, dated 30.05.2016, of Shri Dharampal S Kapoor received on transfer from the Ministry of Home Affairs vide their letter No.A-42012/43/2016-AD.II dated 24/06/2016 in the RTI Cell of DOPT, is further transferred under section 6 (3) to Department of Expenditure for providing information on column 2-5 as the data of total number of Government Employees in all Departments is not maintained in DoPT but is compiled in D/o Expenditure.

For the remaining information sought by applicant in columns 6-39 of his Application regarding number of employees across all Government Departments who are facing departmental/judicial action, under suspension, dismissed etc. it is submitted that to the best of the knowledge of this CPIO (who deals with the nodal RTI Cell of DoPT), such data is not compiled centrally by any CPIO or Public Authority but is in fact scattered across all Departments.

Accordingly, copy of your RTI Application dated 30.05.2016 is being transferred under section 6 (3) to all Departments in the Government of India (except MHA), to provide you information in their records. The RTI Application is also being marked to the CPIOs in DoPT, dealing with vigilance matters of various cadres/services to provide any available information in their records.  

Encl: as above.

No. A-42012/42/2016-Ad.II  
Government of India/Bharat Sarkar  
Ministry of Home Affairs/Grih Mantralaya

North Block, New Delhi,  
Dated 24th June, 2016

To  
Sh. Dharampal S. Kapoor,  
R/o Flat No. 102, Sai Mahal,  
Behind Prabhat Garden, Ulhasnagar-5,  
Distt Thane  
Pin: 421005.

Subject: - Information sought under RTI Act, 2005.

Sir,

Reference is invited to your application dated 16.06.2016, received in Ad.II Section, MHA on 17.06.2016, seeking information under RTI Act, 2005.

2. In this regard, it is stated that the information regarding the total number of employees in all Govt. Departments, is not held by this Ministry. However, some information in this regard may be available with DoPT, therefore, your RTI application is being transferred to DoPT under Section 6(3) of the Right to Information Act, 2005.

3. As regard information about the total number of employees in Ministry of Home Affairs, your application is being forwarded to all attached and subordinate offices of MHA under Section 6(3) of the Right to Information Act, 2005.

4. So far as information regarding total number of employees in MHA(P) is concerned, it is informed that the undersigned CPIO is concerned with the service matter of Gr.'B'(non-Gazetted) officers of CSS, Gr.'C' officials of CSCS cadre and Gr.'C' (erstwhile Gr.'D') staff of MHA(P). The data as presently held by the undersigned CPIO as per Section 2(f) of the RTI Act, is in the following form:-

सेवा में,  
माननीय खान मंत्री महोदय  
भारत सरकार  
शास्त्री भवन, नई दिल्ली  

विषय := हिंदुस्तान कॉपर लिमिटेड की ईकाइयों आई.सी.सी.10 द्वारा संचालित विद्यालयों की समस्या।  

मान्यता,  
कृपया अवश्यक हस्ताक्षर और समुचित आदेश पाने के लिए मुख्य निम्नलिखित निर्देशन करने की  
अनुमति दें।  

1. हमने 4 सितम्बर 2014 को माननीय प्रधानमंत्री महोदय की सेवा में एक आवेदन किया था  
जिसमें भारत सरकार के एक डॉग हिंदुस्तान कॉपर लिमिटेड की एक ईकाइयों आई.सी.सी.10  
द्वारा किए गए अन्याय की ओर ध्यानाकर्षण किया था। आवेदन में आई.सी.सी.10 द्वारा संचालित  
विद्यालयों की समस्याओं का उल्लेख था। उनके मनमाने व्यवहार का उल्लेख था।  

2. हमने पुन: 23.05.2015 को एक आवेदन माननीय प्रधानमंत्री महोदय के समक्ष किया। इसमें हमने  
उल्लेख किया कि भारत सरकार के खान मंत्रालय ने 13 अप्रैल 2015 के पत्र द्वारा  
एसी.सी.एल/आई.सी.सी.10 के अध्यक्ष तथा प्रधान सचिव को यथार्थता कार्यालय करने हेतु  
निर्देश दिया है।  

3. मंत्रालय के हस्तक्षेप के बावजूद मुख्य एसी.सी.एल/आई.सी.सी.10 ने कुछ सूचना नहीं किया।  

4. प्रधान मंत्री कार्यालय ने लोक उपक्रम मंत्रालय के द्वारा खान मंत्रालय को जाँच करने एवं  
अपने स्तर से समुचित कार्यालय के लिए पत्र भेजा। इसमें भारत सरकार के अरब सचिव ने पत्र  
को अप्रोप्रेट करने का उल्लेख किया था।  

5. बार बार निर्देशन के बावजूद हमें जीवंत रिपोर्ट के विषय के बारे में किसी भी सूचना नहीं मिली।  
किसी कार्यालय के सम्बन्ध में भी हम अनजान हैं।  

मुख्य निर्देशन करता है कि खान मंत्रालय द्वारा की गई जीवंत रिपोर्ट की प्रतिलिपि दी  
जाए और भारत सरकार के एक उद्देश्य द्वारा किए गए अन्याय, अन्यायाधर्म और मनमाने व्यवहार  
के विरुध्द हुई कार्यालय से अवगत कराया जाय। जीवंत रिपोर्ट की जानकारी पाकर हम आमारी  
रहेंगे।  

कृपया इस अमान्यवीत कृत्यों के विरुध्द हमें न्याय अपलब्ध कराने में मदद की जाय।

To
The Under Secretary and Chief Public Information Officer,
Mines II, Ministry of Mines (GSI Estt matters) Room no. 312 D,
Ministry of Mines, Shastri Bhavan
New Delhi -110001

Subject: Information under the RTI Act 2005

Dated 18th July 2016

Sir,

The following information is sought under the RTI Act 2005:-

(1) This has reference to Office Order no. 3582/ A/A-19011/NFU/2014/19A dated 23/06/2014 by the Director General, GSI, regarding the officers of the Central Geological Service, in the grade of Director (Geology) in the GSI (P.B. 4) totaling 116 (one hundred and sixteen only), who have been granted NFU to next higher grade (DDG (Geology)) in P B 4 with effect from the dates as mentioned in the Annexure-I.

(2) This also has reference to letter no. F. No. 27/24/2015- M. II dated 27.08.2015 from one Smt Farida Naik, Director, Ministry of Mines, New Delhi to the Director General, GSI. The letter asks the DG, GSI, to unilaterally recover the “over payment” of transport allowance, that has been made to officers on the grant of NFU in the higher pay scale.

(3) In the letter to the DG, GSI, cited in sl.no. 2 above, by Ms Farida Naik, Director, under what rules, there was no mention of issuing a show cause notice to the officers, including the undersigned under principles of natural justice, for the recovery of so called “overpayment” transport allowance paid as arrears?

(4) Unilateral recovery was resorted to by the GSI under such illegal orders from Ms Farida Naik, Director, under what rules?
(5) Copies of all the relevant government rules applied or interpreted by the Ministry of Mines, to deduct the so called “overpayment” of transport allowance as arrears to the undersigned may please be provided.

(6) While issuing the letter listed in sl. No. 2, did Ms Farida Naik, Director, refer to the Hon’ble Supreme Court judgment in the matter of Shyam Babu Verma vs Union Of India decided on 8 February, 1994 [1994 SCR (1) 700 1994 SCC (2) 521; JT 1994 (1) 574 1994 SCALE (1)459], the relevant para 11?

(7) If so, under what rules is there no mention of any such reference of the Hon’ble Supreme Court judgment in the letter cited in sl.no. 2 by Ms Farida Naik, Director?

(8) That the letter cited in sl.no. 2 by Ms Farida Naik, Director, is violative of the above cited Hon’ble Supreme Court judgment as in sl. No. 6. Is the official aware of such violation?

(9) Please provide a list of all officers since the past five years, who have got NFU in all posts in your Ministry of Mines (MoM, IBM, GSI, JNARDC, NIMH and all govt departments) and who have been paid such arrears of transport allowance.

(10) Please provide a list of all officers in your Ministry of Mines (MoM, IBM, GSI, JNARDC, NIMH and all govt departments) since the past five years, who got NFU in all posts and the transport allowance was deducted from the arrears in and who have been paid such arrears of transport allowance.

(11) Please state the total amount so paid and recovered as “overpayment” of transport allowance during the grant of NFU?
You may please reply to the above queries within the TIME LIMITS.

Yours faithfully,

Subject: Information under RTI Act, 2005-Reg.

Sir,

Please refer to your online RTI application dated 18.07.2016 received in the Ministry under PI cell U.O. No. 2/163/2016-PI dated 26.07.2016. Sl. Nos. (1) & (2) are references only. Therefore, the reply to Sl. Nos. (3) to (11) are as follows:

(3) The instruction for recovery of “overpayment” of transport allowance on granting NFU, were issued as per the extent instructions on the subject which are available on the public domain.

(4-5) All relevant Govt. rules for recovery of “overpayment” of transport allowance are available on the public domain.

(6-8) The instructions are issued as per the Department of Expenditure OM No. 21(2)/2008-E-II(B) dated 05.03.2009 and DoPT OM No. 18/26/2011-Estt (Pay-I) dated 06.02.2014 (Copies enclosed) applicable in the matter of NFU to all Central Govt. employees.

(9-11) Under Ministry of Mines, one attached office is Geological Survey of India and Indian Bureau of Mines is a subordinate office. As per DoPT OM No. AB.14017/64/2008-Estt. (RR) dated 24.04.2009, the officers of only Group ‘A’ organized services are eligible for NFU. These rules are not applicable for IBM, JNARDC or NIMH and the same are applicable only in case of GSI. In GSI there are four organized services namely Central Geological Service, GSI Geophysical service, GSI Chemical service and GSI Engineering Service and NFU is granted to officers of only these four services. Therefore, the information sought by you under points (9-11) pertains to GSI and hence a copy of your application is hereby transferred to GSI under Section 6(3) of RTI Act, 2005 for furnishing the reply to you directly within stipulated period.

2. Further, DoPT vide its OM No. 1/7/2009-IR dated 01.06.2009 clarified that “the definition of information can not include answers to the questions like ‘why’. Justifications are matter within the domain of adjudicating authorities and cannot
properly be classified as information. As per section 2(f) of the Act “Information” means any material in any form but it does not mean CPIO shall reshape the information or create information or to take action on a representation. Implementation of recommendation of UPSC requires approval of competent authority which is an administrative process.

3. If you are not satisfied with the information provided above, you may appeal to the First Appellate Authority, Ms. Farida M Naik, Director, Ministry of Mines, Shastri Bhavan, New Delhi – 110001 under the provisions of the RTI Act, 2005.

Yours faithfully

(Ravinder Kumar)
Section Officer/CPIO

Sub: Request for information under the RTI Act:

Sir,

This refers to the MMDR Amendment Act 2016, notified on 6th May 2016 under which a proviso to sub section 6 of the section 12A of the Principal Act, has been inserted which reads as under:

‘Provided that where a mining lease has been granted otherwise than through auction and where mineral from such mining lease is being used for captive purpose, such mining lease may be permitted to be transferred subject to compliance of the terms and conditions and payment of such amount of transfer charges as may be prescribed’.

There is no clarity pertaining to the following aspects or situations, which I would kindly request you to clarify.

1) Does the Lessee need to set up the plant on their own before transfer of such mines which they are holding lease obtained otherwise than through auction, in cases where the associated end use plant is yet to be set up by the lessee.

2) Can the lessee transfer the mines to anybody by paying transfer charges to the Government as per the rules, and that transferee may set up the associated cement plant on its own?

3) Can such transferee use the mineral to any of the presently operational plants for captive use?

I shall be thankful if you could kindly clarify the above aspects. The requisite fee is enclosed herewith.

Kind Attention :- Mr. Kamlesh Gauba

Subject :- Your reply Letter vide No. RTI-01/47/2016-PI dated 12.07.2016 in the RTI filled by us.

Dear Sir,

In reference to the subject mentioned above you have asked the applicant to deposit the require application fee of Rs. 10/- only and has returned us our applied Pay Order No. 19G 880340 of Rs. 20/-. It is to bring in your kind notice that the Pay Order of Rs. 10/- were not available at the Raipur Post Office therefore higher value was sent. Anyway the returned Pay Order as filled in is also now of no further use which might have been entertained by your Department to provide the RTI on the same.

As now again we are sending our RTI Application to you in complete manner along with Demand Draft vide No.727580.... dated 28.07.2016 in name of “Pay & Accounts Officer, Ministry of Mines, New Delhi” of Rs. 10.00 only. Kindly process our application this time and request to expedite the information sought as already much time is already incurred w.r.t our original application date being 07.07.2016.

Kindly do the needful and find the attachment along with this letter for your perusal which are as follows :-

1) Original RTI Application
2) Demand Draft of Rs. 10/- vide DD No ....727580 dated 28.07.2016.

No. RTI-01/47/2016-PI

New Delhi, dated 12.07.2016

To,

श्री शंकर जाशोदिया,
184, समता कालानी,
रायपुर (छ.ग.)

Subject: Application filed under the Right to Information Act, 2005.

Sir/Madam,

Reference your RTI application dated 07.07.2016 for providing information / documents under the RTI Act, 2005. RTI application fee enclosed with the application in the form of Indian Postal Order No. 19G 880340 of Rs. 20/- is returned herewith.

2. The following defects / deficiencies were observed in your above referred RTI application(s):
   (a) The fee of Rs. 10/- has not been remitted, which is mandatory for all applicants other than those in the Below Poverty Line (BPL) category.
   (b) The fee has been remitted by way of Court Fee Stamp(s)/Non-Judicial Paper/Account Payee Cheque/Postage Stamp(s), which is not a valid mode of payment of fee under the Act.
   (c) The DD/IPO/Bankers Cheque has been furnished for an amount of Rs. 20, which is not the fee prescribed under the Act.
   (d) The DD/IPO/Bankers Cheque is not in favour of the correct authority. It should be payable to the “Accounts Officer, Ministry of Mines” or “Pay & Accounts Officer, Ministry of Mines”.

3. As per “Right to Information (Regulation of Fee and Cost) Rules, 2005, the requisite information can be provided to you on depositing requisite application fee of Rs. 10.00 only. The same may be deposited in the form of Demand Draft/Bankers Cheque or Indian Postal Order in favour of ‘Accounts Officer, Ministry of Mines’ or ‘Pay & Accounts Officer, Ministry of Mines, New Delhi’ by post or deposited by Cash personally/by bearer at ‘Information Counter, Ministry of Mines, at the basement of Shastri Bhawan, Dr. Rajendra Prasad Road, New Delhi-110 001.’

4. The stipulated time of 30 days for providing information to you will be counted from the date of receipt of RTI application fee in this Ministry.

   Yours faithfully,

To

The Secretary to the Govt. of Madhya Pradesh,
Mineral Resources Department,
“Mantralaya”, Bhopal, Madhya Pradesh.

Sub: Recommendation from the State Government about PL for iron ore
and manganese ore over an area of 11.250 hectares in village Bareli,
District-Katni, Madhya Pradesh in favour of M/s Jakhodia Mineral.

Sir / Madam:

We are in receipt of the proposal from the State Government seeking
prior approval of the Government of India under Section 5(1) of the MMDR
Act, 1957 with the following details:

Area details (11.250 hectares)
Survey Number details,
Village, etc. (Bareli)
District (Katni)

2. The matter has been examined. The proposal pertains to a non-
notified area and the recommended applicant is first applicant over the
subject area.

3. This is a case where the area has not been notified by the State
Government.

4. Attention is invited to the opinion of the Supreme Court dated 27th
2012 on the Presidential reference. The Supreme Court had opined that
while auctions are not a necessary condition for disposal of natural
resources, the procedure followed by the Government will have to confirm
to the requirements of Article 14 of the Constitution. The scope of testing
of executive action against Article 14 has been explained as follows:

"The action has to be fair, reasonable, non-discriminatory, transparent, non-
capricious, unbiased, without favouritism or nepotism, in pursuit of
promotion of healthy competition and equitable treatment. It should
conform to the norms which are rational, informed with reasons and guided by public interest, etc. All these principles are inherent in the fundamental conception of Article 14. This is the mandate of Article 14 of the Constitution of India”. (para 105)

5. In the said opinion, the Supreme Court has quoted an earlier judgment where it has been held that any departure from this rule of inviting public tenders / participations should be supported by rational and compelling reasons and should not be suggestive of discrimination.

6. Transparency in our work is both a continuing and a common endeavour between the State Governments and the Government of India. The Government has recently reviewed and discussed with State Governments the pendency of applications for grant of mineral concessions and how to meet the challenges being faced in the mining sector. Therefore, to infuse greater transparency and instill credibility, the Ministry has taken a decision that, in all cases for grant of prior approval of the Central Government in cases of non-notified areas, to advice State Governments to notify such areas. On a transparency scale, notified cases would rank higher than the non-notified cases.

7. Accordingly, the State Government is advised to examine the case and consider notifying it. In case the State Government in its wisdom considers that such a notification is not warranted, then specific and compelling reasons for not doing so may be adduced.

8. We are keeping the concerned file alive in our office for a period of six months from today hoping to receive your response by then. If no response is received, then the file will be closed.

Yours faithfully,

OFFICE MEMORANDUM

Subject: Transfer of RTI application under RTI Act, 2005

An RTI application, dated 13.07.2016, of Shri Satpal Singh received in the RTI Cell of DOPT, is being transferred under section 6 (3) to all Departments in the Government of India (except MHA), to provide you information in their records as it is submitted that to the best of the knowledge of this CPIO (who deals with the nodal RTI Cell of DoPT), such data is not compiled centrally by any CPIO or Public Authority but is in fact scattered across all Departments.

2. The RTI Application is also being marked to the CPIOs in DoPT, to provide any available information in their records. Application fee of Rs. 10/- has been received in this Department by IPO No. 295458.

(D.K. Sengupta)

Respected Sir,

Enclosed please find herewith the copies of the order of the Hon’ble High Court Calcutta dated 22.07.2016. From this order it is apparent that due to non receipt of NOC (Clarification from your department as to whether Lease of Dolomite would be given under major/minor mineral as L.O.I/grant order was issued when Dolomite was major mineral).

On the above subject I have discussed with you on 26.07.2016 in your office chamber while I came to know from you that letters dated 16.07.2015 and reminder letter dated 29.12.2015 respectively issued by the C&IG Department Government of West Bengal has not been received by your office.

Sir, I will be highly obliged if your kind self issue a confirmation letter regarding non-receipt of the aforesaid letters by your office till 25.07.2016 (As on 26.07.2016 I handed over of those letter with a prayer for issuance of clarification) under the RTI act 2005.

I am enclosing herewith the application fee of Rs. 10 in the form of IPO.

Please treat this as most urgent & oblige.

Thanking you,

Yours faithfully,

Dinesh Agarwal

W. P.C.R.C. 188 (W) of 2015
in
W. P. 21358 (W) of 2014

Dinesh Agarwal & Anr.
Vs.
Kishore Suri Setti & Ors.

Mr. Amit Sharma
... For the applicants/petitioners.

Mr. Pramod Kumar Dutta, Sr. Advocate,
Mr. Tulsiadas Ray
... For the contemnors/respondents.

Re: CPAN 826 of 2016.

This contempt application appears to be the second such application moved before this Court in respect of an order dated 10th September, 2014, passed in 21358 (W) 2014 by Ashoke Kumar Dasadhikari, J. (since retired).

In the initial contempt proceeding, being CPAN 550 of 2015, a Rule of contempt was issued, being W.P.C.R.C. 188 (W) of 2015. The Rule was finally discharged on 22nd July, 2015, with an observation that the petitioners were required to fulfil the conditions as contained in the order dated 16th July, 2015, in order to getting a deed of lease executed in their favour.

Now, in the present contempt application, the applicants/petitioners state that although they have fulfilled the requirements in terms of the order dated 16th July, 2015, the deed of lease is yet to be executed in their favour.

At the time of hearing of the matter, learned advocate representing the alleged contemnors/respondents invites this Court's attention to the order of 22nd July, 2015, passed in W.P.C.R.C. 188 (W) of 2015. He submits that that though the applicants/petitioners were required to fulfil all the conditions as stated in the order dated 16th July, 2015, clause ‘p’, i.e., with regard to furnishing of a conversion certificate from the appropriate authority under section 4C of the West Bengal Land Reforms Act, 1955), being one of the conditions as contained in the said order, was never fulfilled. That apart, the no objection certificate which was required to be obtained from the Government of India, in terms of clause ‘t’ is yet to be received by the alleged contemnors/respondents.
In such facts and circumstances, this Court is of the view that there is no
wilful, deliberate and contumacious violation of the order dated 10th September,
2014, passed in 21358 (W) 2014.

The petitioners are required to fulfil the conditions as stipulated in the order
dated 16th July, 2015, and furnishing of a conversion certificate from the appropriate
authority under section 4C of the West Bengal Land Reforms Act, 1955, is one of the
conditions as stipulated in the order dated 16th July, 2015. If the
applicants/petitioners are of the view that conversion certification is not required, as
sought to be submitted by the learned advocate appearing on their behalf, in that
event, the petitioners are always at liberty to question the order dated 16th July, 2015,
in terms of the observation made by this Court in the order dated 22nd July, 2015,
passed in the W.P.C.R.C. 188 (W) of 2015.

The contempt application is accordingly disposed of.

Sub: Grant of Mining Lease for Dolomite in respect of Plot Nos. 1759, 1805 in Mouza –
Khariduara, J.L.No. 176, Plot No.1 in Mouza- Kumari, J.L.No.249 and Plot Nos. 1041,
1042(P) in Mouza- Boch, J.L.No. 177 of P.S.: Manbazar, Purulia covering an area of
76.00 Acres (30.76 Hects.)

Sir,

I am directed to state that this department has issued grant order vide No.507-
CI/O/MAJ-MIN/02/08/MINES dated 16.07.2015 (copy enclosed) for Mining Lease for
Dolomite in respect of Plot Nos. 1759, 1805 in Mouza – Khariduara, J.L.No. 176, Plot
No.1 in Mouza- Kumari, J.L.No.249 and Plot Nos. 1041,1042(P) in Mouza- Boch,
J.L.No. 177 of P.S. Manbazar, Purulia covering an area of 76.00 Acres (30.76 Hects.) in
favour of Sri Dinesh Agarwal of M/S. Chiranjeeelal (Minerals ) Industries, Bagandih,
P.O. Jhalda, Purulia – 723 202. At the time the application was made by Sri Agarwal,
Dolomite was categorised as Major Mineral.

As you are aware, Mines & Minerals (Development & Regulations) Amendment
Ordinance 2015 was promulgated on 12.01. 2015 and thereafter notification No. SO 423
(E) dated 10.02.2015 was issued wherein Dolomite has been declared as Minor Mineral.

Hon’ble High Court Calcutta in order dated 10.09.2014 has directed to grant
mining lease to the petitioner. Since on the date of the said order, Dolomite was
categorised as major mineral, ‘NOC’ is required for execution of the Mining Lease in
favour of the petitioner.

In this circumstances above, I am directed to request you to kindly issue an
‘NOC’ in favour of Sri Dinesh Agarwal of M/S. Chiranjeeelal (Minerals) Industries,
Bagandih for grant of mining lease for mining of dolomite in compliance with Hon’ble
High Court order.

Yours faithfully,

Sir,

Please refer to your RTI application dated 20.7.2016 received through PI Cell UO No.2/174/2016-M.II dated 9.8.2016. The point wise information are as under:

(1) Supplementary DPC for the year 2015-16 and regular DPC for the year 2016-17 for promotion to the post of DDG(G) was held on 22.1.2016.
(2) Statement of occurrence of vacancies is enclosed herewith.
(3) In this regard, DOPT vide its OM No.1/7/2009-IR dated 1.6.2009 clarified that “the definition of information can not include answers to the questions like ‘why’. Justifications are matter within the domain of adjudicating authorities and cannot properly be classified as information. As per section 2(f) of the Act ‘Information” means any material in any form but it does not mean CPIO shall reshape the information or create Information or to take action on a representation. Implementation of recommendation of UPSC requires approval of competent authority which is an administrative process.

If you are not satisfied with this reply, you may file 1st appeal within 30 days of receipt of this letter to the concerned First Appellate Authority i.e., Smt. Farida M. Naik, Director, Ministry of Mines, Shastri Bhawan, New Delhi-110001 under RTI Act, 2005.

Subject: Application filed under the Right to Information Act, 2005.

Sir/Madam,

Reference your RTI application dated 15.07.2016 for providing information/documents under the RTI Act, 2005. RTI application fee enclosed with the application in the form of Indian Postal Order No. 366 016312 of Rs. 10/- is returned herewith.

2. The following defects/deficiencies were observed in your above referred RTI application(s):
   (a.) The fee of Rs. 10/- has not been remitted, which is mandatory for all applicants other than those in the Below Poverty Line (BPL) category.
   (b.) The fee has been remitted by way of Court Fee Stamp(s)/Non-Judicial Paper/Account Payee Cheque/Postage Stamp(s), which is not a valid mode of payment of fee under the Act.
   (c.) The DD/IPO/Bankers Cheque has been furnished for an amount of Rs. -, which is not the fee prescribed under the Act.
   (d.) The DD/IPO/Bankers Cheque is not in favour of the correct authority. It should be payable to the “Accounts Officer, Ministry of Mines” or “Pay & Accounts Officer, Ministry of Mines”.

3. As per “Right to Information (Regulation of Fee and Cost) Rules, 2005, the requisite information can be provided to you on depositing requisite application fee of Rs. 10.00 only. The same may please be deposited in the form of Demand Draft/Bankers Cheque or Indian Postal Order in favour of ‘Accounts Officer, Ministry of Mines’ or ‘Pay & Accounts Officer, Ministry of Mines, New Delhi’ by post or deposited by Cash personally/by bearer at ‘Information Counter, Ministry of Mines, at the basement of Shastri Bhawan, Dr. Rajendra Prasad Road, New Delhi-110 001.’

4. The stipulated time of 30 days for providing information to you will be counted from the date of receipt of RTI application fee in this Ministry.

Yours faithfully,

(Stamp) Kamlesh Gaba

Subject: Prayer for investigation into reckless and useless spending of public money by Geological Survey of India, Northern Region, Lucknow, officers in unnecessary litigations and court cases one after another.

Sir,

The applicants have to submit as under:

1. That the applicants were found fit and eligible by the Compassionate Appointment Committee and the recommendations were approved by the competent authority and letter of assurance was issued that appointment letters would be issued, but, unfortunately, the vacancies meant for eligible and selected candidates for compassionate appointments have been sold out for illegal considerations, due to corruption, nepotism, favouritism, to certain ineligible, near and dear ones, candidates, and the posts were never offered to the applicants, as a result, court cases bearing O.A. No. 299/06 and 303/06 and contempt cases bearing C.C.P. No. 52/07 and C.C.P. No. 50/07 were filed; then again assurance were given in affidavit in the C.A.T. Lucknow, but, again vacancies were sold out and the applicants were left high and dry. Then the GSI, NR, Department filed six writ petitions (all futile and frivolous) before the Hon'ble High Court Lucknow, against such orders of C.A.T. Lucknow Bench and ultimately after 8-9 years all the writ petitions including writ Petitions No. 1326/2007 and 1327/2007 all have been dismissed and the C.C.Ps have been revived. Then two other O.As Nos. 303/2016 and 309/16 have again been filed against the Department and an order, similar in nature, in both O.As. have been passed by the C.A.T. Lucknow Bench dated 15.7.2016, in which in the 4th, 5th and 6th lines the Hon'ble Tribunal has noted that 'there have been various rounds of litigation between the parties with no result. Also many others have been given appointments in the interim period.' (Copies of all the orders enclosed).
2. That, thus, certain corrupt elements in the offices of GSI, NR, Lucknow, have deliberately and purposely denied the applicants and such other persons of their due appointments, by resorting to endless court cases one after another and have wasted recklessly the precious govt. money in futile court exercises which have given rise to more and more litigations and in the meantime a lot of govt. money has been wasted by these malafide and ill-intentioned elements who have also forced the poor applicants and others to lose money and precious time seeking remedies in courts for years together while the family have suffered and suffered endlessly. These futile court exercises and reckless spending of public money in futile court exercises and court proceedings with malafide intents needs to be investigated and such tendencies among the unscrupulous, corrupt and malafide officers who have no regard for austerity policies of the Govt. of India, needs to be curbed immediately, and justice should be done to the poor applicants, in the interest of justice.

**PRAYER**

Wherefore, it is most humbly prayed that the legal expenses and other related expenses of the officers and offices of Geological Survey of India, esp. the Northern Region, Lucknow, be extensively investigated, the collusion and malafide intents, be investigated, and the guilty officers be punished after conducting full and deep audits and investigations of such expenses, which is surely an unnecessary burden on the public exchequer/money.

Office of the Minister of State (I/C) for Mines
Dy. No. 731
Date. 2.5.06.16

Office of MoS (I/C) Mines
RECEIVED
On. 2.3.18.12.16
Subject: Immediate grant of sanction for prosecution of Geological Survey of India officers in compliance with the orders of the Hon'ble High Court Lucknow Bench dated 05.01.2015 in W.P.No.12866(M/B)/2015

Sir,

The applicant has to submit as under:

1. That the matter of heavy corruption in offices of Geological Survey of India, esp. Northern Region office at Lucknow, regarding appointments made in compassionate quota, disabled quota, contingent/non-regular workers etc. was reported to the police thereafter, the matter is pending in the court of Chief Judicial Magistrate, Lucknow, vide Cr.Misc. Case No.58956/14, and a writ petition in the Hon’ble High Court Lucknow Bench was filed vide W.P.No.12866(M/B)/2014 in which final order was passed providing for three months time for the concerned government to grant sanction for prosecution the concerned government is the Central Government and the Department is Ministry of Mines, Department of Mines, Geological Survey of India. (copy of order enclosed).

2. That the applicant filed applications for grant of sanction alongwith the copy of the order of the Hon’ble High Court vide his applications dated 20.01.2015 (copies enclosed) but, unfortunately, despite several reminders (copies enclosed) the requisite sanction for prosecution has not been granted by the concerned Government/Department.

3. That the matter is being delayed inordinately hence the necessity of this reminder before approaching the Hon’ble High Court again for remedy.

4. Kindly grant immediate sanction for prosecution of named accused govt. servants as per law.

Min. of Mines,
Room No. D-314,
Shastri Bhawan,
New Delhi-110 001.
Subject: Prayer for investigation into reckless and useless spending of public money by Geological Survey of India, Northern Region, Lucknow, officers in unnecessary litigations and court cases one after another.

Sir,

The applicants have to submit as under:-

1. That the applicants were found fit and eligible by the Compassionate Appointment Committee and the recommendations were approved by the competent authority and letter of assurance was issued that appointment letters would be issued, but, unfortunately, the vacancies meant for eligible and selected candidates for compassionate appointments have been sold out for illegal considerations, due to corruption, nepotism, favouritism, to certain ineligible, near and dear ones, candidates, and the posts were never offered to the applicants, as a result, court cases bearing C.A.No.299/06 and 303/06 and contempt cases bearing C.C.P.No.52/07 and C.C.P.No.50/07 were filed then again assurance were given in affidavit in the C.A.T. Lucknow, but, again vacancies were sold out and the applicants were left high and dry. Then the G.J.N.R. Department filed six writ petitions (all futile and frivolous) before the Hon'ble High Court Lucknow, against such orders of C.A.T. Lucknow Bench and ultimately after 8-9 years all the writ petitions including writ Petitions No.1326/2007 and 1327/2007 all have been dismissed and the C.C.Ps have been revived. Then two other O.As.Nos.303/2016 and 309/16 have again been filed against the Department and an order, similar in nature, in both O.As. have been passed by the C.A.T. Lucknow Bench dated 18.7.2016, in which in the 4th, 5th and 6th lines the Hon'ble Tribunal has noted that 'there have been various rounds of litigation between the parties with no result. Also many others have been given appointments in the interim period.' (Copies of all the orders enclosed).
2. That, thus, certain corrupt elements in the offices of GSJ, NR, Lucknow, have deliberately and purposely denied the applicants and such other persons of their due appointments, by resorting to endless court cases one after another and have wasted recklessly the precious govt. money in futile court exercises which have given rise to more and more litigations and in the meantime a lot of govt. money has been wasted by these malafide and ill-intentioned elements who have also forced the poor applicants and others to lose money and precious time seeking remedies in courts for years together while the family have suffered and suffered endlessly. These futile court exercises and reckless spending of public money in futile court exercises and court proceedings with malafide intents needs to be investigated and such tendencies among the unscrupulous, corrupt and malafide officers who have no regard for austerity policies of the Govt. of India, needs to be curbed immediately, and justice should be done to the poor applicants, in the interest of justice.

**Prayer**

Wherefore, it is most humbly prayed that the legal expenses and other related expenses of the officers and offices of Geological Survey of India, e.g. the Northern Region, Lucknow, be extensively investigated, the collusion and malafide intents, be investigated, and the guilty officers be punished after conducting full and deep audits and investigations of such expenses, which is surely an unnecessary burden on the public exchequer/money.

**Enclosed**

All the orders and letters relevant on the subject.

MOST URGENT/SPEED POST

Dated: 28.10.2013

Shri S. B. Doval,
Deputy Secretary to the Govt. of India,
Ministry of Mines,
Shastri Bhawan,
New Delhi – 110 001.

Sir,

Your kind attention is invited to the CCS (RSA) Rule No. 5 (d)(i), [prescribing minimum 35% membership], Rule No. 7 [verification of membership through check off system] (copy enclosed-Annexure-I) and Para 1(viii) of DOPT OM No. 2/10/80-JCA, dated 31.01.1994 (copy enclosed-Annexure-II) [prescribing the Competent Authority for approval of recognition of Service Association as Hon’ble Minister of Administrative Ministry], wherein the provisions are existing for “Recognition of Non-Gazetted Employees Service Association” who secured minimum 35% of man-in-position in the respective total category [i.e. for Composite Association] and Cadre [in respect of cadre based association], through check off system with the approval of Hon’ble Administrative Ministry.

2. The DG, GSI vide his Circular No. B-11013/11/2012-SWC/Vol.II, dated 09.10.2013 [copy enclosed as Annexure-III] has decided to verify the membership of Service Associations of non-gazetted employees in GSI from the pay roll deduction of subscriptions of Associations for the month of September, 2013 [i.e. under check off system]. Accordingly, the verified membership position in respect of each Service Association of Non-Gazetted employees GSI for the month of September, 2013 in
The data given in the above table [Annexure-IV] indicate that only the following Associations of non-gazetted employees are meeting the basic requirement of minimum 35% of membership.

<table>
<thead>
<tr>
<th>Name of the Association</th>
<th>Nature of Association</th>
<th>Percentage of Membership</th>
</tr>
</thead>
<tbody>
<tr>
<td>GSI Employees’ Association (GSIEA)</td>
<td>Composite</td>
<td>44.09%</td>
</tr>
<tr>
<td>GSI Drivers’ Union (GSIDU)</td>
<td>Cadre based</td>
<td>59.4%</td>
</tr>
<tr>
<td>GEODESY</td>
<td>Cadre based</td>
<td>45.61%</td>
</tr>
</tbody>
</table>

Therefore, the DG, GSI recommends for recognition of above 3 (three) Associations of Non-Gazetted Associations mentioned in the table given in the para-3 above for a period of five years.

4. In addition to the above, the DG, GSI recommends for recognition of “2nd composite association of Non-Gazetted Employees” namely GSI Employees’ Association (822) [GSIEA(822)] mentioned at Sl. No. 2 in the Annexure-IV in terms of additional/extended provisions given under CCS (RSA) Rule No. 5 (d)(i), for a period of 5 years.

5. The draft terms and conditions to be followed by the Recognised Service Associations of non-gazetted employees are indicated in Annexure-V enclosed. The memorandum of Association, Article of Associations, Audit report of Associations as furnished by them are also enclosed as per details given in Annexure-VI.

6. In view of the ensuing 7th Central Pay Commission, it is necessary to have recognized Service Associations in position in GSI. Therefore, the matter may be considered on priority basis for recognition of Service Association as stated above.

This issues with the approval of the DG, GSI.

Yours faithfully,

(N. M. Mugadur)

श्री.पी. विनय कुमार, अद्वर सचिव (M-VI) / केन्द्रीय लोक सूचना अधिकारी
Form A (Section 6(1) and 7(1) of the RTI Act, 2005)

1. Full Name of the Applicant : Ashutosh Dubey
   Advocate

2. Address : A-335 Defence Colony,
   New Delhi -110024

3. Following information/documents required:

   Controller General, Indian Bureau of Mines, who is also the
   Administering Authority under Offshore Areas Minerals
   Development Act has vide notification dated 06.07.2016 (Copy
   enclosed) annulled the exploration blocks in offshore areas i.e. from
   sea coast to 12 nautical miles on the ground that mining of all
   minerals is prohibited in CRZ areas in light of notification dated
   06.01.2011.

   In this regard, following clarifications may kindly be furnished to us:

   i. Is the said stand taken by CG, IBM and Administering
      Authority in consonance with the Section 3(x)(a) of
      notification dated 06.01.2011?

   ii. If the contention of Controller General, Indian Bureau of
       Mines that mining is prohibited under CRZ areas in the
       order dated 30.06.2016 and the subsequent notification dated
       06.07.2016 is accepted by Ministry of Mines, then

       a. Is Ministry of Mines taking any steps to cancel/stop the
          auction of atomic mineral blocks falling in CRZ areas
          along the seafront in light of the CRZ notification
          dated 06.01.2011? if yes, please explain what steps are
          being taken? And if no, then why is Ministry of Mines,
          not taking any steps to stop/cancel the auction of
          atomic mineral blocks falling in CRZ areas when
          mining is a prohibited activity as per order dated
          30.06.2016 of Controller General, Indian Bureau of
          Mines.

       b. Is the Ministry of Mines taking any steps to cancel the
          reconnaissance permits, prospecting licenses and mining
          leases on beaches covered under MMDR Act and
          falling under CRZ areas in light of in light of the CRZ
          notification dated 06.01.2011? if yes, please explain
what steps are being taken? And if no, then why is Ministry of Mines, not taking any steps to stop/cancel the mining activities on beaches falling in CRZ areas when mining is a prohibited activity as per order dated 30.06.2016 of Controller General, Indian Bureau of Mines.

No.40/35/2015.MI

To,

Shri L.B. Singh,
2nd Floor, Dev Villa,
Behind Radha Swami Arcade,
Saraidhela,
Dhanbad-828127

New Delhi, the 27.9.2016

Subject:-Information sought under RTI Act, 2005 regarding appointment of Dr. Gopal Dhawan as CMD, MECL.

Sir,

This has reference to your letter dated 20.9.2016 in reply to this Ministry's letter of even number dated 12.9.2016 enclosing PO of Rs.20/- for furnishing copy of documents mentioned at points 1, 2 & 3 of your RTI application dated 1.9.2016 received by this Ministry on 7.9.2016 on the above mentioned subject.

2. In this connection, copy of relevant documents (8 pgs) viz. appointment order dated 23.4.2012 of Dr. Gopal Dhawan as CMD, MECL (1 pg), note sheets (5 pgs), The Appointment Committee of the Cabinet's approval vide OM dated 31.7.2015 (1 pg) and appointment letter dated 24.11.2015 (1 pg) on re-employment of Dr. Gopal Dhawan are enclosed herewith.

Yours faithfully,

(M.R. Sathyanarayanan)

Sir,

I seek your advice on the following:

(1) Under the Right to Information Act, 2005, the following information is sought:

- Information under RTI-1. (Details as per Act)
- Information under RTI-2. (Details as per Act)
- Information under RTI-3. (Details as per Act)

(2) How many COSILs, PULCOs, and DCCs are working in various Ministries/Departments?

Please provide

Sincerely,

[Signature]

[Address]

[Date]
to various ministries/depots of Govt. of India.

(3) Name & designations of such coys/ Pvt Ltd. orgns, mentioned in such Para (2) above, may be sent to me duly authenticated and official seal affixed thereon.

(4) Govt. of India orders/oms/memos issued in connection with "Out-Sourcing" coys/Pvt Ltd. orgns for providing jobs (para G7 & "G" D) or other jobs to various ministries of Govt or any other Govt. depots may also be sent to me duly authenticated with official seal & date.

(5) Total no. of employees

Gp-wise viz Gp "C" & Gp "D"

MTS (multi-task staff) etc. separately may be provided if supplied to me in the following format:

RTD 3
Para (5) contd. (Gp "C" employees)

Programme for giving information called for under para (5) above, overleaf.

(i) Designation of Gp "C" posts appointed through "out sourcing" coys Pvt Ltd. orgns.

(ii) Total no. of such employees & provided by "out sourcing" orgns.

(iii) Name of Deptts of Govt of India or Ministry's name where posted/working.

(iv) Salary/Pay Scale/Emoluments being given/being paid to such Gp "C" employees by the Employer Coy/ Orgns/ Pvt Ltd. coys etc.

Should be shown in Rs (Rupees —) per month.

(v) Date of Appointment of such employees/Period of Appointment.

(vi) In addition to pay/Emoluments, what other financial benefits/other Govt. benefits are being provided to such employees.
(g) Whether Govt of India is making any future plan or policy to appoint/regularise such employees on regular basis.

(h) If so, up to which time/month/year/years. Please clarify clearly such policy/plan being made/made by the Govt of India, in this connection.

(i) If not, why Govt of India is playing with the life/career of such poor "lavish" employees. I want full justifiable answer to this sensitive question/information.

(ii) Similar information may be supplied to me in respect of Group "D" (Multi-Tasking Staff) also with Group "E" staff as called for in Para 5 or to (i) above.
Sir, Kindly go through
the informations, papers, orders,
memos, data as asked for
by me in Para 1 to 5 above thorou-
and furnish supply, provide all the
informations asked for by me therein
within the time period as per
RTI, Act, 2005, duly authenticated
and sealed with official seal.

Thank you, yours faithfully,

New Delhi

Subject: information sought under RTI, 2005.

Reference: Your RTI application dated 04.08.2016.

Sir,

The information in respect of the RTI application submitted by you are given below:

1. No comments.
2. 2 firms are providing this Ministry outsourced Data Entry Operators and cleaning staff.
3. M/s. Sai Communication, 432, 2nd Floor, Sant Nagar, East of Kailash, New Delhi is providing DEOs to this Ministry. M/s. Pravidhi India, J-273, Sector 12, Pratap Vihar, Ghaziabad -201 009 is providing housekeeping staff.
4. Ministry of Mines does not deal with the policy matter regarding outsourcing/providing of jobs to Group C & D.
   5(a) No one has been appointed to any Group C post through outsourcing by the Ministry. However, the Ministry has outsourced DEOs.
   5(b) 14 DEOs have been outsourced.
   5(c) Ministry of Mines.
   5(d) DEOs are paid as per the existing minimum wages. Presently, the minimum wage is Rs 12,662/-.  
   5(e) The 14 DEOs presently working in the Ministry were appointed on 01.06.2015.
   5(f) Other than minimum wages, these DEOs are covered under CPF and ESI.
   5(g) The Ministry of Mines has no such plans.
   5(h) No comments.
   5(i) Ministry of Mines is not the policy making Ministry in this regard.
6(a) No one has been appointed to any Group D post through outsourcing by the Ministry. However, the Ministry has outsourced M/s. Pravidhi India for housekeeping tasks.
   6(b) 17 housekeeping staff and 1 supervisor have been outsourced.
   6(c) Ministry of Mines.
6(d) Housekeeping staff are paid as per the existing minimum wages. Presently, the minimum wage is Rs. 9,568/- . The supervisor is being paid a minimum wage of Rs. 11,662/-.
6(e) The 17 housekeeping staff and 1 supervisor presently working in the Ministry were appointed on 17.06.2015.
6(f) Other than minimum wages, these housekeeping staff and supervisor are covered under CPF and ESI.
6(g) The Ministry of Mines has no such plans.
6(h) No comments.
6(i) Ministry of Mines is not the policy making Ministry in this regard.

However, if you are not satisfied by this decision, you may file an appeal before the Appellate Authority, i.e. Shri Shersha, Director, Ministry of Mines, D-309, Shastri Bhavan, New Delhi within 30 days from the receipt of this letter.

Yours faithfully,

(M.S. Kasottia)

OFFICE MEMORANDUM

Subject: Transfer of RTI application under RTI Act, 2005

An RTI application, dated Nil (Ref No.RTI/15-1), of Shri Dharampaul S Kapoor received on transfer from the Legislative Department vide their letter No.8(23)/2016-RTI dated 04/08/2016 in the RTI Cell of DOPT, is further transferred under section 6 (3) to Department of Expenditure for providing information on points A.1 to A.4 as the data of total number of Government Employees in all Departments is not maintained in DoPT but is compiled in D/o Expenditure.

For the remaining information sought by applicant in points B1-D.4 of his Application regarding number of employees across all Government Departments who are facing department/judicial action, under suspension, dismissed etc, it is submitted that to the best of the knowledge of this CPIO (who deals with the nodal RTI Cell of DoPT), such data is not compiled centrally by any CPIO or Public Authority but is in fact scattered across all Departments.

Accordingly, copy of your RTI Application dated Nil (Ref No.RTI/15-1) is being transferred under section 6 (3) to all Departments in the Government of India, to provide you information in their records. The RTI Application is also being marked to the CPIOs in DoPT, dealing with vigilance matters of various cadres/services to provide any available information in their records.

End: as above.

(Kulbhushan Mathur)

Under Secretary to the Govt. of India
Tel: 011 2309 3791

To,
Sh.KC Raju, US (AVD.I), DoPT
Sh.Anand Upadhyay, US (AVD.I), DoPT
Sh.RK Vatsa, US (AVD.I), DoPT
Sh K Srinivasan, US (AVD.I), DoPT
Ms Gracy Varghese, US (AVD.1), DoPT
US (Admin) - for SO (Vig) DoPT.
All Ministries departments in Government of India

Copy for information to:
Shri Dharampaul S Kapoor,
Rto Flat No.102, Sai Mahal,
Behind Prabhraj Garden, Ulhasnagar,
Dist Thane, Maharashtra - 421005.

This is not a reply to your RTI application. Your RTI application is being transferred herewith by the RTI cell of DOPT to the CPIOs/Authorities/Ministries who/which are felt dealing with the subject and hence the appropriate CPIO/Authorities to give reply to your application. You are requested to contact the aforementioned public authority with reference to information sought by you.

Subject: Transfer of 2 RTI applications under RTI Act, 2005.

Two RTI applications of Shri Dharampal S Kapoor, both dated 18.07.2016 (bearing individual letter Nos. RTI-21-1/18-7-2016 & 22-1/18-7-2016), received from President’s Secretariat, vide their letter No. 0806/RTI/07/16-17 & 0807/RTI/07/16-17, dated 26.07.2016, are being transferred under section 6 (3) to all Departments in the Government of India, to provide information available in their records directly to the applicant. The RTI Application is also being marked to the CPIOs in DoPT, dealing with vigilance/recruitment matters of various cadres/services dealt within DoPT, to provide any available information in their records. It is submitted that to the best of the knowledge of this CPIO (who deals with the nodal RTI Cell of DoPT), such information as sought in this RTI Application is not compiled centrally by any CPIO or Public Authority but is in fact scattered across all Departments.

Encl.: as above.

(Kulbhushan Manhotra)
Under Secretary to the Govt. of India

Kolkata-700016

Sir,
Please find enclosed copies of two RTI applications dated 18.07.2016 transferred
by DoPT vide OM No. 2/2/2016-RTIC/04678 & 04686 dated 23.08.2016 under the
subject reference.

2. As the information sought by the applicant pertains to GSI being an attached
office of this Ministry. Therefore, a copy of the application is hereby transferred to you
under Section 6(3) of RTI Act, 2005 for furnishing the reply within stipulated period
under RTI Act 2005 to the applicant directly under intimation to this Ministry.

Encl: As stated

Yours faithfully,

(Ravinder Kumar)
Section Officer/CPIO
Email: ravinder.kr64@nic.in
Phone: 23382818

Copy to:
1. Shri Sh. Dharampal S Kapoor, R/o Flat No. 102, Sai Mahal, Behind Prabhat
Garden, Ulhasnagar, Distt. Thane, Maharashtra - 421005 for information. A copy
of your application has been forwarded as stated above. For any further query,
concerned PIO of the GSI may be contacted directly. If you are not satisfied with
the information furnished by PIO of the GSI, you may appeal to the Appellate
Authority in GSI under the provision of RTI Act, 2005.

No. 244/2016-Vig.

New Delhi, the 29th September, 2016

To:
Shri Dharampal S Kapoor,
Flat No. 102, Sai Mahal,
Behind Prahlad Garden,
Ulhasnagar-5, Distt,
Thane., Pan: 421005 (Maharashtra)

Subject: Application under Right to Information Act, 2005 by Shri Dharampal S Kapoor, Thane Distt.

Sir,

Please refer to your RTI application dated 18.07.2016, addressed to President Secretariat, seeking information related to sanction granted by President of India.

2. With respect to information related to Vigilance Section of Ministry of Mines, this is to inform that the information sought by you is not maintained in single file. Each and everly file has to be scanned thoroughly from 2007 to 2016. Such works will involve manpower for searching each file document which will definitely divert the resources of the Department. However, if you need specific information about any specific employee, you may write back and the same will be provided to you, if available.

3. In case you are not satisfied with the reply, you may file an appeal before the Appellate Authority Shri S.K. Mishra, Director, Room No. 311-D, Shastri Bhawan, New Delhi within 30 days of receipt of this reply.

Yours faithfully,

(Vinay Pratap Singh)
Section officer & CPIO

The details of the National Mineral Exploration Policy, if any.

Date: 11/4/20

Memo:

5. A fee of Rs. 10/- has been deposited vide Postal Order No. 111 of 1957.

The best of my knowledge pertains to your office.

I state that the information sought does not fall within the restrictions contained in Section 6 of the Act and in
Mines Ministry Set to Identify 50 Blocks for Private Exploration

Ministry to select potential blocks of 100 sq km and above

The Mines Ministry is set to identify 50 blocks for private exploration under the National Mineral Policy. The Ministry of Mines, under the Ministry of Environment, Forests and Climate Change, has decided to proceed with the process of selecting potential blocks by the fourth quarter of this year.

The Ministry is in the process of finalising the policy, the Secretary said. The policy aims to boost private investment in the mineral sector by incentivising private players to contribute to the national mineral resource base.

The Ministry is expected to conduct a consultation with the stakeholders and is in the process of finalising the policy.

The policy aims to replace the earlier method of awarding reconnaissance permits by the government to private firms for preliminary prospecting of a mineral through regional, aerial, geophysical or geological surveys and geological mapping. The method, however, failed to yield the expected results.

The mineral exploration policy aims to replace the earlier method of awarding reconnaissance permits by the government to private firms for preliminary prospecting of a mineral through regional, aerial, geophysical or geological surveys and geological mapping. The policy, however, failed to yield the expected results.

The government also plans to tap 450-500 crore revenue in the 2021-22 fiscal year from the Mines and Mineral Development Act, which mandates firms to contribute 2% royalty for facilitating exploration.

Private sector participation is required in exploration as India has been able to carry out only 10% of regional exploration while countries like Australia, which have similar geological endowment, have completed 100% of regional exploration.

The mineral exploration policy aims to replace the earlier method of awarding reconnaissance permits by the government to private firms for preliminary prospecting of a mineral through regional, aerial, geophysical or geological surveys and geological mapping. The method, however, failed to yield the expected results.

The government also plans to tap 450-500 crore revenue in the 2021-22 fiscal year from the Mines and Mineral Development Act, which mandates firms to contribute 2% royalty for facilitating exploration.

[Rishan Rynthathiag]
CPIO/Under Secretary to the Govt. of India

Copy of CPIO, Ministry of Mines, Room No. D- 303, 3rd Floor, Shastri Bhawan,
New Delhi -110001 with a copy of RTI application of Shri C.K. Singhania dated 11.04.2016. The RTI application is transferred Under Section 6(3) of RTI Act, 2005 for providing the information regarding point No. 4 to the applicant directly under intimation to CPIO, CA-I, Ministry of Coal.
It gives me immense satisfaction to bring forth this National Mineral Exploration Policy, which offers a conducive framework for comprehensive mineral exploration in the country. It is a consensus among geoscientists that India is endowed with large mineral resource and has geological environment for many others. However, adequate survey and exploration have not been carried out in the country to discover the full potential. This requires a sound and comprehensive strategy to be implemented in a coordinated, systematic and consistent manner.

The MMDR Amendment Act, 2015 has brought in transparency in allocation of mineral concessions in terms of Prospecting License and Mining Lease. The present regime of grant of mineral concessions provides for Non Exclusive Reconnaissance Permit (NERP) which does not have seamless transition to prospecting and mining licences. On account of this, the private sectors do not seem to be enthused by the approach to exploration. Keeping this in view, National Mineral Exploration Policy (NMEP) prescribes the role of the participation of private companies in exploration.

The Mineral Exploration Company (MEC) will be empanelled to carry out exploration with the right to a certain share in the revenue (which, initially, promissory to be accruing to the state government) from the successful bidder of mineral block after an auction round, will be disallowed by that private explorer. The revenue sharing could be either in the form of a lump sum or an annuity, to be paid throughout the period of mining lease, with transferable rights.

It is common knowledge that acquisition, processing and interpretation of pre-competitive baseline geoscientific information play a pivotal role in any successful exploration process. Keeping this in view, the policy assures that baseline geoscientific data comprising geology, geochemistry, and geophysics will be generated as a public good and will be made available in public domain for free access. National Aero-geophysical Mapping program will be launched in the whole country. National Geoscience Data Repository (NGDR) will be set up which will collate and make available all baseline and mineral exploration information generated by various central and state government agencies.

The great challenge before us is to search for concealed and deep seated deposits. For this purpose, National Centre for Mineral Targeting (NCMT) will be set up on public private partnership which will be a unique applied research enterprise focusing on optimizing mineral estimation efforts of public and private sectors.

We are confident that with the number of initiatives outlined in the policy the country will enter into a new era of accelerated mineral exploration.

1. PREAMBLE

1.1 The country is endowed with vast resources of a variety of minerals and has favorable geological settings for many others. However, vast geographical areas are still to be explored to the desired levels. Detailed exploration to understand and uncover this potential is crucial for the growth of Indian economy. This requires a sound and comprehensive mineral exploration policy/strategy to be implemented in a coordinated, systematic and consistent manner.

1.2 The country needs to formulate a suitable mineral exploration policy framework which:

(i) Establishes priorities in terms of activities, mineral commodities, areas, mining technology etc.

(ii) Identifies and defines roles for the groups of key players in the sector viz., government, the exploration industry, research and academic bodies, and financiers;

(iii) Recognizes that coordinated activity amongst all these players is vital to success in exploration and, therefore, creates the institutional mechanisms necessary for this purpose;

(iv) Outlines the changes in the enabling framework (legal, regulatory, financial and fiscal) required for obtaining the best results in exploration; and

(v) Estimates the resources required, in terms of funds, human capital and technology, and the means of harnessing these to the tasks ahead.

2. SCOPE OF POLICY DOCUMENT

2.1 The National Mineral Exploration Policy (NMEP) document spells out the strategy and outlines the action plan that the Government will adopt to ensure comprehensive exploration of country’s mineral resources (non-fuel and non-coal).
Successful exploration requires the bringing together of the best of knowledge and experience, the state-of-the-art technology, highly trained manpower, and also enormous financial resources, on an open, collaborative and inter-disciplinary platform. The major portion of the effort is clearly of the public good character.

3. BACKGROUND

3.1 The framework governing exploration activity in the country can be considered essentially in two parts:
   a) The institutional and administrative framework through which precompetitive baseline data generation and exploration work is implemented; and
   b) The legal and regulatory framework that governs the activities of various players in the sector, including the Government and the private sector.

3.2 Institutional and Administrative Framework

3.2.1 Geological Survey of India (GSI), since its inception in 1851, has been the most important institution that has performed the task of regional exploration of coal, lignite and non-fuel minerals. GSI is entrusted with the lead role in the task of carrying out geological mapping and acquiring other baseline geoscience data for the entire country. It generates and disseminates baseline geoscience data to other exploration agencies for accelerating the mineral exploration process. Directorates of Geology and Mines of some of the States have also made notable contributions in detailed exploration. Besides, Mineral Exploration Corporation Limited (MECL) and other Public Sector Undertakings carry out detailed exploration.

3.2.2 Since independence, GSI and the State Governments have discovered 60 important mineral deposits including 38 ‘greenfield’ discoveries. However, looking at the India’s likely mineral potential, there is an urgent need for accelerating exploration in the country through public and private participation.

3.3 Legal and regulatory framework governing exploration activities

3.3.1 Mines and Mineral (Development and Regulation) Act, 1957 is the main statute for the regulation of mines and mineral sector in the country. Under this Act, Mineral Concession Rules, 1960 and Mineral Conservation and Development Rules, 1988 were framed.
3.3.2 Subsequent to the economic liberalization in 1991, a comprehensive National Mineral Policy was announced in March 1993. The policy introduced for the first time the idea of encouraging private investment in exploration in mining. Consequently, amendments were made in the MMDR Act in January 1994. These amendments sought to simplify the procedure for grant of mineral concession so as to attract large investment through private sector participation, including foreign direct investment (FDI), and thereby induct latest technology into the mining sector.

3.3.3 Despite the above initiatives, prospecting and mining activity could not be facilitated to the desired level. Later, based on recommendations made by the expert group constituted in the
3.3.4 The investment policy was liberalized progressively and in Feb 2006, 100 percent FDI through automatic route was allowed in mining sector. However, liberalization of investment regime and amendments in regulatory framework did not attract private investment as desired. Many companies put in their applications for RPs and PLs but very few of them have been finally converted into MLs. Inadequate resources with public sector agencies, such as, GSI and MECL and State governments’ agencies also remained a major challenge for the country. In this backdrop, a High Level Committee (HLC) was constituted by the Planning Commission in the year 2005 to suggest the changes needed for encouraging investment of public and private sector in exploration and extraction of minerals.

3.3.5 Based on recommendations of the HLC, revised National Mineral Policy was announced in 2008. The important features of this policy are: (a) grant of mineral concession of all types, such as RP, PL and ML, would be transparent and seamless and security of tenure be guaranteed to the concessionaries, (b) prospecting and mining is to be recognized as independent activities with transferability of concessions playing a key role in mineral sector development, (c) while government agencies would continue to perform the tasks assigned to them for exploration and survey, the private sector would be the main source of investment in reconnaissance and prospecting and government agencies would expend public fund primarily in areas where private sector investments are not forthcoming, (d) an open sky policy of non-exclusive reconnaissance work would be adopted to expedite completion of reconnaissance work for the entire country as early as possible.

3.4 Recent Policy Initiatives

3.4.1 In recent years, some major developments took place in mineral sector especially by way of judicial pronouncements, which were having far reaching ramifications. In brief, these developments led to the realization that all actions of the Government in the mines and mineral sector have to stand the test of Article 14 of the Constitution. In practical terms, this means that complete transparency and ‘equal opportunity for all’ must be ensured and the scope for arbitrariness and unfettered discretion must be eliminated in the allotment of mineral concessions.
3.4.2 The limited success of earlier policy measures, as well as the requirements of the new emerging imperatives, has led to the amendments made to the MMDR Act by the Amendment Act of 2015. The most important feature of this amendment is the grant of mining leases and composite licenses (prospecting license-cum-mining lease) only through an auction process. The Mineral (Evidence and Mineral Contents) Rules 2015 specifies that for auction of mining lease, at least general exploration (G2) is required to be completed and for auction of composite licence, at least preliminary exploration (G3) to be completed. The amended Act also removed the earlier provision of RP and provided for non-exclusive reconnaissance permit (NERP). However, the holder of such NERP shall not be entitled to make any claim for grant of PL-cum-ML or ML. The amended Act also removed the restriction on lease transferability and allowed the transfer of mineral concession held by lease holders to any person eligible to hold such lease.

3.4.3 Further, the amended Act established National Mineral Exploration Trust (NMET) and the holder of a mining lease or PL-cum-ML would pay to the Trust a sum equivalent to 2 percent of the royalty paid in terms of the second schedule. The Trust is supposed to carry out regional and detailed exploration for minerals and related activities for development of exploration.

3.4.4 In the light of above amendments in MMDR Act and emergent need to provide an impetus to exploration in the country at this juncture has prompted a thorough review of exploration policy and strategy. The review revealed several areas that need added emphasis. A new Exploration Strategy has, therefore, been finalized with a view to provide new sense of purpose and direction within the amended legal framework.

4. BASIC FEATURES OF THE NEW EXPLORATION STRATEGY

4.1 The exploration strategy will be centered on the following basic features:

(i) The Government will make available pre-competitive baseline geoscience data of the highest standards. This data will be continuously updated and benchmarked with those of other jurisdictions. The Government will specify the kind of data that will be provided to potential exploration agencies, and the timelines for their publication.
(ii) The pre-competitive baseline geoscience data will be made available for open dissemination free of charge.

(iii) Government will create baseline geoscience data as a public good and fund the generation and dissemination of such data.

(iv) Government will launch a special initiative to probe deep-seated/concealed mineral deposits.

(v) Public expenditure on regional and detailed exploration will be prioritized and subject to periodic review based on assessment of criticality and strategic interests.

(vi) Private sector participation in exploration will be encouraged within the existing legal framework. Government will work out suitable models for incentivizing private sector explorers. Government will also take steps to simplify procedural requirements for carrying out exploration by private sector.

(vii) Government will collaborate with scientific and research bodies, universities and industry for the scientific and technological development necessary for exploration.

(viii) Administrative structure for coordination amongst various agencies engaged in exploration will be reviewed and restructured.

5. PRE-COMPETITIVE BASELINE GEOSCIENCE DATA

5.1 Generation and dissemination of baseline data is of paramount importance for effective exploration. It has been the experience from mineral rich countries that increased exploration activity, and discovery of economic resources, can be directly attributed to the release of pre-competitive baseline geoscience data. Further, high quality interpretation that can lead to the discovery of a deposit also depends upon the nature and resolution of data.

5.2 In keeping with the international best practices of providing pre-competitive baseline geoscience data to the stakeholders, Government intends to carry out the following in order to generate and disseminate data free of cost in public domain through web-based information system:

5.3 Geological Mapping

5.3.1 GSI has completed geological mapping on 1:50K scale of more than 98% of the mapable area
GRAVITY IMAGE MAP OF INDIA

A collaborative project of Geological Survey of India, National Geophysical Research Institute, Oil and Natural Gas Corporation Limited, Survey of India and ONGC Limited.

[Map of India with various labels and data points]
of the country. The remaining areas, which are inaccessible, are being covered incrementally on expedition basis. Digital geological maps will be made available in public domain.

5.4 National Geochemical Mapping (NGCM)

5.4.1 NGCM program was launched by GSI from the beginning of 10th Plan to gather information on the chemical behaviour of the material of the earth’s crust. Under this program stream sediment samples at 1 km x 1 km grid are collected and composite samples of 2 km x 2 km are analyzed. In addition, soil, regolith, surface water and humus are also collected and analyzed. At present, 60 elements/compounds like SiO₂, Al₂O₃, Fe₂O₃, MgO, MnO, Na₂O, K₂O, gold, silver, cadmium, copper, mercury, lead, zinc etc are analyzed. Two more elements viz. platinum and palladium are analyzed in selected areas. All these elements are analysed with a precision level up to Clarke value.

5.4.2 Till March 2015, GSI has completed NGCM in an area of 0.54 million sq km in the entire country. Out of this, about 0.24 million sq km is within the OGP. GSI targets to cover the entire OGP area by the year 2018-19. Subsequently, NGCM will be carried out for the entire country in about eight years. Digital geochemical maps and data will be provided in public domain.

5.5 National Geophysical Mapping (NGPM)

5.5.1 NGPM Program was launched by GSI during 10th Plan period to gather information on the gravity and magnetic behaviour of the material of the earth’s crust. Gravity (upto 0.1 mGal) and magnetic (5nT) data are collected at a station interval of 2.5 sq km.

5.5.2 NGPM has been completed in an area of 0.28 million sq km out of which 0.13 million sq km lies in the OGP area. GSI plans to cover the entire OGP area by 2020-21. Subsequently, NGPM will be carried out in the potential areas identified by the National Aerogeophysical Mapping project in the subsequent years. Digital geophysical maps and data will be provided in public domain.

5.6 Geo-chronological Studies

5.6.1 The modern mineral exploration practices involve generation of isotopic and geo-chronological data for understanding lithospheric architecture and metallogenic evolution through space and time. As per global best practices, high precision and high resolution geo-chronological data is an important component of baseline geoscience data. GSI would acquire a Sensitive High Resolution Ion Micro Probe (SHRIMP) for this purpose. The instrument will help understand the geological evolution of the cratons and mobile belts of India which are the conducive
5.7 Aero-Geophysical Survey

5.7.1 GSI has acquired low altitude aero-
geophysical data under the project "Operation Hard Task", during 1967-
85. Under this project, an area of
33,395 sq. km was covered with 500
m of line spacing at an altitude of 60-
120 m above ground level (AGL) with
Magnetic, Spectrometer and Time
Domain Electromagnetic sensors.

5.7.2 Subsequently, low altitude aero-
geophysical data were acquired under
the project "AFOR", French, during 1971-72 for base metal investigation. Under this
project, an area of 76,465 sq. km was covered with 500 m of line spacing at an altitude of
120 m AGL. During 1978-82 and 1981-95, high altitude (1500 to 3000 m) aeromagnetic data at
a wider line spacing (1 to 4 km) were acquired by GSI through National Geophysical Research
Institute (NGRI) and National Remote Sensing Agency (NRSA) over an area of 0.17 million
sq km and 1.37 million sq km respectively. From 1985, GSI with its own twin Otter Airborne
Survey System (TOASS) has covered an area of 0.5 million sq km in different geological
milieus with different survey parameters. In addition, Atomic Minerals Directorate for Exploration
and Research of Department of Atomic Energy and Govt. of Odisha have also carried out
aerogeophysical surveys.

5.7.3 The aero-geophysical surveys are especially important in providing valuable inputs in soil-
covered and concealed mineral potential terrains. The desert part of Western Rajasthan, Deccan
Traps, and soil-covered unexplored pre-cambrian terrains of India are the areas for focused
aerogeophysical surveys at close intervals for bringing in enhanced precision level in data
generation. There is an urgent need to identify important potentially concealed terrains for
undertaking aero-geophysical surveys with state of the art technology.

5.7.4 There is an urgent need for collecting aerogeophysical data on a uniform flight height and spacing. GSI has planned to take up a National Aerogeophysical Mapping Program (NAGMP) involving acquisition of aeromagnetic, electromagnetic, radiometric and gravity data. Initially, an area of about 0.8 million sq km including OGP area will be taken up on priority and completed by 2020-21. The project is proposed to be started in 2016-17. For the rest of the country (about 2.4 million sq. kms.), aerogeophysical survey will be carried out subsequently. The analog/digital aeromagnetic map and data will be provided in public domain.

6. REGIONAL EXPLORATION DATA

6.1 GSI has a repository of more than 8500 geological reports (GR) of mineral investigations carried out since 1941. These reports can be immensely useful for planning exploration strategies and focusing on targets. Metadata of all these reports are accessible on the GSI portal. More than 6100 full reports are also available on the GSI portal. In order to facilitate easy access, extraction, analysis and interpretation of these data by users, GSI has recently started carrying out digitization of all its mineral exploration reports. All data including maps and tables containing physical and chemical characteristics of samples, litho logs, etc., will be digitized and stored on a geospatial format. This data is proposed to be made available in the GSI portal by mid 2016 and will be available to all users free of charge.

7. OFFSHORE MAPPING AND EXPLORATION

7.1 India has a vast area of about 2.02 million sq. km. under its territorial waters (TW) and exclusive economic zone (EEZ). Preliminary mineral exploration surveys have shown great potentiality of mineral occurrence off the coast on either sides of Peninsular India. Occurrence of phosphate and lime muds and monazite (REE and Thorium) bearing
heavy suite of minerals have been mapped and sparsely sampled for a depth of 1-2 meters only. The ninety degree east ridge in the Bay of Bengal is an extensive mega-linear submarine structure known for modern day ore forming mineral muds. Co-Ni-Mn-Fe bearing nodules on the ocean floor are recorded off the coasts of India. This provides a considerable scope for mineral targeting in offshore areas of India.

7.2 GSI has systematically mapped on reconnaissance scale an area of 1.98 million sq km in the EEZ with 40 km/20 km spaced traverses and detailing to 2 to 10 km tracks at selected sectors. Based on the seabed mapping data, preliminary mineral investigation has been carried out in an area of 0.43 million sq km, with a sampling grid ranging from 5 km x 2 km to 1 km x 1 km.

7.3 Survey as well as assessment of mineral resources within the EEZ constitutes a key responsibility of GSI. GSI needs to plan its programmes keeping in view the Coastal Regulation Zone notification, 2012 of the MoEF&CC, which stipulates that mining of minerals, except for rare minerals not available outside the CRZ, is not permitted within the limits of the TW. GSI will identify through its regional exploration activities mineral resources for allocation of exploration license and production lease.

7.4 The results of remote sensing and exploration will be carried out by GSI in coordination with Ministry of Earth Sciences and National Institute of Oceanography through the CGPB mechanism.

8. NATIONAL GEOSCIENCE DATA REPOSITORY (NGDR)

8.1 All geological, geochemical, geophysical and mineral exploration data needs to be made available in public domain on a digital geospatial platform. Accordingly, a National Geoscience Data Repository (NGDR) will be set up by GSI. This will collate all baseline and mineral exploration information generated by various central and state government agencies and also mineral concession holders and maintain these on a geospatial database. This database will be made available in public domain through an appropriate mechanism. GSI will build up capacity for collating, processing and interpretation of geosciences information.

8.2 National standard in regards to submission of softcopies of mineral exploration reports need to be initiated in line with those in developed countries. These standards should include guidelines in relation to the submission of mineral exploration digital data. Mineral Exploration
Reporting Template (MERT) formats are required to be built to facilitate the management of geoscience, drilling and other spatial data in the required data templates to assist mineral exploration agencies to comply with the reporting guidelines. A suitable format to read, retrieve and disseminate the data submitted through MERT will be developed. These templates will enable ease of storage, retrieval and usage of the data repository. Any research made by making use of the NGDR will have to be communicated to the data authority for keeping a check on data sharing benefits and further dissemination.

8.3 For preservation and archiving of drill cores generated during mineral exploration carried out by public and private exploration agencies, GSI has established core repositories in different Regional Offices in line with the best international practice. The repository will have all the digital and analogue data of core logs, correlative studies, litho variations, stratigraphic successions, mineral zone variations, etc.

9. **OGP AREA AND ITS PERIODIC REVIEW**

9.1 The baseline geoscience data generation carried out by GSI so far has resulted in identification of an area of nearly 0.57 million sq. km. of Obvious Geological Potential (OGP). The mineral potential of geological terrains needs to be evaluated periodically by incorporating the latest basic geoscience data and exploration data as and when it is available. The concept of OGP is dynamic and needs to be revisited periodically with the updation of database for various mineral commodities. OGP maps need to be prepared by GSI in respect of fertilizer minerals, nickel, cobalt, antimony, rare earth elements and rare metals, lithium, bismuth etc.

9.2 Considering the fact that understanding of the mineral systems is evolving with time and new exploration data is being added every year, GSI will upgrade the OGP areas mineral-wise at least once every five years, and bring out a detailed atlas.
10. PROBING DEEP SEATED/CONCEALED MINERAL DEPOSITS

10.1 GSI will initiate a project for probing deep seated/concealed mineral deposits. Characterizing India's cover, investigating India's lithospheric architecture, resolving 4D geodynamic and metallogenic evolution, and detecting and characterizing the distal footprints of ore deposits, would be the main components of this initiative. This initiative is proposed to be taken up immediately on a pilot scale. GSI will seek collaboration with prestigious agencies in India, such as National Geophysical Research Institute (NGRI) and the proposed National Centre for Mineral Targeting (NCMT), and abroad. A comprehensive length of 300 km will be taken up under the pilot project.

10.2 The major work components would include:
1. Regolith characterization (transported/local source rock)
2. Depth of basement (depth of quaternary sediments/regolith cover over basement)
3. Detect and recognize distal footprints.

11. PRIORITIZATION OF REGIONAL AND DETAILED EXPLORATION

11.1 Global exploration priorities in respect of expenditure in mineral exploration are broadly defined by the economics of the demand and supply of various minerals. Over the past several years, gold has claimed the major share of global expenditure in exploration, amounting to around half of the total budget.

11.2 In India, GSI is mandated with the task of regional exploration and there is no other agency doing this work in a substantive way. Some of the State Governments have also carried out regional exploration and discovered significant deposits. MECL, a central PSU carries out detailed exploration, however, the promotional work done by MECL is negligible. GSI has prioritized its mineral exploration programmes for base metals, noble metals, diamond and Rare Earth Elements (REE) and Platinum Group Elements (PGE) minerals. The demand-supply in respect of various mineral commodities is dynamic and fast changing. Indian Bureau of Mines (IBM) will develop a mechanism for fixing national priorities based on mineral intelligence information. These priorities will be subject to periodic review. Special care will be taken to ensure that critical minerals for industry and strategic minerals vital for national security are
given the requisite priority.

11.3 The Central Geological Programming Board (CGPB) is the nodal agency for formulating and detailing exploration programmes in close coordination with the GSI, stakeholder ministries and associations and State geology departments. The CGPB, with its 12 thematic committees, formulates short term and long term plans, and coordinates the activities in the mandate and priorities of the National Mineral Policy.

11.4 The CGPB will, every year, on a suitable date, work out suggested priorities for public funded regional and detailed exploration, both for the immediately following Plan year, as well as on a rolling basis for the next 5 years. This scheme of priorities for the annual plan and the rolling 5 year Plan will be examined and discussed with all the stakeholders and, after approval, be communicated to all the entities working in the field so as to draw up a detailed field level action programme as well.

12. PRIVATE SECTOR PARTICIPATION IN EXPLORATION

12.1 Government's objective is to facilitate, encourage and incentivize private sector participation in all spheres of mineral exploration. Government intends to harness the technical expertise, technological capability and the financial resources of the private sector to discover and exploit the country's vast mineral resources.

12.2 Participation of private sector in exploration depends on the following:

(a) Availability and free accessibility of comprehensive, pre-competitive baseline geoscience data;

(b) Incentives structures that provide an appropriate risk-return scenario; and

(c) Ease of doing business and earning attractive returns from the investment.

12.3 Generation and free dissemination of pre-competitive geoscience data has been dealt with at length in the earlier parts of this policy paper.

12.4 The legal framework currently in place has two types of mineral concessions for carrying out exploration which can be obtained by private sector participants, namely, non-exclusive reconnaissance permit (NERP) and the composite license (Prospecting License-cum-Mining...
Leased Composite Licence in the amended Act ensures the participation of private entrepreneur in carrying out detailed exploration with assurance of tenurial security of the mining lease.

12.5 In order to provide incentives to NERP holders, the amended MMDR Act provides the option to either retain the reconnaissance data with themselves in contrast to the earlier requirement of mandating remitting of information pertaining to exploration with the State Governments or to get the contract for mining the same blocks to the State Governments in case blocks are of auctionable nature. The present procedure of e-auctions also permit the holder of any NERP to participate in the auction process and in a way effectively exercise the option of first right of refusal. This procedure is also consistent with the overall policy of Government not to allot any mineral concession other than through auction process.

12.6 Full transferability of mineral concessions at any stage has also been allowed under the Amended MMDR Act, 2015. The experience abroad seems to indicate that several transfers take place between initial exploration and commercial mining of a deposit. The very requirement for effective transfer of mining lease or composite license of FL cum ML now built into the Act
will help the exploration agencies interested only in particular segments of the activity and value chain (say prospecting, exploration, feasibility study or mining) to enter and exit with ease.

12.7 Private agencies could be engaged to carry out exploration work in identified block/areas with the right to a certain share in the revenue (by way of certain percentage of royalty/premium) accruing to state government throughout the lease period, with transferable rights. This percentage/amount will be paid by successful bidder to the concerned exploring agency and to be determined when mineral blocks on the basis of successful exploration are put on e-auction.

12.8 Such revenue sharing could be either in the form of a percentage of royalty/premium for throughout the concession period (of 50 years) or a lump sum amount, to be calculated on the basis of net present value of that share of royalty/premium to be accrued during the lease period. Further, the exploration agencies will be allowed to participate in e-auctioning when mineral blocks after successful exploration are put on auction.

12.9 Government will also work out normative cost of exploration works for different kinds of minerals so that the exploration agencies could be compensated, in case they could not discover any mineable reserves in their respective areas. This will be an added incentive for exploration agencies to mitigate their risk for exploration works.

12.10 Different options can be exercised in combination or alone to attract global level exploration agencies for carrying out exploration especially for concealed and deep seated minerals like diamond, gold, PGE, nickel etc which require specialized technical knowledge and the latest technology.

12.11 Government will develop model contracting procedures and standard agreement templates under which State Governments and their agencies can engage private sector expertise in specific exploration cases. The government will provide hand holding support to the State Governments in this process of engaging the private sector for mineral exploration. Further, the government will keep provisions to mitigate the risks of the private explorers in carrying out mineral exploration under the scheme.

13. ORE BENEFICIATION

13.1 Ore beneficiation studies and related mineralogical and chemical characterization of the ore/gangue minerals is vital in assessing economic feasibility of mineralization. In view of the
marginal/low grade nature of the many ores of our country, for more herdfication of the same by

13.2 Under ICMR, IBM is in the initial stage of Oreb-bed consumption and beneficiation studies. There are five major areas that need to be focused upon by IBM:

1. Identification of rare, ore or waste
2. Important equipment and development of beneficiation mechanisms along with other labs and institutions.
3. Identification of current equipment, equipment that are dependent on imports. IBM needs to
   work on cost-effective machine equipment development in the country.
4. Development of a systematic and comprehensive system.
5. Upgradation of existing processes to make them more environment friendly.

14. NATIONAL CENTRE FOR MINERAL TARGETING (NCMT)

14.1 India has exploited most of its onshore and near-surface mineral deposits. It has become imperative to focus on identification of deep-seated (below 2-3 km to 1000 m in the initial
   phases) and concealed mineral targets. Such an exercise requires thorough understanding of
   the geological and geochemical framework, knowledge of occurrence of forming mineral
   systems and the extent of thickness of non-mineralized cover rocks over the concealed
   mineral producing body. Geochemical studies alone have a vital role in exploration of buried
   ore deposits.

14.2 Deep exploration is a cost-intensive exercise with high degree of uncertainty and risk. It is,
   therefore, essential to adopt an integrated approach for selecting suitable geological trends
before undertaking multidisciplinary geo-scientific surveys and subsequent deep drilling projects. If country is to look for sizeable new resources for sustained growth of its mineral-based industry, the country has to embark on a systematic programme of capacity building in mineral targeting.

14.3 This capacity building programme has to be a multi-disciplinary and collaborative effort that brings together the best of expertise in the GSI, academic and research institutions and the exploration and mining industry. Mineral targeting on a stand-alone basis is not an economically viable proposition for public and private mining agencies.

14.4 This activity is proposed to be housed in a not-for-profit autonomous body/company registered under Section 8 of the Companies Act, 2013, as a private-public partnership and will be called the National Centre for Mineral Targeting (NCMT). Government will contribute a part of the seed funding for this venture.

14.5 The NCMT will be a unique applied research enterprise focusing on increasing the discovery rate in mineral exploration and the quality of discoveries without relying on substantial increases in exploration expenditure. NCMT will aim
in addition to the mineral exploration sector through various collaborative research, training and information dissemination programs.

14.6 The approach is expected to allow maintaining the balance between fundamental and applied research, thus by ensuring that fundamental research is aligned with application in mineral exploration. The NGMI will act as a knowledge pool of the best mineral resources and act as a think tank for the sector by countering misperceptions.

14.7 The output of the NGMI will be tailored to the requirements of the mineral sector and will have direct benefit of the public and private exploration and mining agencies.

14.8 Drilling is correlated with exploration success. The annual exploration drilling in India of about 3.5 million metres is far below global standards. Developed countries significantly invest in research on drilling technology to enhance the efficiency and quality of drilling. Many countries have dedicated centres for this purpose which has resulted in advances in drilling technology, safety and reduced environmental impact. The NGMI will also address research and adoption of such technological advancements in drilling technology.

15. PUBLIC SECTOR ENTERPRISES AND MINERAL SECTOR UNDERTAKINGS (PSUS)

15.1 State Governments have a key role to play in utilising a robust array of foundational mineral prospects. They will have to take up mineral exploration work prepared by the GSI or other agencies and build on them to complete G3 or G2 level of exploration. States also need to build up the exploration capabilities of their staff. The Central Government will have to provide suitable incentives to expedite this process. Capacity building of States will be supported by the NGMI

15.2 In order to bring in greater number agencies for mineral resource exploration in the country, a significant change has been incorporated in the MPEF Amendment Act 2015. In addition to GSI & MECL, the government has permitted all mineral sector undertakings in addition to GSI & MECL to carry out prospecting operations without license or lease. In order to accelerate Greenfield discoveries, regional exploration by these PSUs including MECL will be encouraged. The activities of these agencies will be coordinated and monitored through the CIMR mechanism.
16. PROCEDURES & CLEARANCES

16.1 The existing procedure for grant of mineral concession and procedural complexities for obtaining clearances from a number of different authorities are identified as one of the deterrents in the development of exploration in mining sector. In case of RPs where clearance is required for aerial survey, the exercise involves clearances from different governmental agencies including Directorate General of Civil Aviation (DGCA) and Ministry of Defence. Efforts will be made to simplify the procedure for obtaining such permissions in a time-bound manner.

16.2 Clearances are also required from Ministry of Environment, Forest and Climate Change (MoEF&CC) separately from forest angle. While reconnaissance surveys carried out in connection with mineral exploration do not attract the provisions of the Forest Conservation Act (FCA), 1980 as long as these surveys do not involve any clearing of forests or cutting of trees, prospecting under a PL granted under MMDR Act would require permission under FCA. Exploration guidelines of United Nation Framework Classification (UNFC) require a minimum number of bore holes per unit area to be drilled for various levels of exploration. The present guidelines of MoEF&CC do not provide for automatic approval of exploration to be carried out in compliance with UNFC guidelines. Though some relaxations have been permitted, further relaxations for prospecting operations especially in areas with lower canopy density are required. Ministry of Mines will endeavor to move in the direction of automatic approvals for the exploration levels mandated by UNFC.

Subject: Reply to RTI application dated 11.04.2016, which is transferred by other CIPO under section 6(3) of RTI Act, 2005-reg.

Sir,

Kindly refer to your RTI application No. nil dated 11.04.2016, which is transferred by CPIO (CA-I), Ministry of Coal vide letter No. CA-38040/22/2016-CA-I dated 21.04.2016 for providing reply to the above said RTI request. In this regard, after careful study of your RTI request and the newspaper article published in the “Economic Times” Kolkata edition dated 4th January, 2016 (which is enclosed with your RTI request), I am to inform that the information sought by you do not pertain to O/o Nominated Authority but it is closely related to Ministry of Mines. Therefore, your above said RTI request dated 11.04.2016 is being transferred to Ministry of Mines under section 6(3) of RTI Act, 2005 for providing requisite information to you.

2. It is further clarified that O/o Nominated Authority is entrusted with the work of allocation of coal mines/blocks under provisions of the Coal Mines (Special Provisions) Act, 2015 and rules made thereunder. The details of allocation of coal mines/blocks allocated so far under aforesaid Act are available in public domain and the same can be accessed at [http://coal.nic.in](http://coal.nic.in) and [http://www.mstcecommerce.com/auctionhome/coalblock/index.jsp](http://www.mstcecommerce.com/auctionhome/coalblock/index.jsp).

3. In case you are not satisfied with the reply, you may prefer 1st appeal to the Appellate Authority of the O/o Nominated Authority within 30 days of receipt of this reply, as per details given below-

Appellate Authority: Shri Madanpal Singh, Joint Director (Nominated Authority), Ministry of Coal, Room No. 307, ‘A’ Wing, Shastri Bhawan, New Delhi-110001. Ph-011-23387698 (Email: madanpal.singh@nic.in).

Yours Faithfully,

(Ajay Kumar)
CPIO/Section Officer (Nominated Authority)

New Delhi, dated 8th April, 2016

Sub: Transfer of RTI application under Right to Information Act, 2005.

Sir,

Please refer to your RTI application no. nil dated 11.04.2016 received in CA-I Section of Ministry of Coal on 19.04.2016 on the above subject. It is informed that the information sought by you is held by the CPIO, Nominated Authority (NA) Section, Ministry of Coal, New Delhi. Therefore a copy of the RTI application is transferred under section 6(3) of the RTI Act to the CPIO concerned for furnishing information to you directly.

2. In case, you are not satisfied with the reply, you may appeal to the Appellate Authority in the Ministry, the details of which are as under :-

“Shri Mukesh Choudhary, Director (CA-I), Ministry of Coal, Room No. 301-B Wing, Shastri Bhavan, New Delhi.”

Yours faithfully,

Section 6 of the Act and

I hereby declare that the information sought does not fall within the restrictions contained in Section 6 of the Act and

noted by the Ministry of Coal, Govt. of India.

The details of the National Mineral Exploration Policy, if any: (v)
Mines Ministry Set to Identify 50 Blocks for Private Exploration

Ministry to select potential blocks of 100 sq km and above

Sarita Singh, The Economic Times

New Delhi: The government is identifying large tracts and is poised to share them with private players for exploration. Union coal secretary Praveen Kumar told ET that the ministry would like to identify at least 50 blocks of 50 sq km and above to be opened for private investment in the mineral exploration sector.

The blocks will be given to private firms under a new mineral exploration policy that is unlikely to replace the old policy.

The policy aims to boost private investment in mineral exploration by incentivising private firms.

The blocks will be awarded in the three models proposed in the national mineral exploration policy for attracting private sector participation in exploration—revenue sharing from mining lease proceeds for 50 years, JV between private and public sector firms and reimbursement of costs with reasonable profits.

Prime Minister Narendra Modi had in 2015 asked for a participative model of exploration and extraction, which had led to the introduction of a new model of mineral exploration policy.

The policy, which is yet to be notified, provides for a 30-year period for mining lease and a one-time fee of Rs 50,000 for reconnaissance permits.

The government is also planning to auction 2,000 blocks for exploration.

The amended Mines and Mineral Development Act mandates firms to contribute 2% royalty for facilitating exploration.

Subject: Immediate grant of sanction for prosecution of Geological Survey of India officers in compliance with the orders of the Hon'ble High Court Lucknow Bench dated 05.01.2015 in W.P.No.12866(W/B)/2015

Sir,

The applicant has to submit as under:

1. That the matter of heavy corruption in offices of Geological Survey of India, esp. Northern Region office at Lucknow, regarding appointments made in compassionate quota, disabled quota, contingent/non-regular workers etc. was reported to the police thereafter, the matter is pending in the court of Chief Judicial Magistrate, Lucknow, vide Cr.Misc. Case No.56956/14, and a writ petition in the Hon'ble High Court Lucknow Bench was filed vide W.P.No.12866(W/B)/2014 in which final order was passed providing for three months time for the concerned government to grant sanction for prosecution the concerned government is the Central Government and the Department is Ministry of Mines, Department of Mines, Geological Survey of India, (copy of order enclosed).

2. That the applicant filed applications for grant of sanction along with the copy of the order of the Hon'ble High Court vide his applications dated 20.01.2015 (copies enclosed) but, unfortunately, despite several reminders (copies enclosed) the requisite sanction for prosecution has not been granted by the concerned Government/Department.

3. That the matter is being delayed inordinately hence the necessity of this reminder before approaching the Hon'ble High Court again for remedy.

4. Kindly grant immediate sanction for prosecution of named accused govt. servants as per law.

Subject: Information sought under RTI Act, 2005.

Sir,

Please refer to your RTI application no. nil dated 11.08.2016 transferred by Ministry of Mines vide letter dated 26.08.2016 and received in CA-I Section on 30.08.2016. It is informed that the file No.13016/29/2003-CA-I (Part) titled ‘Allotment of captive coal mining blocks to NTPC for captive Mining – Pakri Barwadih’ has been seized by CBI vide seizure memo dated 20.07.2012 for the purpose of investigation into alleged irregularities in allocation of coal blocks. The photocopy of the above mentioned file has been received back from CBI. The above mentioned file and the available records of CA-I Section has been checked, however the information sought by you could not be located.

2. In case, you are not satisfied with the reply, you may prefer an appeal to the First Appellate Authority in the Ministry, the details of which are as under:-

Shri Anurag Kapil, Director (CA-I), Ministry of Coal, Room No. 302-B, Shastri Bhawan, New Delhi.

Yours faithfully,

[Rishan Rynathiang]
CPIO/Under Secretary to the Govt. of India

Copy to: Shri Kamlesh Gauba, ACPIO, Ministry of Mines, Shastri Bhawan, New Delhi w.r.t. letter No. 2/180/2016-Pt dated 26.08.2016. It is informed that the IPO has been addressed in favour of ‘Accounts Officer, Ministry of Mines, New Delhi.’ The IPO No. 36F 019837 for Rs. 10/- is returned herewith for depositing the same in Ministry of Mines's Account. Subject: Prayer for investigation into reckless and useless spending of public money by Geological Survey of India, Northern Region, Lucknow, officers in unnecessary litigations and court cases one after another.

---

Sir,

The applicants have to submit as under:

1. That the applicants were found fit and eligible by the Compassionate Appointment Committee and the recommendations were approved by the competent author and letter of assurance was issued that appointment letters would be issued, but, unfortunately, the vacancies meant for eligible and selected candidates for compassionate appointments have been sold out for illegal considerations, due to corruption, nepotism, favouritism, to certain ineligible, near and dear ones candidates, and the posts were never offered to the applicants, as a result, court cases bearing C.A.No.299/06 and 303/06 and contempt cases bearing C.C.P.No.52/07 and C.C.P.No.50/07 were filed then again assurance were given in affidavit in the C.A.T. Lucknow, but, again vacancies were sold out and the applicants were left high and dry. Then the GSI, WR, Department filed six writ petitions (all futile and frivolous) before the Hon'ble High Court Lucknow, against such orders of C.A.T. Lucknow Bench and ultimately after 8-9 years all the writ petitions including writ Petitions No. 1326/2007 and 1327/2007 have been dismissed and the C.C.Ps have been revived. Then two other O.As.Nos. 303/2016 and 309/16 have again been filed against the Department and an order, similar in nature, in both O.As. have been passed by the C.A.T. Lucknow Bench dated 18.7.2016, in which in the 4th, 5th and 6th lines the Hon'ble Tribunal has noted that 'there have been various rounds of litigations between the parties with no result. Also many have been given appointments in the interim of all the orders enclined.'
The Hon'ble Minister of Govt. of India  
Depth of Personal & Training (D.O.P.T.)

New Delhi  

Subject: Prayer for investigation into reckless and useless spending of public money by Geological Survey of India, Northern Region, Lucknow, officers in unnecessary litigations and court cases one after another.

---

Sir,

The applicants have to submit as under:

1. That the applicants were found fit and eligible by the Compassionate Appointment Committee and the recommendations were approved by the competent authority. And letter of assurance was issued that appointment letters would be issued, but, unfortunately, the vacancies meant for eligible and selected candidates for compassionate appointments have been sold out for illegal considerations, due to corruption, nepotism, favouritism, to certain ineligible, near and dear ones, candidates, and the posts were never offered to the applicants, as a result, court cases bearing O.A.No.299/06 and 303/06 and contempt cases bearing C.C.P.No.52/07 and C.C.P.No.50/07 were filed then again assurance were given in affidavit in the C.A.T.Lucknow, but, again vacancies were sold out and the applicants were left high and dry. Then the GSI, WR, Department filed six writ petitions (all futile and frivolous) before the Hon'ble High Court Lucknow, against such orders of C.A.T.Lucknow Bench and ultimately after 8-9 years all the writ petitions including writ Petitions No.1326/2007 and 1327/2007 all have been dismissed and the C.C.Ps have been revived. Then two other O.As.Nos.303/2016 and 309/16 have again been filed against the Department and an order, similar in nature, in both O.As. have been passed by the C.A.T.Lucknow Bench dated 18.7.2016, in which in the 4th, 5th and 6th lines the Hon'ble Tribunal has noted that 'there have been various rounds of litigation between the parties with no result. Also many have been given appointments in the interim...
2. That, thus, certain corrupt elements in the offices of GSI, NR, Lucknow, have deliberately and purposely denied the applicants and such other persons of their due appointments, by resorting to endless court cases one after another and have wasted recklessly the precious govt. money in futile court exercises which have given rise to more and more litigations and in the meantime a lot of govt. money has been wasted by these malafide and ill-intentioned elements who have also forced the poor applicants and others to lose money and precious time seeking remedies in courts for years together while the family have suffered and suffered endlessly. These futile court exercises and reckless spending of public money in futile court exercises and court proceedings with malafide intents needs to be investigated and such tendencies among the unscrupulous, corrupt and malafide officers who have no regard for austerity policies of the Govt. of India, needs to be curbed immediately, and justice should be done to the poor applicants, in the interest of justice.

PRAYER

Wherefore, it is most humbly prayed that the legal expenses and other related expenses of the officers and offices of Geological Survey of India, esp. the Northern Region, Lucknow, be extensively investigated, the collusion and malafide intents, be investigated, and the guilty officers be punished after conducting full and deep audits and investigations of such expenses, which is surely an unnecessary burden on the public exchequer/money.

In W.P.No.12866(M/B)/2015

Reference: Request for grant of sanction dated 20.1.2015.

Sir,

The applicant has to submit as under:

1. That the matter of heavy corruption in offices of Geological Survey of India, esp. Northern Region office at Lucknow, regarding appointments made in compassionate quota, disabled quota, contingent/non-regular workers etc. was reported to the police thereafter, the matter is pending in the court of Chief Judicial Magistrate, Lucknow, vide Cr.Misc. Case No. 58956/14, and a writ petition in the Hon'ble High Court Lucknow Bench was filed vide W.P.No.12866(M/B)/2014 in which final order was passed providing for three months time for the concerned government to grant sanction for prosecution the concerned government is the Central Government and the Department is Ministry of Mines, Department of Mines, Geological Survey of India. (copy of order enclosed).

2. That the applicant filed applications for grant of sanction along with the copy of the order of the Hon'ble High Court vide his applications dated 20.01.2015 (copies enclosed) but, unfortunately, despite several reminders (copies enclosed) the requisite sanction for prosecution has not been granted by the concerned Government/Department.

3. That the matter is being delayed inordinately hence the necessity of this reminder before approaching the Hon'ble High Court again for remedy.

4. Kindly grant immediate sanction for prosecution of named accused govt. servants as per law.

To
The Hon'ble Minister, Govt. of India
Law & Justice
New Delhi—

Subject: Prayer for investigation into reckless and uselessness spending of public money by Geological Survey of India, Northern Region, Lucknow, officers in unnecessary litigations and court cases one after another.

Sir,
The applicants have to submit as under:

1. That the applicants were found fit and eligible by the Compassionate Appointment Committee and the recommendations were approved by the competent authority and letter of assurance was issued that appointment letters would be issued, but, unfortunately, the vacancies meant for eligible and selected candidates for compassionate appointments have been sold out for illegal considerations, due to corruption, nepotism, favouritism, to certain ineligible, near and dear ones, candidates, and the posts were never offered to the applicants, as a result, court cases bearing C.A.No.299/06 and 303/06 and contempt cases bearing C.C.P.No.52/07 and C.C.P.No.50/07 were filed then again assurance were given in affidavit in the C.A.T. Lucknow, but, again vacancies were sold out and the applicants were left high and dry. Then the GEO, Lucknow, Department filed six writ petitions (all futile and frivolous) before the Hon'ble High Court Lucknow, against such orders of C.A.T. Lucknow Bench and ultimately after 6-7 years all the writ petitions including writ Petitions No.1326/2007 and 1327/007 all have been dismissed and the C.C.Ps have been revived. Then the other C.A. Nos. 303/2016 and 309/16 have again been filed against the Department and an order, similar in nature, in both C.A. have been passed by the C.A.T. Lucknow Bench dated 18.7.2016, in which in the 4th, 5th and 6th lines the Hon'ble Tribunal has noted that 'there have been various rounds of litigations between the parties with no result. Also, many others have been given appointments in the interim period.' (Copies of all the orders enclosed).

...... 2/-
2. That, thus, certain corrupt elements in the offices of G31, NR, Lucknow, have deliberately and purposely denied the applicants and such other persons of their due appointments, by resorting to endless court cases one after another and have wasted recklessly the precious Govt. money in futile court exercises which have given rise to more and more litigations and in the meantime a lot of Govt. money has been wasted by these malafide and ill-intentioned elements who have also forced the poor applicants and others to lose money and precious time seeking remedies in courts for years together while the family have suffered and suffered endlessly. These futile court exercises and reckless spending of public money in futile court exercises and court proceedings with malafide intents needs to be investigated and such tendencies among the unscrupulous, corrupt and malafide officers who have no regard for austerity policies of the Govt. of India, needs to be curbed immediately, and justice should be done to the poor applicants, in the interest of justice.

PRAYER

Therefore, it is most humbly prayed that the legal expenses and other related expenses of the officers and offices of Geological Survey of India, esp. the Northern Region, Lucknow, be extensively investigated, the collusion and malafide intents, be investigated, and the guilty officers be punished after conducting full and deep audits and investigations of such expenses, which is surely an unnecessary burden on the public exchequer/money.

Mr. P. Vinay Kumar
Under Secretary and CPIO
Ministry of Mines,
Shashtri Bhawan Room No. D-302
New Delhi- 110 001

Sub: Request for information under the RTI Act:

Sir,

This refers to the MMDR Amendment Act 2016, notified on 6th May 2016 under which a proviso to sub section 6 of the section 12A of the Principal Act, has been inserted which reads as under:-

‘Provided that where a mining lease has been granted otherwise than through auction and where mineral from such mining lease is being used for captive purpose, such mining lease may be permitted to be transferred subject to compliance of the terms and conditions and payment of such amount of transfer charges as may be prescribed’.

There is no clarity pertaining to the following aspects or situations, which I would kindly request you to clarify.

1) Does the Lessee need to set up the plant on their own before transfer of such mines which they are holding lease obtained otherwise than through auction, in cases where the associated end use plant is yet to be set up by the lessee.

2) Can the lessee transfer the mines to anybody by paying transfer charges to the Government as per the rules, and that transferee may set up the associated cement plant on its own?

3) Can such transferee use the mineral to any of the presently operational plants for captive use?

I shall be thankful if you could kindley clarify the above aspects. The requisite fee is enclosed herewith. (IPO No. – 38F 028175)

Thanking You,

Yours faithfully

No. 10/20/2016-M.V
Government of India
Ministry of Mines
*****
New Delhi, the 7th Sept, 2016

To
The Controller General
Indian Bureau of Mines
Indira Bhawan, Civil Lines
Nagpur-440102

Sir,

Kindly refer to Shri Tirtha Biswas’s application dated 21.09.2016 (copy enclosed) seeking information under RTI Act, 2005. The applicant has sought the details of quantity and value of material consumed in specific mining companies from 2004-05 till 2015-16.

2. Since the information sought by the applicant pertains to Indian Bureau of Mines, the application is being transferred under Section 6(3) of the RTI Act, 2005 for taking further necessary action therein.

3. In case, it does not fall under your jurisdiction it may please be further transferred to the Public Authority to which the subject matter is more closely connected directly, under the intimation to the applicant.

Yours faithfully,
(P. Vinay Kumar)

RESPECTED SIR

SUB – STRENGTHENING THE G.C.D.R 1999 - PROPERLY
IMPLIMANTATION TO THE NEW MINING POLICY
FRAMED BY GOVERNMENT OF TAMILNADU REG.
& & &

I take refinance to the above and I request you to consider below
points for implementation of The GCDR 1999 properly to the new mining policy
framed by Government of Tamilnadu.

The GCDR 1999 wef 01/06/1999 in our country aimed for uniformity,
transparency, fair play, centralized, safe economy, rural orientation, employment,
revenue, earn foreign exchange, new variety, new mines, and non monopoly.

Based on The GCDR 1999 PL/ML application are applied to the
government of Tamilnadu but the government is not interested and rejected the
same. Further, some applicants are approach the High court of Madras and the
court directed to the government of Tamilnadu to consider / pass final order in
this regard. The all court direction applications are prolonged pending before the
government of Tamilnadu till date.

..2..
Already the government of Tamilnadu imposed penalty for illegal granite holders and the scam case is now in court. The government of Tamilnadu faced unnecessary problem in the granite trade due to non-implementation of The GCDR 1999 only.

In this connection the **Granite Development council** already passed the agenda for make necessary implementation of the GCDR 1999 to all our country properly for public interest.

Sir, at present the Government of Tamilnadu has framed the new mining policy. I request you to send a special note / order to the government of Tamilnadu for implementation of The GCDR 1999 properly and grant of pending PL/ML in the court direction applications wef 01/06/1999 on wards, please send me your action details in this regard.

Thanking you sir

Yours Truly

(P.PURUSOTHAMAN)

Subject: Application under RTI Act, 2005-reg.

Sir,

Kindly refer to your online RTI application No.MOWCD/R/2016/50472/1, dated 17.08.2016. The information relating to Creche Section dealing with the Rajiv Gandhi National Creche is furnished as under:-

"Rajiv Gandhi National Crèche Scheme (RGNCS) was launched w.e.f. 1st January, 2006 to provide day care facilities to children (age group of 0-6) years of working and other deserving women belonging to families whose monthly income is not more than Rs. 12,000/-. The Scheme has been revised w.e.f. 01.01.2016 for its continuation during the remaining part of the 12th Five Year Plan. As per revised scheme, the crèche facility is provided to the children of age group of 6 months to 6 years of working mothers who is employed for a minimum period of 15 days in a months, or six months in a year. The scheme provides supplementary nutrition, health care in puts like immunization, polio drops, basic health monitoring, pre-school education (03-06 years) and emergency medicine. This scheme is being implemented presently through the Central Social Welfare Board (CSWB) (an autonomous body under the Ministry) and Indian Council for Child Welfare (ICCW) (an NGO). Details of scheme i.e. the guidelines, application format, eligibility, criteria for NGOs is readily available at the Ministry's website www.wcd.nic.in under the heading schemes/Women Empowerment Scheme.

Subject:  Application under Right to information Act, 2005.

Sir,

Kindly refer to your online application No. MOWCD/R/2016/80155/1 dated 27.08.2016. The information relating to Creche Section dealing with the Rajiv Gandhi National Creches is furnished as under:-

"Rajiv Gandhi National Crèche Scheme (RGNCS) was launched w.e.f. 1st January, 2006 to provide day care facilities to children (age group of 0-6) years of working and other deserving women belonging to families whose monthly income is not more than Rs. 12,000/-. The Scheme has been revised w.e.f. 01.01.2016 for its continuation during the remaining part of the 12th Five Year Plan. As per revised scheme, the crèche facility is provided to the children of age group of 6 months to 6 years of working mothers who is employed for a minimum period of 15 days in a months, or six months in a year. The scheme provides supplementary nutrition, health care in puts like immunization, polio drops, basic health monitoring, pre-school education (03-06 years) and emergency medicine. This scheme is being implemented presently through the Central Social Welfare Board (CSWB) (an autonomous body under the Ministry) and Indian Council for Child Welfare (ICCW) (an NGO). Details of scheme i.e. the guidelines, application format, eligibility, criteria for NGOs is readily available at the Ministry’s website www.wcd.nic.in under the heading schemes/NGOs.

2. Your application is also being transferred to M/o Rural Development, M/o Mines, & M/o Labour & Employment under section 6 (3) of RTI Act, 2005 for providing information.

3. In case you are not satisfied with the reply, you may prefer an appeal to the following Appellate Authority –

"Dr. Rajesh Kumar,
Appellate Authority and Joint Secretary
Room. No. 605, A Wing,
Ministry of Women and Child Development,
Shastri Bhawan, New Delhi – 110001."

Respected Sir/Madam,

SEEKING INFORMATION UNDER RTI ACT, 2005

SUB: REQUEST TO FURNISH THE FUNDS ACCOUNTING DETAILS OF THE BELOW DEPARTMENTS UNDER YOUR PARENT MINISTRY/DEPARTMENTS FROM 2014-15 TO 2016-17 - REG.

*******

SPECIAL COMPONENT PLAN FOR SCHEDULED CASTES (SCP) AND TRIBAL SUB-PLAN FOR SCHEDULED TRIBES (TSP)

With reference to the above I am to state that The Special Component Plan for Scheduled Castes (SCP) and Tribal Sub-Plan for Scheduled Tribes (TSP) were initiated in the mid seventies with a view to channelize the flow of outlays and benefits from the general sector in the Central Ministries/Departments for the development of Scheduled Castes and Scheduled Tribes at least in proportion to their population, both in physical and financial terms. In this regard I am to state that it is understood that the Mid Term Appraisal of the Tenth Five Year Plan has noted that several Central Ministries/Departments have not earmarked adequate funds to SCP and TSP in proportion to the SC and ST population.

NON DIVERTABLE AND NON LAPSABLE OF FUNDS ALLOTTED TO SC & ST UNDER SCSP & TSP:

The Tribal Sub Plan (TSP) and Special Component Plan (SCP) should be an integral part of Annual Plans as well as Five Year Plans, making provisions therein non-divertible and non-lapsable, with the clear objective of bridging the gap in Socio-Economic Development of the SCs and STs within a period of 10 years.

SEPARATE HEAD OF ACCOUNTS FOR SCP AND TSP:

In the Union Budget 2011 - 12, the Government introduced two separate Budget statements - Statement 21 that specifically catered to SCs, and Statement 21A for STs. Allocations were thus made under separate Minor Heads 789 and 796 for 25 Central Ministries and
INCENTIVES:

Incentives should be considered to act as motivators. Like disincentives, incentives should also be administered immediately to have effect.

GOLD MEDAL:

The District Magistrates and Chief Divisional Officers having first three positions in the State as per marks awarded according to the practice established by Government of for evaluation of 20 point programme will be rewarded by a Gold Medal along with an appreciation letter by the Chief Minister to be recorded in their character rolls. In an annual function of all IAS officer, District Level Officers and VOs along with their good workers will be suitably rewarded.

STRICT INSTRUCTIONS FOR THE EFFECTIVE IMPLEMENTATION OF SCSP BY THE GOVERNMENT OF GOA AND GUJARAT

In this regard I am to state that the Government of Goa has issued instructions to all the departments for strict adherence of SCSP guidelines of the Planning Commission since the funds earmarked by all the departments were far below the target of 2% and has reiterated to enhance the department's plan outlay to the extent of 2% - population percentage of SC in the State of Goa - through its official letter No. DSW/STAT/SCSP/2013-14/2240 dated 6th June, 2013.

Further to state that the same issue was raised and has been reiterated for the effective implementation of SCSP & TSP in the minutes of the meeting held on 21st November, 2012 in the Assembly chaired by the Hon’ble Speaker in the presence of Hon’ble Minister for Health & Hon’ble Minister for Social Welfare of the State.

In this regard, I am to state that the following departments are under your parent Ministry/Department:

b) **DECISSION:**

The respondent has wrongly asked the appellant to pay Rs.10/- as fee for each of the items for which information was sought by the appellant. There is no proviso in the rules for such a demand.

9. **INFORMATION TO BE PROVIDED IF RELATES TO 100 YEARS; REF: (SUKUMAR DE VS. HINDUSTAN STEEL WORKS CONSTRUCTION LTD. DT.12.02.2008, CIC DIGEST (VOL.II, PG.2048) & O.P.SINGHAL VS. DEPUTY COMMISSIONER, CIVIL LINES, MUNICIPAL CORPORATION OF DELHI, DT.17.09.2007, CIC DIGEST VOL.II, PG.1807):**

a) The denial of information merely on the ground that the action relates to more than 20 years is not acceptable (Sukumar De vs Hindustan Steelworks Construction Ltd. dt.12.02.2008, CIC Digest Vol.II page 2048).

b) Appellant has stated that after 20 years such information cannot be denied (A. Vatsraj Vs. State Bank of India dt.19.06.2007, CIC Digest Vol.II page 1568).

c) If the information is more than 20 years old, it is not excluded, but mandated to be provided (O.P.Singhal Vs. Deputy Commissioner, Civil Lines, Municipal Corporation of Delhi dt.17.09.2007, CIC Digest Vol.II page 1807).

d) Although the information asked for ranges over 100 years and relates to railway bridges throughout the country, the Commission directs to furnish the information in part as to whatever is presently available, i.e., the issue is an important one relating to safety, the Commission feels that it should be compiled and provided to the Complainant Keeping technologies in mind (Salim Baig Vs. Railway Board dt.20.12.2007, CIC Digest Vol.II page 1952).

10. **INFORMATION TO BE PROVIDED FREE OF COST IF IT EXCEEDS THE TIME LIMITS; REF; SEC.7(6) OF RTI ACT, 2005:**

Section 7 (6) “Notwithstanding anything contained in section 7(5), the person making request for the information shall be provided the information free of charge where a public authority fails to comply with the time limits specified in subsection (1) of section 7”.

11. **INFORMATION TO BE PROVIDED WITHIN 48 HOURS; REF:SEC.7(6) OF RTI ACT, 2005:**

As per section 7(1) of the Act, where information sought for concerns the life and liberty of a person, the same shall be provided within forty-eight hours of the receipt of the request.

12. **VOLUMINOUS INFORMATION TO BE PROVIDED IN THE FORM OF C.D.; REF:SEC.4(a) OF RTI ACT, 2005:**

Where the information sought is voluminous, it is to be provided in the form of C.D. Also to state that as per section 4(a) of the Act it is mandatory to "maintain all its records duly catalogued and indexed in a manner and the form which facilitates the right to information under this Act and ensure that all records that are appropriate to be computerized and connected through a network all over the Country on different systems so that access to such records is facilitated".

13. **INFORMATION SHALL BE PROVIDED IN THE SOUGHT FORM; REF:SEC.7(9) OF RTI ACT, 2005:**

As per section 7(9) of the Act, "An information shall ordinarily be provided in the form which it is sought, unless it would disproportionately divert the resources of the Public Authority or would be detrimental to the safety or preservation of the record in question". Hence it is mandatory of the public authority to provide the information sought in any available form and merely quoting this section and denial of information on grounds that it is not available in the sought form is not sustainable.

GUIDELINES/STANDING INSTRUCTIONS/SYNOPSIS AS PER C.I.C.

1. PROVIDE INFORMATION TO OFFICE BEARERS / (ASSOCIATION / ORGANIZATION / NGO) / REF: No.139/ICPB/2006 dt.25.10.2005:
Information should not be denied quoting section 3 since office bearer of Corporation, Association, Company, NGO etc. who is also a citizen of India, information shall be supplied to him/her, provided the applicant gives his/her full name. In such cases, it will be presumed that a citizen has sought information at the address of the Corporation etc. Hence it has been decided that even if information is sought by an office bearer of an Association/Union, the same should be treated as valid in terms of provisions of the RTI Act vide letter No.139/ICPB/2006 dt.25.10.2005.

2. TRANSFER OF INTIMATION WITHIN THE TIME BOUND, REF: SEC. 6(3) OF THE RTI ACT, 2005:
As per section 6 (3) of the RTI Act 2005, in case the information sought does not come under the purview of the public authority the same should be transferred to the appropriate public authority and to be intimated to the applicant immediately about such transfer. Provided that the transfer of an application pursuant to this sub-section shall be made as soon as practicable but in no case later than five days from the date of receipt of the application.

3. REFUSAL OF REQUEST & NOT RESPONDING IS LIABLE TO ATTRACT PUNISHMENT: REF: SEC. 7(2) & 20(1) OF RTI ACT, 2005:
As per section 7 (2) of the Act, if the PIO fails to give decision of the request for information within the specified period of thirty days under sub-section (1), shall be deemed to have refused the request.

4. VERNACULAR AS PER PETITIONER'S REQUEST: REF: 4(4) OF RTI ACT, 2005:
It requiring giving information to the citizens in the language they know as according English Version is preferred.

5. DENIAL OF INFORMATION ON GROUNDS OF LACK OF MAN POWER IS NOT PERMISSIBLE: REF: SEC. 5 OF RTI ACT, 2005:
As per section 5 every public authority shall, within one hundred days of the enactment of this Act, designate as many officers as the Central Public Information Officers or State Public Information Officers as the case may be, in all administrative units or offices under it as may be necessary to provide information to persons requesting for the information under this Act.

6. DENIAL OF INFORMATION MERELY QUOTING THE BARE CLAUSE OF THE ACT IS NOT PERMISSIBLE: REF: SEC.7(8) (1) of the Act (section 7 (8) (1):
Merely quoting the bare clause of the Act [section 7 (8) (1)] does not imply that the reasons have been given. PIO should indicate clearly the grounds of seeking exemptions from disclosure of information while rejecting a request vide letter 27/IC(A)/06, dated 10.04.2006.

7. PENALTY & DEPARTMENTAL ACTION FOR MALAFIDE DENIAL AND DELAY IN REPLY: REF: SEC.20(1) OF RTI ACT, 2005:
Malafide denial of information sought is liable to attract penalty of Rs.250/- from the date of application till the date of information provided and disciplinary action by the department as per section 20 (1).

8. INFORMATION SOUGHT ON NUMBER OF POINTS IS STATUTORY, MANDATORY AND LEGITIMATE: REF: AMAR SINGH Dahiya vs. FOOD CORPORATION OF INDIA DT.04.02.2008, CIC DIGEST (VOL.II) PG.2732;
a) Information sought by the applicant in one application under the RTI Act has to be provided, if application fee of Rs.10/- has been paid, irrespective of the number of points, on which information have been sought by the information seeker (Amar Singh Dahiya vs Food Corporation of India dt.04.02.2008, CIC Digest (Vol.II) pg. 2732).
(See rule 8 of the Tamil Nadu Societies Registration Rules 1978)

Certificate of Registration Under Section 10 of the Tamil Nadu Societies Registration Act. 1975 (Tamil Nadu Act. 27 of 1975)
